IOWA FARM STRIKE IS SPREADING

Chambers Hits Jap Propaganda

ADS URGING DEFEAT OF LAND LAW SCORED

State Controller Attacks Statements Spread Over California

SACRAMENTO, Oct. 29.—Advertisements appearing in California papers in behalf of Japanese and aiming at defeat of Amendment 1 contain "misrepresentation, evasion and half truth," John S. Chambers, state comptroller, and executive chairman of the California Exclusion League, declared here today. "With one exception they have been answered on numerous occasions," said Chambers.

SAN ANTONIO, Oct. 29—Residents of the fertile Rio Grande valley prepared today to fight threatened Oriental invasion following warning of plans of Japanese colonization along the Rio Grande.

The Japanese, fearing passage of the California anti-alien land-owning bill, are laying plans to colonize the valley, reports from the El Paso C. of C. said.

American Legion posts, farmers and business men have taken up the fight against the threatened invasion.

BIG TRACT TO NORTH OF CORONA IS SOLD

CORONA, Oct. 29 — A deal in which 800 acres of the rich farming land north of Corona belonging to the Citrus Belt Land Company, becomes the property of Rex B. Clark of Pasadena, has just been closed. Mr. Clark announces that improvements on the property will begin shortly. The acreage includes 65 acres of lemons and 35 acres of oranges. The new owner plans to seed 300 acres of the land to alfalfa and it is understood that he will eventually build a fine country home upon the place.

WITNESSES IN BOOZE PROBE FACE IMMUNITY

LOS ANGELES, Oct. 29 — With the federal grand jury called to begin its probe of alleged illegal withdrawal, United States Attorney O'Connor stood by his statement that enough evidence had been obtained to insure indictments of at least five men.

Numerous suspected men have been giving information to United States attorneys, it was learned, in the hope that may stave off indictments.

This, it was said, is in accordance with a provision of the Volstead law which grants immunity to persons testifying before federal grand juries investigating liquor cases.

MURDERER OF L. A. OFFICER IS HANGED

SAN QUENTIN, Oct. 29—Arthur Collins, of Denver, Colorado, today paid with his life for the murder of Policeman Donald Hathaway in Los Angeles. He was hanged here shortly after 10 o'clock this morning. About 20 persons witnessed the execution.

PAYS $40,000 FOR 15 CARS OF HOGS

HANFORD, Oct. 29.—Fifteen carloads of hogs especially fed for competition netted $40,000 at the second annual "Pork Day" auction here.

The top price was $14.75 per hundredweight. The 2000 people who gathered to witness the judging were guests of the Breeders' Association at the noon meal.

MOSCOW IN STATE OF SEIGE, IS REPORTED

LONDON, Oct. 29—A state of siege has been declared in Moscow, dispatches from Helsingfors to the British foreign office said today.

The population of Petrograd and Moscow were reported to be most hostile to the soviet government.

Some Straight Talk

Editorial

Life is too short—especially that part of it that may be devoted to the real issues of the present political campaign—and space too scarce and valuable for much of either to be devoted to controversy that is more personal than pertinent.

But the Register desires to say in passing—and finally so far as any controversy with the "Democratic Column" is concerned—that we did not and do not question what Gov. Cox has said in his Los Angeles speech or elsewhere; but we repeat that it would be folly to expect tariff protection at the hands of a Democratic administration, and that any claims or promises of such protection from such source offer no hope of relief for Southern California producers.

It is a self-evident historical, political and economic fact that all the protection that production, manufacturing, labor or capital has ever had has come from the Republican party, and that the Democratic party is responsible for the present wholly inadequate tariff provided by the Underwood bill, as it was also responsible for the wreck and ruin of production and manufacturing which followed in the wake of the Wilson bill of long ago.

This is a fact which is not and cannot be in any way affected by the sincerity or insincerity, consistency or inconsistency, accuracy or inaccuracy of either the Register or the publicity agent of the Democratic County Central Committee.

The University Tax

The Register supports this measure. Unquestionably the university needs the money, and it is very doubtful that it can get it any other way in time to avert disaster.

The principal objection we have heard to this measure (No. 12 on the ballot) is that it seems to relieve the corporations of any burden of taxation for the support of the university. This is the view of Clyde Seavey of the State Board of Control, of our own county auditor, W. C. Jerome, and our county assessor, James Sleeper. On the other hand, President Barrows of the State University and Prof. Carl Plehn of the same institution, assert positively that it does not relieve the corporations. They say that the adoption of No. 12, levying an ad valorem tax of 12 cents on the $100 of non-corporate property, will automatically increase the corporation taxes in like proportion through the bi-ennial readjustment provided for by law; and that such increase is as greatly needed for other purposes as the proposed 12 cents levy is needed for the university.

However, after all is said and done the fact remains that if the university tax were levied against corporation property it would, as soon as possible, be redistributed by increased rates and charges so as to come from all taxpayers.

So, after very voluminously presenting both sides of the question, the Register has reached the conclusion that No. 12 should be supported by the voters nevt Tuesday.

CANADA HARVESTS SUNFLOWER CROP

CALGARY, Can., Oct. 29—Millions of sunflowers fell before the knives of the mowers this fall in the most gorgeous crop ever harvested in western Canada.

Immense areas were planted to this new silage product. Fields of twenty and fifty acres were common, and fifty acres of sunflowers closely ranked, standing twelve and fifteen feet high, were spectacular beauty spots in a prairie landscape.

Cutting these flowering minature forests might seem a difficult task, but the rapidly shuttling sawtoothed knives of mowing machines brought them tumbling to earth in golden windrows.

DEER DIG POTATOES

OTISVILLE, N. Y., Oct. 29.—Game authorities hvae been notified that deer are destroying crops on the country place of Chester W. Chapin at Lebanon Lake, a few miles from Otisville. Tons of vegetables have been destroyed. It is said the deer can dig a hill of potatoes almost as quickly as a farmhand.

DAUGHTER OF SOLON RETURNS FROM TRIP WITH CONGRESSMEN

After a four months' tour of the Orient with her father, Congressman Phil Campbell of Kansas, and other members of the congressional junket, Miss Campbell has again taken her place as one of the leaders of the younger set at the capitol. She has been the honoree at several social affairs since her return.

SWING AGAIN STATES HIS STAND ON TARIFF

SAN DIEGO, Oct. 29.—One of the largest crowds that has heard Judge Phil D. Swing of Imperial, nominee for congress from this district in his present campaign in San Diego county, assembled in El Cajon last night and heard with close attention his views on the public questions of the day. Protection for the citrus growers of the country was gone into at considerable length by Judge Swing and as practically every one of his hearers is interested directly or otherwise, in that industry, his views on this vital matter were heard with especial interest.

"I favor and will work unceasingly for ample and adequate protection for our citrus growers," said Judge Swing, and the statement was greeted with prolonged applause. "The citrus industry is one of the largest and most important in the district. The present tariff schedule —or rather the absence of one—had made this country the dumping ground of the cheaply produced foreign product to the irreparable injury of our own industry."

IMPERIAL VALLEY TO GROW MORE ALFALFA

EL CENTRO, Oct. 29.—The greatest increase in alfalfa acreage shown since the beginning of Imperial valley cultivation is likely to be shown this year if the increases in orders for alfalfa seed continue for another month as they have during the past six weeks. Horticultural Commissioner Waite is authority for the statement that the increases are phenomenal and the change is attributed to the break in cotton prices, the rise in freight rates making much vegetable raising unprofitable and the "back to the dairy" sentiment as recently expressed by President Tom Edgar of the Brawley Commercial club.

FITTS TO BE GUEST

BRAWLEY, Oct. 29.—Plans for the Armistice day celebration are fast being perfected. Brawley post No. 69 has received word that State Com. Buron A. Fitts will be present on that day.

DISTRIBUTING FISH

SAN DIEGO, Oct. 29.—Seventy-six cans of steelhead and rainbow trout arrived here from the Independence hatchery, in Inyo county, yesterday. The fish, numbering more than half a million, were distributed among the lakes and dams of the back country by Deputy Fish and Game Warden Webb Tom.

MIDSHIPMEN FACE 'DRINKING' CHARGE

ANNAPOLIS, Md., Oct. 29.—Running afoul of the naval academy regulations on intoxicants, two or more midshipmen face possible dismissal from the naval service. Recommendations in a number of cases of students who have been imbibing are now before the navy department for final action. Rear Admiral A. H. Searles, superintendent of the academy, would not reveal the names.

Several of the students, it is said, have been allowed to resign in the last few days, but cases now pending before the department for final review are said to result from flagrant violations of regulations.

Report has it that at least two midshipmen were apprehended on the streets in such an intoxicated condition that it became necessary to remove them to their quarters on the government reservation.

Naval academy authorities admit that at least two midshipmen have been recommended for dismissal.

ESKIMO IS CLEARED OF MURDER CHARGE

OTTAWA, Oct. 29.—Once more the Royal Canadian Mounted Police "got its man," but this time it released him, his name cleared.

A verdict of not guilty was received here today from a small party of white men who early last August left for the northland, to investigate the killing of Ketaushuk, one Eskimo, by Tukautauk, another member of his tribe.

The jury found that Ketaushuk started a row and that Tukautauk killed in self-defense.

MOOSE HOME TO BE BUILT IN RIVERSIDE?

RIVERSIDE, Oct. 29.—That Riverside county has an excellent chance of obtaining the home for the aged which the Loyal Order of Moose is to establish in Southern California was known today. The Chamber of Commerce, as well as the Riverside lodge of Moose, are actively at work on the project and it is believed that, barring unexpected developments, a Riverside county site will be selected.

Four tracts in this county have been offered for sale to the Moose grand officers, and all are said to be well adapted to the purpose.

LESSEE BUYS FURNITURE FOR HOTEL

Meeting To Be Held Tuesday Evening for Final Closing of Deal

That William Hewins, who has taken a lease on the new Santa Ana hotel on North Broadway, is moving fast in his plans to open the hostelry is evidenced by receipt here today of information that he has purchased the furniture for the hotel.

Notices were sent out today to hotel stockholders advising them of a meeting to be held at the city council chambers next Tuesday evening at 7:30 o'clock, for the purpose of considering the action of the board of trustees in entering into an agreement with Hewins.

A request also will be made, it is understood, that the trustees be placed in position to close up immediate sale of the property, indicating there is possibility that Hewins intends exercising his option at once instead of waiting a year to decide whether or not he wants to buy.

Hewins has a lease on the property for ten years, with the privilege of buying within a year at the actual cost of the building, according to the terms of his agreement with the hotel company.

It is possible that at the meeting Tuesday night the stockholders will be asked to approve sale of the property instead of giving their approval to the lease and option, it is said.

Hewins Impressed

When he was here looking the situation over about a month ago, Hewins was deeply impressed with the opportunity for developing a good business at the hotel. He was taken for a drive through Santa Ana and vicinity and it was following this that he decided to lease the property. He left for Chicago the next morning for the purpose of arranging his business affairs preparatory to opening the hotel.

When he left here he said that he would return about November 1, to take active control of the preliminaries. He expected at that time to open the hotel about January 1. He has until Feb. 1 to open the hotel under the terms of the agreement.

Every stockholder in the company is urged to be present at the meeting Tuesday night as the board of trustees wants all stockholders to sign the agreement.

EX-RIVERSIDER'S BABE STOLEN IN NEW YORK

RIVERSIDE, Oct. 29.—George T. Stagg, a former Riverside newspaperman is in the lime light in New York because of the alleged kidnapping of his baby by Miss Betty Brainerd, magazine and newspaper writer.

According to a dispatch Governor Alfred E. Smith of New York signed extradition papers for Miss Brainerd who is wanted in Tacoma, Wash., on the kidnapping charge. Counsel for Miss Brainerd announced application would be made immediately for a writ of habeas corpus.

Stagg was in the aviation service for several months at March Field and when he received his discharge accepted a position on a local paper where he worked for several months.

He is now engaged in newspaper work in New York.

RIVERSIDE G. O. P. TO STAGE GREAT RALLY

RIVERSIDE, Oct. 29.—An old-fashioned Republican demonstration—the kind that father used to march in back in years gone by—is scheduled here for tomorrow night.

This will be the final wind-up of political activities ahead of the presidential election next Tuesday.

There will be much red fire burned and the town will be decorated in honor of the big demonstration.

The Riverside Military band will head the procession which will traverse the streets of the city an dthe parade will wind up at the Elks club house, where prominent speakers will discuss the campaign issues.

Hon S. C. Evans of this city, Mrs. Edson of Los Angeles, and Hon. Grant Miller of Reno, one of the most prominent and best informed speakers on the important issues of the present campaign on the coast will talk to the voters.

"39" BULLETINS

CHICAGO, Oct. 29—Bandits today held up and robbed Jacob Yanowitz, bank messenger of $50,000 in cash. Yanowitz and Policeman Leonard were both shot and wounded in a gun battle with the robbers who escaped.

SALARIES FOR CITY OFFICERS UP TONIGHT

Definite decision as to the salary of appointive officers under the proposed charted for Santa Ana is expected to be reached tonight by the Board of Freeholders at the regular meeting to be held at the city hall.

The salary question as it pertains to the mayor and the city trustees was reopened at the last meeting of the board, and it is possible that the discussion and decision tonight will touch other officers.

Whether the city should assume responsibility for the repair and the repaving of streets after they once are paved by the property owners is another matter scheduled for final decision tonight.

CHILD LOST 24 HOURS IN GREAT CORN FIELD

MOUNT VERNON, Ind., Oct. 29.—A six-year-old son of Louis Richeson, a Wabash bottom land farmer, living on the Spencer farms, twelve miles from this city, was lost in a large corn field in the bottom lands for twenty-four hours. The child left the house to go to his father in teh field and lost his way. When he did not return search parties made up of fifty residents of the neighborhood took up the trail. The boy was found with his clothes badly torn from stumbling and falling in the field and very much frightened. He had spent the entire time wandering about in a small area.

ELKS OR RIVERSIDE PLAN LODGE OF SORROW

RIVERSIDE, Oct. 29.— Riverside Lodge of Elks is about to launch plans for the annual "Lodge of Sorrow." Robert Lee Bettner is chairman of the committee and the details of the annual event were discussed at a meeting last night.

San Bernardino Lodge has already arranged for its program. Hon. J. F. Murasky, of San Francisco, one of the best known Elks of the north, will deliver the oration. The program will be in the First Congregational church.

SHORTHAND STUDIED BY MAN 76 YEARS OLD

PHILADELPHIA, Oct. 29.—At the age of seventy-six years, Francis M. Knodle of No. 504 Midvale avenue, Germantown, is studying shorthand at the Pennsylvania Railroad Young Men's Christian Association, 41st Street and Westminster avenue. Four years Knodle retired from the service of the railroad and began receiving a pension. Convinced that his age of usefulness was not ended, Knodle took a position in a railroad office. There he found a knowledge of shorthand would be of value, so he began to attend classes at the Pennsylvania Railroad Young Men's Christian Association.

GIRL REACHES END OF 2000 MILE HIKE

HURON, S. D., Oct. 29.—Miss Clara Johnson, a former Huron girl, recently returned to Minneapolis after a vacation of two months, which she spent on a walking trip, covering 2,000 miles. She left Minneapolis July 13, starting on her walk on foot and traveling 2,000 miles in just sixty days, never during the time travelling on a conveyance of any kind.

Clad in walking clothes and carrying only a small box containing her toilet articles, she travelled in South Dakota, North Dakota, Wisconson, Illinois and Iowa. She arrived home safe.

TO DEDICATE YALE WAR MEMORIAL SOON

NEW HAVEN, Oct. 29.—The dedication of the Yale Memorial to the War Dead of Yale University will take place on Sunday afternoon, Nov. 21. This is the day after the Harvard-Yale football game in the Yale Bowl at New Haven, and has been selected at a time most likely to be convenient to alumni and outside friends of the university as well as the undergraduates and members of the teaching staff.

Henry L. Stimson, former Secretary of War, a Yale graduate of 1888 will deliver the address.

PHOTOGRAPHED THE HOGS

LUVERNE, Minn., Oct. 29—A photograph said to be the most remarkable of its kind ever taken was secured on a farm near here when a local photographer secured a picture of eight Chester White hogs posed in a row as if on dress parade.

Swine experts who have examined the picture declare it to be the most remarkable example of hog posing in existence.

150,000 GRAIN MEN ORGANIZE FOR FIGHT AGAINST LOW PRICES

DES MOINES, Ia., Oct. 29.—The "farmers' strike" in Iowa, which was originally called by the Farm Federation, today spread to the Iowa Farmers' Union.

The union, which claims a membership of 35,000, pledged itself to support the strike for higher grain prices.

Should both organizations respond as a unit to the "strike call" it is estimated 150,000 farmers would be affected.

NATION-WIDE STRIKE BY FARMERS IS URGED

WASHINGTON, Oct. 29—All farmers virtually were asked to organize for a possible strike against present low prices of farm products in a resolution adopted here today by representatives of more than 30 farm organizations.

The resolution calls on farmers to band themselves together so all products may be marketed "in an orderly manner."

It was explained this meant "throughout the twelve months of the year and from one harvest to another as demand requires."

Charles F. Barrett, speaking as president of the National Farmers' Union, immediately after the passage of the resolution issued an appeal to cotton and wheat farmers "to withhold your products."

The proposal for withholding products from market is the first item of a long program framed by the conference here intended for the relief of farmers from falling prices.

MRS. PEETE PLANNING BIG COURT BATTLE

LOS ANGELES, Oct. 29—Following revelations of the alleged "checkered" career of Mrs. Louise L. Peete in several eastern cities made by the district attorney's office here yesterday, defense attorneys were today preparing for the court battle which will determine the guilt or innocence of the accused woman when she is tried for the alleged murder of Jacob C. Denton.

Continuing to maintain her composure, Mrs. Peete was today reported to be preparing a statement for publication in her cell in the county jail. This it was believed will be submitted to her attorneys before being "released."

R. C. Peete, her husband, visited her at the jail yesterday. She had no other visitors, and continued to evade newspapermen.

WILSON LAUDS COX CAMPAIGN

WASHINGTON, Oct. 29.—President Wilson today sent a letter to Governor Cox warmly endorsing the campaign of the Democratic presidential nominee and predicting his election.

The letter follows:

"My Dear Governor Cox:

"As the campaign approaches its climax, I want to give myself the pleasure of writing to say with what admiration I have followed your course throughout the campaign. You have spoken truly and fearlessly about the great issues at stake and I believe that you will receive the emphatic endorsement of the voters of the country.

"As one of those voters and as one of your fellow citizens, I want to express my entire confidence in you and my confident hope that under your leadership we may carry the policy of the national government forward along the path of liberal legislation and reform until the whole world again sees an illustration of the wholesome strength of democracy and the happy fruits of what the founders of the republic purposed when they set this great government up.

"Allow me to sign myself,

"Your gratified, and loyal supporter.

(Signed)

"WOODROW WILSON."

URGES EXPORT CORPORATION

LITTLE ROCK, Ark., Oct. 29.—Support of a $10,000,000 cotton export corporation to function under the direction of the American Cotton association, was urged by former Gov. R. I. Manning of South Carolina, in an address at the conference of the Arkansas division of the American Cotton association.

BOTH SIDES CLAIM VICTORY IN PRE-ELECTION FORECASTS

NEW YORK, Oct. 29.—Victory for Harding and Coolidge "by an electoral majority that will exceed the unprecedented Roosevelt electoral majority in 1904," was predicted by Will H. Hays, chairman of the Republican national committee, in his formal election forecast today.

"Thirty-two states," Hays continued, "are surely Republican, seven additional probably Republican and only nine at the most safely Democratic. The minimum number of certain Republican electoral votes is 368. There is very much better than an even chance for 24 more, making the almost certain Republican electoral vote 392, with a very probable additional 25."

Chairman Hays' statement follows:

"Harding and Coolidge will be elected overwhelmingly by the largest popular majority ever cast and by an electoral majority that will exceed the unprecedented Roosevelt electoral majority in 1904.

"The electorate is determined that the accumulated work in Washington will no longer be denied attention, that all the domestic problems shall be met and solved immediately, before which problems the Democratic party for eight years has stood impotent and in confessed bankruptcy.

"The Republicans have succeeded in the earnest effort to keep their campaign on the very highest plane. In this course they will continue to the end, unaffected in any way by the depths to which the opposition is descending in the concluding days of the campaign.

"I have complete one hundred per cent faith in complete Republican victory this fall, because I have one hundred per cent confidence in American common sense, and I have one hundred per cent evidence that this dependable American intelligence will certainly express itself at the November polls."

NEW YORK, Oct. 29.—"The close of the last week of the 1920 campaign is full of signs that point unmistakably to a Democratic success," Chairman George White of the Democratic national committee, said in his formal election forecast today.

"Republican forces are in retreat everywhere," White declared.

White's statement follows:

"The general political situation at te close of the last week of the campaign of 1920 is full of signs which point unmistakably to a Democratic success.

"Governor Cox and Mr. Roosevelt will carry the border states of Maryland, West Virginia, Kentucky, Missouri and Oklahoma in addition to the southern states. They will carry Ohio and Indiana. On the Atlantic seaboard in New York, Massachusetts and Rhode Island, due to an eleventh hour shift, the situation is improving every minute and we feel certain that they will carry New Jersey, Connecticut and New Hampshire.

"In the west reports from Montana, Colorado, Arizona, Idaho, New Mexico, Washington, Nevada, South Dakota and Utah are that they are certainly Democratic and we believe we will carry Nebraska, California and North Dakota.

"In Minnesota, Oregon and Wisconsin our prospects are hourly improving and a great swing toward us is on in Kansas, Illinois and even in Iowa.

"The Republicans are demoralized from the Canadian border to the gulf and from the Atlantic to the Pacific. Their forces are in full retreat everywhere."

THIRD PARTY HEAD, CONFIDENT, REPORT

(Note—This is the third of a series of articles written for the United Press by candidates for the presidency.)

By PARLEY PARKER CHRISTENSEN,
(Candidate of the Farmer-Labor Party, for President.)
(Written for the United Press.)
(Copyrighted 1920, by the United Press.)

SPOKANE, Wash., Oct. 29.—The real issue in the present campaign is, shall we have democracy in industry or shall we continue to drift in the direction that the Cummins-Esch bill and the Kansas industrial court plan to have us go.

Industry in America must either be autocratic or democratic. At the present time we see it growing more and more autocratic. The farmer-labor party demands that it be democratic.

In accomplishing the democratization of industry our process or method is to give the workers, artisans and technicians an increasing share in the responsibilities and management of industry, this is to be done, or this principle to be developed, in the light of actual experience in operation. This principle and purpose is set forward in the platform on which the farmer-labor party entered the present campaign. We have not been able to get either Senator Harding or Governor Cox to lisp a single word or statement on this fundamental issue. They have marched forward with their shadow boxing contest over the league of nations.

I have found that our program is heartily received and endorsed by those of the voters we can reach, and if our message through the press or otherwise reaches the people we will go over the top. As to results, while I am not sufficiently experienced as a politician to make predictions offhand, I feel quite certain at this time that we will carry enough western states to throw the election of the next president into the house of representatives and then it depends on how many congressmen we have whether Christensen will be elected.

There are indications that we will get several members of congress, notably in New York, in the Hartford district of Connecticut, Pennsylvania, Indiana and Illinois. In the states of Washington and South Dakota we will go over the top, sweeping everything from governor to dog catcher.

The outstanding feature of this campaign to me is that neither in their speech nor their platforms have the candidates of either major party said a word or given an outline of any plan of reconstruction of industry.

I enter the final days of this campaign convinced of the integrity and the native strength of our cause and hopeful of success.

Dr. Wm. D. Gentry of Los Angeles will preach upstairs over Spurgeon Furniture Store Sunday at 10:30. Subject: "Healing of the Body, Salvation of the Soul and How to Stay Healed and Saved." No collection. Free admission.

AMERICANS MAKE USE OF ONE WORD FOR TWO

Joy-ride is only one of a rapidly increasing group of double-barrelled Americanisms, if I amy so call them, new compounds put together by a swift flash of inspiration. Some of them are nouns spell-binder, sky-scraper, calamity-howler, strap-hanger, fool-killer, rough-rider, road-hog grub-stake- scarehead, sky-pilot. Some of them are adjectives: bone-dry, bone-head, fool-proof, gun-shy, tangle-foot, foot-loose, pussy-footed. The nouns have been formed in the same fashion as the earlier literal compounds, sky-light, type-setter, bread-box; but on examination they reveal themselves as not literal but figurative. To call a thing a sky-light is to characterize it prosaically, whereas to call a thing a sky-scraper is to characterize it poetically. There is the same absence of literalness in the adjectives; pussy-footed, for example, and bone-headed are of imagination all compact.

In the making of these novel locutions their unknown American manufacturers were only exercising the perennial privilege of marrying any two words whose union promises to be fruitful. Of late the privilege has been less frequently exercised in Great Britain than it has in the United States; and this British self-control in compounding is probably due to conservative dislike of all linguistic novelty. The contributor to the London Times ,from whom quotation has just been made, suggested a clever explanation for this reluctance to accept these verbal novelties: "Our good native compounds effect us—to use a homely phrase—like good new boots; they are not comfortable until they have been a little worn."

In his illuminating discussion of the "Rise of English Literary Prose," Professor Krapp has pointed ou that in the "Arcadia" of Sir Philip Sidney "poetic compounds of a kind described by Renascence theorists andemployed by many Elizabethan poets frequently occur; and he instances "day-shining stars," "honey-flowing speech," "sun-staining excellence," and "eye-ravished lover." And it is obviously not difficult to parallel each of these double-barralled Elizabethanisms with a double-barralled Americanism.—From "American English and British English," by Brander Matthews, in the November Scribner.

SEEK TO ANNEX BIG TRACT TO ANAHEIM

(Special to the Register.)

ANAHEIM, Oct. 29.—Following a meeting of the city council, the city attorney of Anaheim was at work today on a call for a special election to be held in a 35-acre section on the North Side, whose residents seek annexation to this city.

A petition asking annexation was filed with the city council last night.

The district involved comprises a new sub-division recently opened up by Henry Wilkey and Fred Hays. The reason for the move is that the residents of the district wish to become a part of Anaheim in order to obtain light and sewer privileges as a part of the city, which they would not be entitled to as an un-annexed sub-division.

The board of freeholders will meet tonight in the council chamber of the city hall. A number of matters of interest are to come up for discussion.

22 FLOATS ENTERED IN NOV. 11 PARADE

(Special to the Register.)

ANAHEIM, Oct. 29.—Twenty-two floats already have bten promised for the big Armistice Day parade to be held here November 11, it was announced today. A number of the floats will cost at least $100 each to prepare, it was said.

The city council of Fullerton has voted a contribution of $200 toward a float to represent the Oil City in the parade, and has passed a resolution urging the Fullerton board of trade to vote a contribution of $100, also to be used in preparing the Fullerton float.

The Anaheim city council has voted $150 for a float to represent the city.

ELKS' CLUB HOUSE AT CAMP CAJON, PLAN

RIVERSIDE, Oct. 29.—Various Elk lodges in Southern California plan to unite and build an Elks outpost club house at Camp Cajon, on the San Bernardino mountains during the present winter.

At least this is the plan that is being proposed and it is believed the matter will be put through. W. M. Briston, caretaker of the camping grounds, is enthusiastic over the proposed club house.

Harry M. Tickner of Pasadena, a well known Elk, has agreed to secure the necessary funds. It is believed that $3000 will construct the building and equp t.

NO FUR NEEDED

New evening coats are fashioned of such exquisite materials that even to add fur to some of them would seem a desecration. Their creators, therefore, make them up with draped collars of self fabric and whatever is used in the way of trimming is nicely calculated not to interfere with the simple lines that exploit the pattern to best advantage. The model is of fuchsia brocade with heavy, dull gold and fuchsia-toned cord and tassels draped over it.

CHAMPIONSHIP STRUGGLE

CHICAGO, Oct. 29.—The Chicago University eleven will meet the Ohio State football team on Stagg field here tomorow for the first time in the history of the two schools.

The Yost Orange County's Finest Theatre

HOMESPUN FOLKS

All Star Cast with Lloyd Hughes

Homespun Folks is not a cocktail drama. It has romance and tenderness; it has pathos and robust comedy; it has tenseness and the rush of melodramatic action—but it never loses that deft, magnetic, masterful something that makes it a pastoral epic.

First Essential

"How would you like to sign up with me for a life gamem?" was the way a baseball fan proposed.

"I'm agreeable," replied the girl, "where's your diamond?"

ASK YOUR NEIGHBOR

So many thousands of women have been restored to health by Lydia E. Pinkham's Vegetable Compound that thers is hardly a neighborhood in any city, town or hamlet in this country wherein some woman has not found health in this good old-fashioned root and herb remedy. If you are suffering from some womanly ill, why don't you try it?—Adv.

CANDIDATES IN BITTER FIGHT FOR OHIO

WITH SENATOR HARDING ENROUTE TO CINCINNATI, O., Oct. 29.—Senator Warren G. Harding was to carry his campaign into Southern Ohio today with a swing down to Cincinnati, where he speaks tonight.

In his Ohio campaign thus far Senator Harding is confining himself largely to a rehearsal of his former statements on leading issues, laying especial emphasis on the league of nations issue.

Governor Cox was scheduled to arrive in Akron just as Senator Harding left this morning.

It is the nearest the two candidates have come to meeting face to face during the entire campaign and is typical of the intense political activity in this section of Ohio which both parties are claiming.

Senator Harding met the "oligarchy" charge in a new way in his Akron speech.

"I'm the freest man that ever was nominated by any party," he said. "I am unpledged, unowned and unbossed. I haven't made a promise, save one that isn't in the party platform."

This promise, he explained, was that he would endeavor to create a federal department of social welfare.

Referring indirectly to President Wilson's statement to pro-league Republicans at the White House, Senator Harding remarked that President Wilson and the Democratic candidate are no longer agreed on article ten. He did not elaborate, however, but added that he will never have anything to do with a league that has article ten in it.

As to reservations, Harding is now apparently trying to cut the ground from under Governor Cox, who has recently laid emphasis on his willingness to accept reservations. Reservations, Harding is telling his Ohio audiences, are not binding.

"Virginia ratified the constitution of the United States with reservations," he said. "And then discovered 75 years later when she tried to withdraw that they meant nothing."

Senator Harding took note of the industrial situation now prevailing in many centers. He declared that the federal reserve board should make it easier for legitimate business to obtain working capital.

GOV. COX CLOSE ON HARDING'S TRAIL

ENROUTE WITH GOVERNOR COX, CLEVELAND, Ohio, Oct. 29.—"Republican leaders are sinking to low standards when they continue to preach 'a creed of poisonous hate' against President Wilson, a stricken victim of the war, unable to defend himself, Governor James M. Cox said today as he began another day of stump campaigning in Ohio. His opponents, he said, are seeking to make people believe that Wilson, not Cox, is running for president.

Hot on the trail of Senator Harding, whom he continues to attack as "America's greatest wiggler and wobbler," the governor was to speak at Akron where the Republican candidate spoke last night. During the day Cox was to speak at Youngstown and Ravenna.

The governor said today as a result of his visit to Indianapolis last night he had no doubt Indiana would be in the Democratic column.

V. A. Porter of Fullerton, president of the Campo Oil Co., and Fred C. Evans, field superintendent of that company, left today for the company's oil property in Cherokee county, Texas. Porter stated that it is the company's intention to drill at once some twenty wells in the proven shallow sands of the field. These sands are from 200 to 350 feet deep. Other wells will be drilled to a depth of 1700 feet, where, Porter says, a fine grade of green oil will be found. Porter stated that the company has permission from the corporation commissioner of this state to sell 500,000 shares of stock at fifty cents a share.

Sale of Knit Underwear

Neckwear ½ Off

Collars and Vestees of Broadcloth, Organdy and Pique—just the thing for Fall suits, very pretty for sweaters and dresses. Formerly priced at $1.50 to $7.50; on sale Saturday at HALF PRICE.

Satisfy You Once You Hear

Brunswick
PHONOGRAPHS AND RECORDS

The 1920 Super-Phonograph!

—The Brunswick is not an ordinary phonograph. It brings new-day advancements. Until you've heard it, you've missed a surprise. You can't realize how much better the Brunswick is.

THE TONE AMPLIFIER

—When you come in to inspect the Brunswick and hear its marvelous tonal qualities, one of the first things we show you is this Tone Amplifier. We remove the grill and point out that there is no metal construction.

—This method develops tone scientifically. The Brunswick Amplifier is built entirely of wood, especially chosen, seasoned and moulded.

THE ULTONA

—is an exclusive Brunswick idea, covered by patents. At a turn of the hand it plays all makes of records—not an attachment but a part of the design. The Ultona obtains better playing results—It is counter-balanced—the only scientific reproducer that cushions the path of the needle by proper suspension.

—Come in Today—We will be glad to demonstrate The Brunswick, whether you are ready to buy or not—We want everyone to know that a Better Phonograph is here and that we are at your servi

SCHOOLS WILL NOT CLOSE NOVEMBER 11

Neither Armistice Day nor election day will be observed as holidays in Santa Ana schools, according to an announcement made today by J. A. Cranston, city superintendant of schools.

The announcement was made after Cranston's attention was called to a proclamation which dispatches said had been issued at Sacramento by Will C. Wood, state superintendent of public instruction.

The proclamation issued by Wood has not yet been received by Mr. Cranston.

Wood's proclamation follows in part:

"Now I, Will C. Wood, State Superintendent of Public Instruction, hereby communicate to you and to all schools of the state, the act of the Governor in setting aside November 11 as Armistice Day, and call upon all school officials to see that the day is observed according to law, thus keeping alive in the hearts of the young people of America the spirit of gratitude due to our brave soldiers and sailors for their valorous part in the great war."

CHAPPED HANDS?

Turpo, the only Turpentine ointment, will fix it. After washing hands, rub in Turpo before drying. My what a difference! Try it.

FOURTH MEMBER OF MEANS FAMILY DIES

Just thirteen hours after her brother died, death came last night to Miss Della Means, aged 15, daughter of J. W. Means of Tustin.

Within a year visitations of fate have removed four members of the Means family. First, Mrs. Thurman Means died of influenza. At that time, too, Oscar Means and Miss Della Means were ill with influenza, and from its effects they never recovered.

As an after-effect of influenza came the malady that finally brought death to Oscar Means yesterday morning and to Miss Means last night. In September while they were being cared for at Banning, their mother, Mrs. J. W. Means, was stricken with apoplexy and died.

The funerals of brother and sister will be held as one tomorrow afternoon at 2 o'clock from Smith & Tuthill's chapel.

Trimmed Hat Sale at Rutherfords', Saturday, Oct. 30—412 No. Main.

Buy "Diamond Dyes"—no other kind—then perfect results are guaranteed even if you have never dyed before. Druggist has color card, showing 16 rich colors.—Adv.

POLICE SEIZE MAYOR'S BODY

DUBLIN, Oct. 29.—Dublin was a city of silence for ten minutes today in honor of Terence MacSwiney.

At 11:50, just as religious services were being completed, industry halted. Street cars stopped, crew and passengers doffing their hats and bowing their heads.

At the docks and in the streets Irish sympathizers stood silent until the ten minute period passed then machinery and street traffic started again.

Aside from the funeral procession which was without disturbance there was no demonstration.

Dublinites indignantly accepted the forced change in their plans to honor MacSwiney made necessary when the casket was seized by the government and sent to Cork.

DUBLIN, Oct. 29.—Mourners for Terence MacSwiney arrived at 9 a. m. today without the casket with which they left London last night. Most of them sleepless after a train and boat trip, broken by the scene at Holyhead when violence accompanied the seizure of MacSwiney's body, the party presented a woe-begone appearance this morning.

Several members of the party bore marks of the fighting over MacSwiney's casket. Mary, a sister, who launched herself furiously on the police at Holyhead, showed minor injuries, as did her brother, Peter.

The most seriously injured was Father Welsh, who was roughly handled when he attempted to keep police from seizing the casket.

MacSwiney's casket was taken from relatives late last night as the flower-covered coach containing it rolled into the Holyhead station. Peter and John MacSwiney and friends of the lord mayor struggled with Black and Tan police who quickly overpowered them and lowered the coffin from the coach.

Relatives refused to accompany the body which had been diverted from the planned trip to Dublin, where it was to lie in state today. All boarded the regular mail boat for Dublin. Their plans for the funeral were not announced. They were angered and appeared scarcely to know what to do.

After leaving London, where the MacSwiney demonstration was accorded every show of respect by authorities and by London crowds, the funeral train ran into less tolerant sections. At Crews the coaches passed through a solid gauntlet of police, which held back a hissing crowd. The inspector of police boarded the train and handed John MacSwiney a letter from Sir Hamar Greenwood, chief secretary for Ireland.

"I am advised that landing at Dublin may lead to a political demonstration. Therefore, the Irish government cannot permit embarkation at Dublin," the letter said.

Before reaching Holyhead a party of police invaded the funeral coach, where relatives and close friends sat.

Notice was served that the body would be put aboard a special packet provided by the government to land at Cork.

PRESS LAUDS GOVERNMENT IN MACSWINEY CASE.

LONDON, Oct. 29.—The London press exulted today at the orderliness of the MacSwiney funeral.

It exposed the hollowness of Sinn Fein claims of ruthless tyranny in the government of Ireland, newspapers said.

"Here is a man claiming to be at war with England and whose coffin bore the legend 'murdered by the foreigners,' borne along London streets with sympathizers carrying flags and declaring their enmity toward the people whose tolerance they enjoy," the Post said.

"In what other country would such tolerance be possible?"

"Ireland is the spoiled child of illimitable indulgence.

"It was a most amazing example of English tolerance," the Daily Graphic said.

"Picture thousands of reels marching openly, guarded by police for their own protection. Such a procession would have been impossible in any other capital. The United States would not have tolerated it."

The Globe criticized Catholic officials for permitting solemn mass for MacSwiney while failing to justify his "suicide" and ignoring the "lying words on the coffin, 'murdered by the foreigners at Brixton prison.' "

Ty Cobb, American League baseball star, who is touring the country with Nick Altrock and Rube Sawyer, baseball comedians, in a telegram to Victor Walker today sought an engagement in this city. Walker answered that football was holding the center of the stage here at this time and that it would be impossible to organize a team to oppose Cobb's aggregation.

Too Much Business

Judson had run a general store for 20 years. When the place became a summer resort Judson hung a red lantern of the Chinese variety in the middle of his ceiling as a concession to the summer trade. The second day the lantern as up a woman spied it and bought it.

Judson put up another lantern, and another. As fast as he hung them. Finally the limit of Judson's patience was reached when the last woman came in and asked for a lantern.

"I ain't goin' to order no more," he said decisively.

"Why?" asked the woman.

"There ain't no sense in it. Can't keep a durned one of 'em in stock. As fast as Iget 'em in some blamed fool woman comes in and buys 'em."

It All Depends

A temperance lecturer displayed to his audience two geraniums. The first watered in the usual way, was a beautiful and vigorous plant; but the other had been dosed with alcohol, and its folliage was shriveled and sparce, its stemm was twisted and its vitality had decayed. "Now ladies and gentlemmen," said the lec lecturer, "what can you say to a demonstration such as this" "It's all right, and if I were a geranium," cried a man in the gallery, "I'd stick to water exclusively but I'm not a geranium."

At the Peace Conference

"Judge," said the man at the bar, "there's no use of you trying ot square this thing up. My wife and I fight just so often and just so long, and we can't help it. So there you are."

"And about how long do you keep it up?" asked the judge.

"About two weeks, judge."

"All right. I'll give you 50 days in jail, in other words you are interned for the duration of the duration of the war."—Richmond Times-Dispatch.

Singing Very Bad

A little girl was asked, upon her return home, how she liked the singing of the congregation in the church.

"I liked it very much indeed," she said, "although all the people said it was bad."

"All the people said it was bad. What do you mean, my dear?"

"Oh, it was so bad that I heard the people praying, 'Lord have mercy upon us miserable singers.' "

A "SQUARE DEAL" AND MORE

The constitutional amendment providing for an increase of about twenty-five per cent in the salaries of Justices of the Supreme Court and the Courts of Appeal is more than a mere square deal—it is a civic necessity. For every citizen is seriously concerned in the proper administration of justice, and in the maintenance of an independent judiciary. This is a matter that is always of highest importance.

To the end that these factors in our civic life may be continued there will be on the November election ballot a constitutional amendment (No. 3) increasing the salaries of the Justices of the Supreme Court and the District Courts of Appeal, the primary purpose of which is, not to provide an actual increase in compensation, but to offset in part the loss caused by the diminished purchasing power of the present salaries which were fixed in 1906.

We all know what has happened to the cost of living and to the purchasing power of the dollar since 1906, and will realize that the increase asked is moderate, amounting, as it does, to about twenty-five per cent of the present salaries, and to $44,000 a year in the aggregate, none of which falls directly upon the taxpayers, as these salaries are a charge upon the revenues of the state from corporation and inheritance taxes.

No man should be either asked or expected to do high-grade work on a low-grade salary; we would not follow such a course in our own affairs, and the state should not do so in its business.

LAW ENFORCEMENT

Law enforcement, both nationally and in California, is one of the important matters that will have expression at the ballot box next Tuesday.

Senator Harding has declared himself emphatically in favor of law enforcement. His position has been amply defined, and it is entirely satisfactory to those who desire to see national prohibition made nationally effective. As an upstanding American citizen, Senator Harding proposes to support the laws of this country. He recognizes that the prohibition question is not settled so long as inadequate enforcement prevails.

While in this county Saturday, Samuel M. Shortridge, Republican nominee for United States senator, declared himself positively for law enforcement. Similar declarations were made by Judge Phil D. Swing, Republican nominee for congressman from this district, in his campaigning here.

The three Republican nominees on the national ticket thus stand committed to the cause of law enforcement.

Walter Eden, who will be our state senator, and William O. Hart, our next assemblyman, will both be with the dry forces at the state legislature to vote for and fight for any measures that may be necessary to further law enforcement.

The most important point in the law enforcement situation, so far as this state is concerned, that is to be acted upon Tuesday, however, is raised by the Harris bill. If there is to be adequate enforcement of prohibition in California the Harris bill, No. 2 on the ballot, must be passed.

Orange county, known as the banner dry-vote county in the state, has a duty to perform on Tuesday. It must set its voting stamp firmly upon the ballot in favor of law enforcement.

VOTE YES ON NO. 16

Constitutional Amendment No. 16 on the ballot is the most vital proposal before the people on November 2nd.

Number 16 will pass with a big vote if the people study it and understand it.

Public education is the chief business of the state. The development of true citizenship is the first duty of the school. The schools of California are in grave danger. Especially is this true of the village schools and those in rural districts. Several hundred schools in California are now closed for lack of teachers.

Some of our school districts have small assessed valuation, but have a large school population. In some cases they have reached the limit of taxation. Other districts with few children have great wealth and financial resources.

Amendment 16 reduces the financial burden now borne by the district. It places the responsibility upon the state and county. In other words, it equalizes educational opportunity.

The purpose of Amendment 16 is to safeguard the school. It will guarantee an education to every boy and every girl. It will preserve the integrity of that greatest of American institutions—the public school.

Education is a matter of state as well as of local concern. The child in the rural community is as important to the state as is the city child.

No country is safe whose citizens are not educated.

Every man and woman who has a vote in California SHOULD vote on November 2nd, and should vote "YES" on Number 16.

Phelan Progressive

San Francisco Chronicle

Phelan having deserted the party that elected him Senator six years ago, his friends are trying to find a place for him with the "Progressives." By circular and otherwise they are intimating and claiming that he and Johnson worked together, but now comes Alexander McCabe, State Insurance Commissioner and former secretary to Senator Johnson, and explodes the story. His attention being called to the claim that Phelan and Johnson think alike, Mr. McCabe remarked:

Yes, they do not. Phelan never has contributed one idea, let alone any effort to the Progressive cause in California. He worked against Progressive candidates in every election. He opposed Johnson for Governor, Johnson for Senator and Johnson for President. He has always taken the Democratic program in and out of the Senate and he always will.

Mr. McCabe is qualified to speak, for he managed Johnson's successful campaigns and he knows who were for or against progressive policies. His unequivocal declaration ought to put an end to the deliberate misrepresentations of Phelan's friends, who seem to forget that the methods of village politicians never prove successful in getting votes when national issues are at stake.

The People's Forum

Brief communications will be published under this head, provided they be signed by the author. However, the Editor shall be the sole judge as to the propriety of publishing any communications, and the Register assumes no responsibility for any views expressed in this column.

VOTE "YES" ON NUMBER 14—"THE INSURANCE ACT"

This law was passed by the last legislature, and signed by the governor. The Bank of Italy held up its enforcement by circulating referendum petitions. If you vote "Yes" you approve the legislature's and the governor's actions. If you vote "No" you approve the Bank of Italy's action in holding up a state law.

The "Insurance act" in effect prevents violation of the spirit of the federal and state banking laws through subterfuge. It prohibits bank employes or bank-controlled corporations from doing what the bank itself cannot do—sell insurance.

This law has had the active support of every bank in Santa Ana, the Building and Loan Association, both the Title companies and the Santa Ana Chamber of Commerce.

We ask you to vote "Yes" on 14.

THE SANTA ANA INSURANCE CLUB.
By John A. McFadden, President;
Mac. O. Robbins, Secretary.

RUSH HOUR

She—But I thought this place was always crowded.

He—It usually is between seven and eight, but I believe in coming late to avoid the rush that comes early to avoid the rush.—Harper's.

It is estimated that about half the globe is composed of iron.

CUTTING DOWN EXPENSES

"Bimley has given up bachelor life and gone and got married."

"What! With beef a dollar a pound?"

"Well, that's better than paying the dollar a bite he's been paying in the restaurants, isn't it?"—Boston Transchipt.

Persia has no distilleries, breweries or saloons, and native wine is the only intoxicating beverage.

NO ESCAPE

Diner—"You charged me more for this steak than you used to."

Restaurant manager—"I have to pay more for it. The price of meat has gone up."

"And the steak is smaller than it used to be."

"That, of course, is on account of the scarcity of beef."—Buffalo Commercial.

MISTAKE OR CONFESSION?

The nervous bridegroom was called upon to make a speech at the wedding breakfast.

Putting his hand on his bride's shoulder, he hesitatingly remarked: "Ladies and gentlemen, this thing has been thrust upon me."—London Tit-Bits.

WASHED WITH CARE

Mr. Newlove—This lettuce tastes beastly—did you wash it?

Mrs. Newlove—Of course, I did, darling—and I used perfumed soap, too!—London Mail.

Many a man would smoke himself to death if you gave him rope enough.

The Tariff Issue Greatest

San Diego Union

The paramount issue in this election so far as the material interests of California are concerned, is a protective tariff upon our products. There is no other state in the Union as dependent upon protective legislation; because the bulk of our production is in direct competition with the production of foreign countries—our citrus fruits are in competition with the fruits of the Mediterranean, as are our raisins, our walnuts, our olives and oil, our preserved fruits, and many other products peculiar to a sub-tropical region; our rice is in competition with the rice of Japan and China; our beans are in competition with the beans of Mexico and China; and our cotton is in competition with the cotton of Egypt.

If this competition was conditioned upon an economic equation there would be less need for protecting the special products of California, although even in that circumstance there would still exist a business duty of legislating to foster and encourage these productive sources of national wealth. As a matter of fact, however, our tariff laws and rates not only retard development in the most important of California resources, but unless these laws and rates are revised to equalize, at least, the opportunities of California production, the nation will be deprived of a vast portion of potential wealth now developing under process of intensive culture, and specialization adapted to the soil and climate of the state.

Every commodity listed as a Californian specialty is in direct competition with the cheapest labor in the world. The cotton of Egypt is marked at a cost of about 20 cents a day for the labor the transportation cost for export to this country is negligible compared with the cost of placing California cotton of the same staple and quality in our own eastern market. The beans of our coast counties are subject to the same discouraging conditions. So far as California is concerned in this matter the Underwood tariff measure might have been framed with the direct purpose of destroying our entire productive resources; and there is little doubt that some of the provisions of that measure were aimed specifically at California, as in the instance of the tariff on lemons.

Californians, therefore, are personally interested in procuring such revision of the tariff as shall enable them to compete with foreign growers and exporters in the industries peculiar to this state. It is a business necessity that we should elect to congress only such candidates as pledge themselves to a tariff that will protect California from this ruinous foreign competition.

We Want Roads--How Much?

San Bernardino Sun

One amendment on the November ballot involves a very practical question of business. In July, 1919, by a vote of about seven to one, the people of California said they wanted $40,000,000 more invested in state highways. But about that time the interest rate began to aviate and the bonds voted by the people could not be sold because they bear but 4 1-2 per cent interest. Money was and is worth more than that. Nothing doing in the construction of highways, because no money in the highway fund. That's why the Deep Creek cut-off to Bear Valley, a state highway in this county, has not been begun. It also furnishes the reason for the complete cessation of highway work everywhere except under unusual conditions, when counties or cities have bought the bonds required to finance particular pieces of work.

Somebody conceived the idea of an amendment which would raise the interest rate to fit the money market, and therefore No. 9 on the ballot.

The amendment creates a finance committee consisting of the governor, controller, treasurer, chairman of the board of control and chairman of the California highway commission, with power to offer blocks of state highway bonds for sale as needed, fixing the interest rate at time of sale in harmony with the market value of bonds of similar character. It provides that no bonds shall be sold bearing a greater interest rate than 6 per cent, but fixes no minimum. Therefore, if the market for bonds becomes active it is probable that many of the bonds will be sold for a low rate of interest, possible even lower than they now bear.

The sale of bonds is just like the sale of clothing, produce, automobiles or any other common commodity. The price is fixed by the demand. If more is asked than the market will pay, no sales are made. That is what has been the matter with our highway bonds. The legislature fixed a rate for the bonds that the market would not pay, and therefore there has been comparatively no sale and highway construction has largely ceased because there was no money to meet obligations. The amendment, if adopted, will permit the sale of bonds at all times, insuring an orderly businesslike, economical construction of the mainline gaps, laterals and new roads contemplated under the $40,000,000 bond issue.

While the loss of the amendment will not cancel existing unsold bonds, it will force construction to remain at the mercy of an uncertain bond market, and make early, systematic and equitable construction impossible.

The amendment also has another provision that is of special interest in counties having large highway mileage, as has San Bernardino. The present law holds the counties for the interest on the bonds which produced the money expended in that county—an inequitable provision. For a great mileage of highway might be called for in a county utterly unable to pay the interest. The amendment now proposed, No. 9, eliminates this provision and places the interest on the state, where it belongs, along with the upkeep. We vote Yes on No. 9.

Worth While Verses

LIVE AND HELP LIVE

"Live and let live!" was the call of the old—
The call of the world when the world was cold—
The call of men when they pulled apart—
The call of the race with a chill on the heart.

But "Live and help live!" is the cry of the new—
The cry of the world with the dream shining through—
The cry of the brother world rising to birth—
The cry of the Christ for a comrade earth.

—Edwin Markham in Nautilus.

TODAY'S TALK

By George Matthew Adams

TREES

I shall never get over loving trees. I used to like to climb them. I like to climb them yet!

There seems to me to be every human characteristic about trees—except that of animation. And yet in their very silence, the trees seem to have a language all their own.

They mother and father the birds and small animals of the forest. They shelter our bodies when we are caught by the rain in their midst, and they give to the beasts of the field their best companion.

And when they are grown great, men come with axes and saws, and the tree gives up its life that homes may be built, cities furnished—and boats be made to float the seas and make all nations as one.

Human happiness owes more to trees than to any other gift of Nature.

What character in a gnarled old oak! And what majesty to the towering redwood of the Pacific coast as it climbs hundreds of feet toward the sky! What a lot of pathos in the standing dead tree as it holds its arms out into the air—perhaps with but a single bird sharing its grief!

I always want to get out of a town quickly which has but few trees.

Trees have always brought happiness and cheer. How gorgeous they are at this Autumn time! Their myriad colors against the sun reminds one of the hidden beauty of the opal—ever changing before the face of the light.

Trees keep giving without talking about it!

ANAHEIM BEEF FIRM TO RE-OPEN MARKET

The Anaheim Beef & Provision Company has secured a lease on the room at 115 East Fourth street, recently vacated by the Spicer dry goods store, and will re-establish the Central Market, forced temporarily out of business when the McFadden Hardware Company took over the room formerly occupied by it.

It is understood the company has plans for the installation of high class equipment for the new market and that it will be reopened as soon as the fixtures can be installed.

Fixtures formerly used by Spicer are being removed. It probably will require several days to complete the work of tearing down the shelves and mexxanine floor. It is said that workmen will start next week in preparing the room for occupancy by the Anaheim concern.

L. A. HIGH TEAMS IN GRID TITLE BATTLE

LOS ANGELES, Oct. 29 — With the outcome of the Manual Arts-Polytechnic high school football game here this afternoon was expected to go the Los Angeles city championship. Neither team has been defeated during the present season. Manual was a slight favorite.

HUNDREDS SLAIN IN CHINESE-RUSS CLASH

PEKING, China, Oct. 29—Repulse of two attacks by a force of 2,000 Russians at Urga, a city of 30,000 people in the northern district of Mongolia, was reported today by General Kao Tsaitin, commanding the Chinese forces at Urga.

Four hundred Chinese and several hundred Russians were killed in bitter fighting, the general said.

Finally the Chinese, by means of a counter attack, drove the Russians into the hills at the point of bayonets.

Expecting another attack by the Russian force, reinforcements were being rushed today from Peking to Urga.

CONFESSES SLAYING POLICEMAN, REPORT

WATSONVILLE, Cal., Oct. 29 — Fred De La Pena today was formally accused of the murder of John T. Whalen, aged Watsonville policeman, whose bullet-riddled body was found Monday near the city jail here.

In a confession, repeated at his preliminary hearing in court, De La Pena admitted killing Whalen and pleaded self-defense. He declared Whalen who he said had harbored a grudge against him for five years, threatened to "put a hole through his head."

"I was afraid, so I pulled by revolver out and shot him," said Pena. "I think I fired three times. All I want now is justice."

Arguments Are Presented Here On Proposed State Legislation

Statements for or against any of the amendments or initiative or referendum measures to be voted on at the November election will be published under this heading. The Register desires that the questions at issue be presented fairly and fully. Brevity has strength, and repetition should be avoided. Publication shall not be construed as an expression of the views of The Register.

LITERALLY OF "VITAL" IMPORTANCE

One of the initiative measures that will appear upon the ballot next Tuesday (No. 6, "Prohibiting Compulsory Vaccination") is literally of "vital" importance. Several arguments both for and against this measure have been published in the Register during the past few weeks; but it seems that the articles in support of the measure—that is, against compulsory vaccination—have appeared in the "Forum" and in the news columns; and some of those who favor the measure—that is, who are strenuously opposed to compulsory vaccination—feel that their views should be presented under the above general heading. We therefore print below the official statement in support of this important measure:

ARGUMENT IN FAVOR OF PROHIBITING COMPULSORY VACCINATION.

(By L. P. Crutcher, M. D.)

The records of the state board of health disclose that more than eighty per cent of the parents of public school children in California have stated in writing that they are opposed to the practice of vaccination and will not consent to the vaccination of their children. Nevertheless, under the present law these unvaccinated children can be excluded from the public schools under certain conditions and during the past two years thousands of children and teachers have been excluded for varying periods in the course of a campaign which is being waged by interested persons to "popularize vaccination." It is to prohibit such illegal exclusions that Proposition No. 6 has been placed on the ballot by the Public School Protective League.

While the present law provides that unvaccinated children must be admitted to "any school, college, university, academy or other educational institution" the courts have decided that the University of California is not subject to laws enacted by the lgislature and the university has, under that authority, forced the vaccination and inoculation of all students as a condition for attendance. The new law will require the university to admit unvaccinated students as the legislature intended it should.

The question of the efficacy of vaccination is not involved. The proposed law does not attempt to prohibit vaccination or any other form of medical treatment or to interfere with lawful quarantine. Its purpose is to prescribe by fundamental law that vaccination and inoculation shall not be made compulsory. If vaccination has all the merits which are claimed for it no compulsion should be necessary on its behalf. If, on the contrary, vaccination does not protect against smallpox and is, according to many reputable medical authorities, not only valueless but the cause of cancer, tuberculosis, syphillis and death, any compulsion in its behalf is criminal. In either event the fact remains that the efficacy of vaccination is a debatable question on which medical opinion is not agreed and every citizen should have the right to decide whether he wants vaccination for himself and his children.

In a number of states it is now unlawful to require vaccination and the Supreme Court of North Dakota held recently that unvaccinated children could not be excluded from the public schools, pointing out that "were vaccination to become general it would be certain to cause the sickness or death of a thousand children where one child now sickens and dies from smallpox." "Of course," the decision continues, "a different story is told by the class that reap a golden harvest from vaccination and the diseases caused by it. Yet, because of their self-interest their doctrine must be received with the greatest care and scrutiny. Every person of common sense and observation must know that it is not the welfare of the children that causes the vaccinators to preach their doctrines and to incur the expense of lobbying for vaccination statutes."

For the protection of the children of California, vote "Yes" on Proposition No. 6.

Two Halloween Parties Given at Boyd Home

Two Halloween parties of the week were those given at the home of Dr. J. P. Boyd and Miss Rosa Boyd on North Main street, a whist party on Wednesday afternoon with Miss Boyd and Mrs. Terry Stephenson as hostesses, and an auction bridge party last night given by Dr. Boyd, Miss Boyd and Mr. and Mrs. Stephenson.

The Halloween colors of yellow and black were used throughout the rooms. Yellow lights glowed in the chandeliers, through gay yellow shades with black cats and witches adorning them.

Halloween doll ladies in black and yellow gowns with shawls and aprons and pointed caps were upon the tables, which were covered with black and yellow. Yellow marigolds and chrysanthemums were the flowers used.

Whist was played at twelve tables Wednesday afternoon, with trophies for first and second scores going to Dr. Mary Wright and to Mrs. Horace Stevens, and consolation to Mrs. Albert C. Zaiser.

On Thursday evening bridge was played at fifteen tables, with the ladies' prize for high score going to Mrs. T. A. Winbigler, with Mrs. Alice Harris second and Mrs. Leonard Swales winning the consolation. Gentleman's high score was held by Mr. Sherman Stevens, second by Mr. W. A. Huff and the consolation went to Mr. C. V. Davis.

Mrs. Roy Browning received with the hostess on Wednesday afternoon, and Mr. and Mrs. Browning on Thursday night.

Miss Boyd and Mrs. Stephenson were assisted on Wednesday in scoring and serving by Mrs. Sherman Stevens, Mrs. Alice Harris, Mrs. Walter Hart, Mrs. Will Joplin, Mrs. P. R. Reynolds, Miss Katherine Edwards and Miss Louise Tubbs, and the door was opened to the guests by little Misses Rosa Boyd, Joplin and Helen Rebecca Joplin, dainty twin daughters of Mr. and Mrs. Will Joplin.

Legion's Halloween Dance

Especial efforts have been made by the American Legion to assure the success of its Halloween dance in Athletic Hall, Third and Spurgeon streets, this evening, and it is believed that a large crowd of Orange county people will accept the invitation to join in the festivities.

Considerable time has been taken by the Post in decorating the hall, and in planning to make this one of the most enjoyable parties of the season. There is to be a feature dance, a large bouquet of flowers, probably chrysanthemums, to be given the winner.

The general public is most cordially invited.

Jolly Halloween Surprise

* * *

The home of Mr. and Mrs. E. L. Peacock, 701 West Sixth street, was the scene of a merry gathering last evening at which members of the F. A. U. degree staff honored their captain, Miss Pearl Pankey, at a surprise party which proved very successful.

The Peacock home was very cleverly arranged with Halloween decorations, and the evening was spent in playing Halloween games, at which Miss Pankey was successful in capturing the first prize, and Mrs. Peacock, the consolation.

Those taking part in the merriment, besides the honoree, were Messrs. and Mmes. A. H. Paterson, J. Wiley Harris, R. J. Brown, Miss Hannah Marston, Mrs. Albert Schroff; Messrs. R. L. Loucks and W. G. Gould, and the hosts, Mr. and Mrs. Peacock.

* * *

Fraternal Brotherhood Dance

Fraternal Brotherhood lodge gave a very successful Halloween costume dance last evening, a large crowd being in attendance. The hall was prettily decorated with jack o' lanterns and cornstalks. Many very pretty costumes were worn by the dancers, who were allowed to unmask at 9:30 o'clock. Refreshments were served at a late hour.

IF

"If you can talk with crowds and keep your virtue,
Or walk with kings—nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much:
If you can fill the unforgiving minute
With sixty seconds' worth of distance run
Yours is the earth and everything that's in it,
And—what is more—you'll be a Man, my son."

—Kipling.

Important Questions Discussed at Meeting

Orange County W. C. T. U. held the regular quarterly executive meeting yesterday at Tustin in the Advent church. Representatives from most all the unions were present.

Mrs. Viola Cock of Tustin, led the devotional service. Mrs. Cora Hale, the president, presided.

Owing to poor health, the corresponding secretary, Mrs. Ella Brown, sent in her resignation, which was accepted with regrets. Mrs. Harry Lewis was elected to fill the unexpired term.

The superintendents of departments gave some good reports on their work, showing some very good work is being done.

There was some discussion about renting space in the busses for advertising against smoking. This was deferred to a later date.

The executive voted to send a year's subscription to the "Youth's Companion" and "Little Folks" to be sent to the Juvenile Home.

Rev. Claude E. Sayre, pastor of the Grace Congregational church of Los Angeles, was present and made a very stirring appeal to vote "Yes" on Amendment No. 5, the Chiropractic bill. Rev. J. A. Stevenson spoke on the Prohibition Enforcement act, and said he was speaking for the ladies of the W. C. T. U., not to them, urging all to do everything they can by speaking to others and seeing that they go to the polls and vote "Yes" on No. 2.

Mrs. J. N. Anderson spoke on the twentieth amendment to be voted on next Tuesday. She spoke on both sides of the question, and as she has been called on a great many times to explain them, she was able to speak very intelligently on each question.

After a general discussion the executive adjourned, to meet in Santa Ana in January.

* * *

Enjoy Jolly Social

The Two In One class of the First Methodist church, to the number of about thirty-five, took part in a delightful Halloween social last evening at the church, Dr. and Mrs. Charles V. Doty taking part in the affair. Jack o' lanterns and other Halloween decorations were used.

After a brief business meeting, Halloween games were played, after which refreshments were served at a table prettily adorned with lanterns, black cats and other ornaments in black and white, suitable to the occasion. A delicious two-course supper was served.

* * *

Tustin Literature Section

The Tustin Literature Section of Ebell, will meet Tuesday afternoon at the home of Mrs. F. A. Logan, D. street, Tustin.

Trimmed Hat Sale at Rutherfords', Saturday, Oct. 30—412 No. Main.

Gay Throng Enjoys Altar Society Party

There is an old saying that "anticipation is always greater than realization," which, however, did not prove true yesterday evening, when St. Joseph's Altar Society was hostess to the members of the Catholic church and a large number of their friends at a Halloween party.

The ladies had decorated the Knights of Columbus hall with the colors appropriate to the season of spooks. Huge pumpkin faces grinned a welcome from various advantageous positions, black cats arched their backs against the walls and bats flew about. The chandeliers and windows were draped with orange and black crepe paper and autumn flowers in the prevailing hues were arranged in huge jars.

Seventeen tables were provided for progressive whist players and after a series of interesting games, the prizes were awarded to Mrs. Olive Lopez and Thomas Murphy, firsts, and Mrs. Thomas Murphy and Claude Norton, consolation awards. All were pleased with the rewards presented.

The parcels post department provided many mysterious packages and added its share to the goodly sum cleared for the Altar Society treasury by the successful event.

Cafeteria refreshments of home-made pumpkin pie, doughnuts, coffee and chocolate were served, after which a social time was enjoyed.

Santa Ana Vocalist Wins Honors In East

Friends of Mrs. Eleanor Hornby-Woodford, soprano, will be very pleased to learn of recent success which she has won in eastern musical circles.

She has been spending much of the summer coaching under Victor Harris, widely known in the vocal world, and has just had the honor of being selected as soloist with the St. Cecelia club of New York City for its concert of November 11.

Mrs. Woodford and little daughter Frances, are planning to return to California about Christmas, after which she will be filling concert engagements on the coast.

* * *

Repeat Concert Program

The concert given Oct. 15, in Anaheim by Miss Louise Montgomery, soprano, W. A. Benjamin, tenor, and Miss Ruth Armstrong, pianist and accompanist, all of this city will be repeated this evening at the grammar school in Huntington Beach, with another Santa Ana artist, Miss Emma Hardy, violinist, also taking part in the program. Owing to the marked success of the entertainment in Anaheim, which was attended by many Santa Anans, it is expected that others of this city who missed the first concert, will avail themselves of this opportunity to hear these popular artists this evening.

* * *

Informal Dinner Party

Employes of Spicer's drygoods store were delightfully entertained at dinner by Mrs. Charles Spicer at her home, 1407 North Bush street, Wednesday evening. Yellow, the prevailing color, was charmingly emphasized in the decorations for the rooms and for the table. Candlelight added much to the attractiveness of the scene. An informal evening was enjoyed in social chat and with music.

First Ebell Travelers

First Ebell Travelers will meet Monday afternoon with Mrs. L. J. Carden, 918 French street.

Special on Trimmed Hats at Rutherfords' tomorrow, 412 No. Main.

Mrs. Swales Hostess at Bridge Luncheon

Autumn's own color, yellow, and the symbols of Halloween in black, gave striking contrast in the decorative scheme for the interior of the L. G. Swales home on North Broadway yesterday, when Mrs. Swales entertained seventy guests at one of the most beautiful and enjoyable bridge-luncheons given in this city for some time. Mrs. Swales was assisted by Mrs. J. N. Bartholomew and by her mother, Mrs. E. D. Harmon, of Los Angeles.

Sixteen tables were centered with graceful wicker baskets filled with large yellow chrysanthemums, white lace doilies over yellow and black, nut cups to match, and shaded lights casting a subdued glow over all, completed the beautiful picture.

A three-course luncheon was served, with six young girls dressed in white dresses and wearing little yellow aprons and caps, a black witch in the corner of each apron and upon the caps.

These winsome maidens, who were Misses Violet Cook, Berthena Selway, Anita Cox, Lura Morris, Lucy McDermott and Mignonne Swales, daughter of the hostess, were each presented with a pretty basket of flowers by the hostess in token of appreciation for the added touch of beauty they gave to the setting.

The prizes were awarded as follows: Flam, to Miss Rosa Boyd; first to Mrs. Emrys White, second to Mrs. George Briggs, third to Mrs. Lucy Evans, and consolation to Mrs. J. B. Roberts.

Enroll in O. C. B. C. night school.

When Your Neighbors Dance

When you catch the swing of a waltz or the rhythmic beat of a jazz over on your neighbor's porch, that's the time you become convinced you must have a Columbia Grafonola.

It's only natural. Nearly everybody likes to dance; and to hear your favorite dances, the latest hits, rollicking jazzes played on the Columbia Grafonola, and to dance them all—that's enjoying life.

Every Columbia Grafonola has a *Non Set Automatic Stop* built right into the motor. Never stops before it should. Always stops at the very end. Nothing to move or set or measure.

No other phonograph has this device—no other phonograph can get it. Don't fail to ask us to demonstrate the stop that needs no setting.

HEART BALM CASE IS GIVEN TO JURY

Damages in the sum of one dollar were awarded by the jury today to Henry Dahnke in his alienation of affections suit against Henry Wichman.

The $10,000 alienation of affections suit, brought by Henry Dahnke, of Orange, against Henry Wichman, a former employe, went to the jury today, after opposing attorneys had summed up the testimony, much of which had to do with Wichman's attitude toward Mrs. Selma Dahnke, the plaintiff's former wife.

During the trial of the action there was unfolded a tale of the revolt of youth against age. Mrs. Dahnke had obtained an interlocutory decree of divorce in Judge West's court six months ago. She is said to be 25, and Dahnke 45.

Mrs. Dahnke testified she had never loved her husband, even before she married him. They were married in 1913. She testified that she "did not know why she had married him" unless it had been because her mother had continually urged her to, and that she would have left Dahnke after a few months of married life had not the expectation of the birth of her little daughter made it impossible.

"Why did you leave Dahnke?" she was asked.

"Because of his personal habits, and cruelty, and the humiliation he caused me."

Mrs. Dahnke testified that Wichman had nothing whatsoever to do with her leaving Dahnke, and was not the cause of her asking a divorce.

Wichman was said to have been engaged to Mrs. Dahnke's sister, who died during their courtship, and Wichman's friendship to Mrs. Dahnke was said by the defense in this case to be merely kindnesses tendered to one whom he had expected to become his sister-in-law.

Mrs. Dahnke's mother, Mrs. Minnie Barrein, took the stand and testified against her daughter. She stated that her daughter had always seemed to love Dahnke until Wichman came into the Dahnke household as an employe.

Comes to Santa Ana

After her divorce, Mrs. Dahnke went to work in Santa Ana, and began the purchase of a house on Eighteenth street. She said that the house was placed in Wichman's name because property negotiations were still pending in the settlement of Mrs. Dahnke's divorce suit, and she was afraid, she testified, that her husband would take her new home away from her in an effort to force her to return to him.

The house is still in Wichman's name, and the contention of the defense in the case is that the purpose of Dahnke's suit against Wichman is to obtain a $10,000 judgment against the latter, and to foreclose on Mrs. Dahnke's home to satisfy the judgment.

Mrs. Armilde Frick, Mrs. Dahnke's aunt, also testified yesterday, as did W. S. Cook, brother-in-law of Mrs. Dahnke, and his wife, Mrs. Hulda Cook. They stated that although they believed from Wichman's fondness for Mrs. Dahnke's little daughter and Wichman's frequent taking of Mrs. Dahnke to social and church affairs, that he was in love with her, and that her affection for her husband had seemed to cool after Wichman's arrival on the scene.

They had, however, never observed anything definitely out of the way in the relations between the two.

Attorney A. E. Koepsel represented Dahnke, and Attorneys Charles D. Swanner and Head and Rutan appeared for Wichman.

Teachers Will Select Projects on Which To Center Activities

Educational projects for the coming school year are to be discussed by committees of the Santa Ana Teachers' league and will be prepared for presentation at the next meeting of the league.

A decision to this effect was reached yesterday afternoon at the meeting of the league at the Junior high school.

Committees reported on their activities during the past year. The most important work done was in relation to the movement toward getting better salaries for teachers.

Yesterday the executive board of the league declared itself ready to take up whatever project the members of the league find advisable for it to take up. The field of possible projects will be surveyed and reported upon. Mrs. Nettie J. Wolfe is president of the league, and Miss Nellie Wilson is its secretary.

NEW BANK TO OPEN LATE IN NOVEMBER

With bank fixtures ordered and most of them here, ready for installation, the building to be occupied nearing completion and receipt of the bank charter expected almost daily, promoters of the American National bank expect to be open for business the latter part of November.

The bank is to be located in the corner room of the Gilmaker building, Broadway and Fourth, and the workmen are rushing the room to completion as fast as possible.

"We are expecting our charter every day now," said J. E. Bermann, cashier, today, at the office of the bank in the W. H. Spurgeon building. "With the receipt of the charter and installation of bank fixtures we will be ready to open our bank. We hope to open the latter part of November."

PERSONALS

C. B. Brooks, of 1212 Lacy street, leaves this afternoon from Los Angeles for Weslaco, Texas, where he has ranch property.

A. M. Anderson and Ernest Slaughter, both of Huntington Beach, left this morning on the Santa Fe for Delta, Colo., to work in the sugar factory there.

Miss Mary E. Whitaire left this morning for Kingman, Kan., on the Santa Fe.

ANGEL OF DESERT IS SEEN ON SAN JACINTO

How the Angel of the Desert, like a rainbow following a storm, appears to travelers when nearing Mount San Jacinto on its desert side is related by residents of Palm Springs.

The angel was first seen following the earthquake of 1918, which shook the mighty mountains to its rock-ribbed foundation. She came then, seemingly to protect her mountain, and still is to be seen, wings outspread, as though to guard the lofty peak.

To see the Angel of the Desert to best advantage one should alight from the railway train at Palm Springs, on the desert side of Mount San Jacinto, and approach the little oasis of Palm Springs. At certain hours even the face of the guarding angel is to be discerned, its expression combining firm resolve and benign promise.

BISHOP COADJUTOR SPEAKS AT ORANGE

"Play the game—do the things which are asked by the nation-wide campaign department."

These words, spoken by Rev. William Stevens, bishop coadjutor of the diocese of Los Angeles, at a meeting at Trinity Episcopal church, Orange, instilled enthusiasm in those who today began laying plans for a house-to-house canvass, planned for next month among the parishioners of the church at Orange.

Rev. Stevens' address was made in furtherance of a great drive which is to be made by Episcopalians in the United States for the purpose of arousing interest among churchgoers of that denomination.

A large audience, at the meeting in Orange, gave the campaign a rousing send-off.

Rev. Stevens was introduced by Rev. Herbert V. Harris, rector of the Orange parish. Launching immediately into the heart of his address, the coadjutor told briefly of the objects of the forthcoming campaign. As proof of the things that may be acomplished not only in a given diocese and parish, but in the world at large, Rev. Stevens cited the great services rendered in the diocese of West Texas during the past year.

"The success which attended the campaign in the South was not gained without a struggle," said the speaker.

He said people lacked consecration, the Christianity of a majority of the people being on the surface. These, he said, were elements which were now hindering the progress of the campaign. He cited figures which showed that 65 per cent of Texas was unchurched and fully 85 per cent of Oklahoma was the same. Lack of missionary enthusiasm, lack of knowledge and selfishness he gave as the reasonss for these conditions. He declared many were willing to serve the church as long as their service did not handicap themselves.

"This spirit is manifest in many parishes and is proving a destructive power in the betterment of the church," said Rev. Stevens. "The campaign program was designated to overcome these obstacles and to set the church on a firm foundation."

To win success in the movement he urged the people "to play the game" and do the things asked by the nation-wide campaign department in New York.

Dr. Byron Holley, representative of the central committee of the campaign, was next introduced. Dr. Holley urged co-ordination in the parish as the key to the greatest accomplishment in the campaign.

"Get rid of pulling opposite and work to gether as one body," he advised. "The nation-wide campaign involves plans of 2000 years ago and people are just now waking to the realization that these plans 'worked' and were successful. If the campaign fails the nation will fall as other nations have fallen which have denied their God."

The house-to-house canvass will be conducted at Orange from November 1 to November 28.

Singing by the congregation opened up the session. The singing was in charge of Elmer Heidt, county scout executive, who had large experience in leading community singing during the war.

Special offerings in new Draperies

For Friday, Saturday and all of next week.

ALLEGED PROBATION VIOLATOR IN COURT

Fred Allen, in jail on a battery charge in connection with an alleged attack upon his wife, and who is being held on a further charge of having violated the probation given him by Judge Z. B. West after he had pleaded guilty to a charge of having sold furniture from a rented house in Yorba Linda, was to appear before Judge West this afternoon when the court was to decide whether parole was broken.

In case the court so decides, Allen will probably be sent to San Quentin to serve an indeterminate term on the felony charge.

Allen's attack on Mrs. Allen is alleged to have taken place because of divorce proceedings instituted by Mrs. Allen against her husband.

MRS. GRACE BRADSHAW PASSES AWAY AT BREA

(Special to the Register)

BREA, Oct. 29—Funeral arrangements were completed here today for Mrs. Grace Bradshaw, 70, who died late yesterday afternoon at the home of her daughter, Mrs. T. E. Moore, here, after an illness of several weeks. Mrs. Bradshaw's husband died nearly two years ago. She is survived by her daughter, Mrs. Moore, by a son, A. R. Bradshaw, of Brea, and other relatives in the east. The funeral will be held tomorrow afternoon from the funeral parlors of Angus McAuley, Fullerton.

NURSES LAUNCH PLANS IN S. A. FOR FORMING COUNTY CLUB

22 Gather at Burlew Home and Decide on Temporary Organization

ENTHUSIASM MANIFEST

New Body to Have at Least 40 Members, Is Expectation at This Time

With temporary officers elected and a committee on constitution and by-laws appointed, graduate nurses of Orange county today were awaiting a report of the committee to complete organization of a permanent club in Orange county. All graduates in the county will be eligible to membership, whether married or single. It is expected the next meeting will be held about the middle of November to complete organization.

Twenty-two graduate nurses of the county gathered at the home of Dr. and Mrs. J. M. Burlew yesterday afternoon in response to invitations sent out for them to attend a meeting for the purpose of organizing a club. It is expected that at least forty women of the county will become identified with the club.

Name Temporary Chiefs

Miss Martha Schildmeyer and Mrs. Raymond Ross, president and secretary respectively, of the Community Hospital alumni, were chosen as temporary chairman and secretary of the club. The committee on constitution and by-laws is composed of Miss Anna Rohde, chairman, Miss Anna Lieberman, Miss Margaret Wallace of the Community Hospital of Santa Ana, Mrs. G. C. Griffith, superintendent of the Fullerton hospital, and Miss Beatrice Grant, superintendent of the county hospital.

The object of the organization, which is to be known as the County Nurses' Club, is to promote sociability among the members and to make it possible for them to advance themselves in an educational way in their chosen profession.

The constitution and by-laws will follow the regulations of the California State Nurses' Association. Identification with the state association automatically will identify the club with the American Nurses' Association. The latter maintains a corps of lecturers, a number of whom will undoubtedly give addresses before the Orange county organization.

Meeting Enthusiastic

The nurses in attendance were enthusiastic in the creation of the club. Mrs. J. M. Burlew, Miss Anna Lieberman and Mrs. Fred Ross were hostesses and served tea and wafers during the afternoon. The

LANDSLIDE FOR G. O. P. LOOMING SAYS COUNTY CHAIRMAN

Republican Majority Will Be Between 6000 and 7000—Koepsel

TARIFF ISSUE AWAKENER

Swing to Run Ahead of His Ticket, Prediction Made by Leader

"The Republican majority in Orange county will be between 6,000 and 7,500," declared A. E. Koepsel, chairman of the Republican county central committee today.

Koepsel said that reports he had received from all over the county indicate that the county is more strongly Republican now than ever before. The keen necessity for a tariff on citrus fruit, beans and walnuts is credited by Koepsel with having brought home to the minds of great numbers of people who were not strongly partisan the advisability of having a Republican administration take charge of the government.

"I feel certain that every precinct in the county will go Republican," continued Koepsel. "Many of the precincts will be almost solidly Republican. I can see nothing but a Republican landslide in sight for Orange county.

"It is my opinion that Judge Phil D. Swing, the Republican nominee for congressman, will run ahead of the ticket. The reason for this belief is that he has made a strong personal campaign in this county and will receive a large Democratic vote. Every Republican will vote for him. He stands so strongly for Orange county's vital interests that I am certain he is going to draw a big vote from the other parties, too.

To Cut Big Firuge

"The registration in the county is largely republican. That will cut a big figure in the majority that will be rolled up.

"Samuel M. Shortridge, the Republican nominee for United States senator, made a very fine impression in this county. Everywhere he went he was received with enthusiasm. He is going to receive the Republican vote as well as a large vote from those who, while not normally Republican, are this year going to vote for the protection of our own industries.

"Senator Harding will get his full party vote, and will draw from other parties. There is no deflection from the head of the ticket."

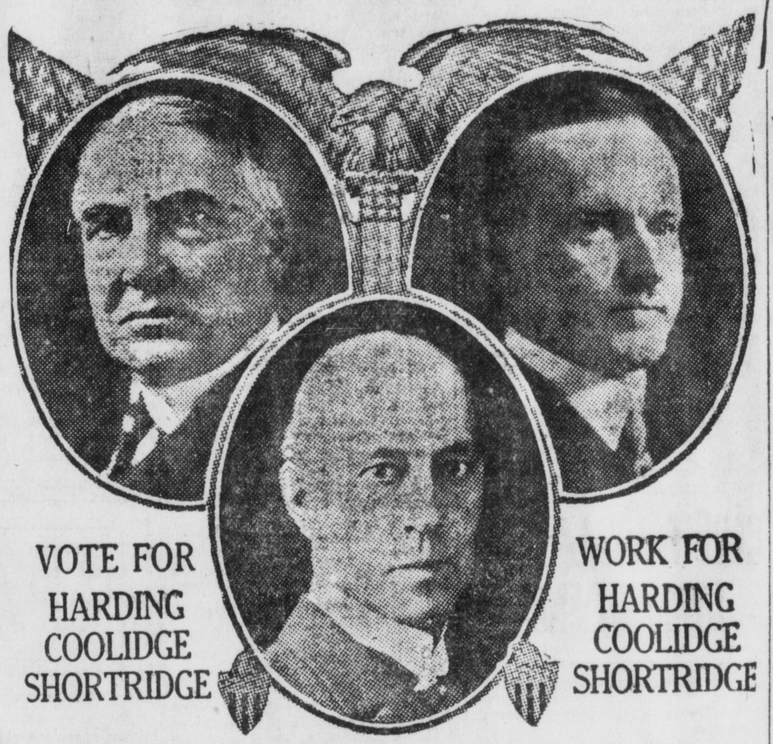

Koepsel said he is expecting a vote of not less than 17,500 on Tuesday.

"It ought to be at least a seventy per cent vote," said he, "and it may be an eighty per cent vote. The bigger the vote, the bigger the Republican majority will be."

THE BEST MEN ARE NEEDED TO MANAGE IT

FERTILIZER WAR PLANS LAID BY CITRUS MEN OF COUNTY

Way Out Lies In Hands of Growers Themselves, Declares Expert

MAY APPOINT ANALYST

Institute at Anaheim Full of Helpful Suggestions to Citriculturists

Citrus growers of Orange county today had before them the suggestion, made at the Farm Bureau citrus institute at Anaheim, by Prof. George P. Gray, fertilizer expert of the state department of agriculture, that the means of obviating the purchase of adulterated barnyard fertilizers rested largely with the growers themselves.

The report by Prof. Gray was made to the fertilizer committee of the Farm Bureau. One of the suggestions made was that the growers seriously consider, as one means to the end sought, asking the board of supervisors of the county to appoint an expert, acting perhaps in conjunction with the county sealer of weights and measures, to make analyses of fertilizer shipments ocming into the county.

In this connection it was pointed out that it would more than likely be impossible for the county analytical expert to examine every carload of fertilizer. However, were such an expert in the field, it was pointed out, danger of growers being sold adulterated and worthless fertilizer would be done away with to a considerable extent.

Represents State's Views.

In making his suggestions, Prof. Gray indicated that his views were representative of the views of the state as concerned proposed new legislation on the fertilizer question.

The present law pertaining to the sale of fertilizer Prof. Gray considered adequate, adding that the power of doing away with having adulterated fertilizers dumped on the growers of the county rested largely with the growers themselves. This was true, he said, at least to the extent that the growers could pool their orders for fertilizer and by placing such orders through the various citrus exchanges, require that all purchases be made subject to aanlysis of shipments.

Following the submission of Prof. Gray's report, the fertilizer committee was prepared to work out some definite program in connection with the matter, with a view to doing away to as great an extent as possible with the losses now sustained by citrus growers through being sold defective fertilizer.

200 Growes Pesent.

Two hundred citrus growers attended yesterday's institute sessions at Anaheim. It was expected that today's attendance, however, would be even larger.

The feature of yesterday morning's session was an address by Prof. H. S. Woglum, entomologist of the California Fruit Exchange, and who is responsible for most of the fumigation investigations that have

(Continued on Page Eight)

STATE DELEGATE PUTS CAMPAIGN ISSUE UP TO THIS COUNTY

Heninger Appeals for Overwhelming Vote for Republincan Ticket

SEES TARIFF AS NEED

Strong for American Industries for American Farms and Labor

M. R. Heninger, who was a member of the California delegation which went to Marion, O., to call on Warren G. Harding, Republican nominee for president, has issued a call to the people of Orange county to go to the polls Tuesday and vote for Harding, Shortridge and Swing.

He declares that if the Democrats win on November 2 there will be breakers ahead.

Heninger's statement, issued today by the Republican County Central Committee, reads as follows:

To the Voters of Orange County—The campaign is rapidly drawing to a close. The organization and committee work is about ended, and now, Mr. and Mrs. Voter, it is squarely up to you to finish the job.

The overwhelming vote as indicated by the registration, presages a grand Republican victory on November 2 if we all go to the polls and vote. From many sources we hear of Democrats who, having changed their views on the tariff, will vote with us.

No Republican can afford to say that he is too busy to vote. Of course, you are busy. We are all busy, but the biggest and most important business that we can engage in during the remainder of this campaign is the business of electing a Republican president, a Republican U. S. Senator and a Republican member of the house of representatives. Let every one of us feel a responsibility and go to the polls and do his duty.

Orange county has never failed to go over the top when called. Let us catch some of the spirit that animated our boys in the Argonne and on other great battle-fields of France and go over the top with colors flying.

Make the Vote Big

Let it be said that Orange county polled the largest Republican vote of any county in the state, according to its registration. Let's say we will do it, and let's do it.

By the election of Samuel M. Shortridge to the United States Senate and Phil D. Swing to a seat in the house of representatives, we will be in a position to ask for, and get protection for our already damaged lemon and other seriously threatened industries.

If Senator Phelan is elected, and the Protective Tariff League of California appears before the Ways and Means Committee asking for protection, what do you think that delegation will be asked?

I will tell you. The first question they will be asked will be:

"If you want protection for your California industries, why do you send Democrats to Congress?"

(Continued on Page Eight)

POLY WARRIORS MEET ORANGE ON S. A. GRID

The 1920 football season, so far as the Santa Ana high school is concerned, was programed to open up in dead earnest this afternoon.

Coach Marvin ("Spud") Morrison's charges and the Orange high school team were to come to grips on the Santa Ana field in the first Orange League contest of the season.

Morrison's Bulldogs, as well as the school's corps of rooters, were trained to the minute. The Cardinal and White warriors were prepared to go into battle determined to wrest victory from the Orange men at any cost. A large and varied assortment of new yells was scheduled to be let loose by the Poly noisemakers.

In the northern part of Orange county, the Orange League season is due to be "busted open" tomorrow afternoon when Anaheim and Fullerton clash in their first league contest. The "dope" favors the Oil Drillers to down the Mother Colonists, though the latter are expected to put up a stiff battle. A considerable delegation from Santa Ana, including members of the Poly team, probably will witness this contest.

BUSINESS IN CHINA DULL SAYS AMERICAN

BERKELEY, Cal., Oct. 29—Americans who are planning to go to China for business are advised by R. T. Evans, lawyer and secretary of the American Chamber of Commerce at Tientsin:

"Wait until after the present financial stringency is over," says Evans, who is visiting friends here. Evans is soon to return to China.

"Business is bad in North China now owing to the depreciation in exchange," he said. "Firms there entered into contracts when money was cheap and by the time the goods were ready for delivery silver had gone up and they simply did not have the money to pay for the goods.

"Politically, the Chinese government is in good condition, and if the Japanese do not interfere they will get established without trouble.

"As soon as affairs become more settled there American commerce will be in a good position. American machinery gained a high reputation during the war, and has grown in favor since the war."

Knauf and Faul, pioneer barbers, have opened handsome tonsorial parlors in Room 236, W. H. Spurgeon building; elevator and stairway entrance, and are now ready for business. Three barbers and manicure service.

LEIPSIC SHOWS TRUTH IN SHEETING PRICES

That an article sponsored by M. G. Cooper, president of the Cooper, Coate and Casey Dry Goods Co., a wholesale house of Los Angeles, is entirely misleading, was declared today by Harry Leipsic of Leipsic's Dry Goods Store of Santa Ana.

The article stated that bleached sheeting had been reduced from ninety cents to 62½ cents a pard. Leipsic telephoned to Cooper in Los Angeles to make inquiry concerning this marked reduction. He found that as a matter of fact ordinary pequot bleached sheeting has been reduced only ten cents a yard, and that 90 cent pequot is now offered by the wholesale company at eighty cents. It is true that the wholesale company has a certain brand of its own that it has reduced more than that, but that reduction does not fit the situation so far as it concerns the ordinary more desirable brands handled by most stores.

Leipsic says that the article is misleading in that it attempts to indicate that there has been a sudden reduction of fifty per cent in the price of cotton goods. The reductions that are made are merely those are that made by local merchants when selling off-season material or are selling from an overstock. He says that merchandise prices are being reduced, but it will be some time before the wholesaler and retailer will get the full benefit of it.

DENIES ENGLAND IS AIDING JAP CAUSE

WASHINGTON, Oct. 29.—State Department officials and diplomats representing countries holding the international communications conference declared that there was no foundation for a published report that Great Britain and Japan are allied against the United States. It was added that there was no reason to suppose that any countries are lined up against any other country, but on the contrary that all have exhibited a spirit and desire to work out harmoniously, a solution of all the problems before the conference for the best interests of all.

One delegate to the conference declared that publicity of the proceedings is undesirable, because instead of assisting the delegates to accommodation and decision, it arouses international feeling, making an agreement difficult if not impossible.

The decisions, it was pointed out, must be made by the representatives of the five powers, acting from instructions direct from their governments, and as there are developments or changes at every sitting of the conference, publicity would tend to drive and keep the delegations apart, rather than bring them together.

SPANISH CLASS

Beginners' class meets Monday and Thursday at 7 p. m., at home of Mrs. Olive Lopez, 519 West Fifth. Terms $4 for eight lessons, in advance.

HOLDERMAN MAY BE CALLED TO HIS REGIMENT

Colonel Neb Holderman, commandant at the Yountville Soldiers Home, may be called back into regular army service within the next three months, if reported plans of the army to call all experienced officers back to the service are carried out.

Holderman retained his rank as Captain, attached to the Thirty-second infantry, when he was appointed commandant of the home. Upon appointment he was given the rank of Colonel.

Colonel Holderman was in Santa Ana yesterday afternoon calling upon old friends and spent last night with relatives, leaving this morning for Yountville. Asked as to whether he would be called back into the regular army, he said that he did not know but would not be at all surprised if he were. It is understood that the army is pursuing the policy of returning experienced officers in order that they be given still better training.

Colonel Holderman came south on a commission to make an official inspection of the Solders' Home at Sawtelle. He made a thorough inspection and will make his report to the proper authorities in a short time.

The commandant has made a good record for himself at the home and is loved by all inmates—and they number 800. His administration of the home has brought about several changes for the better, according to reports brought to this city by those who are familiar with the institution.

Colonel Holderman was in command of Company L of Santa Ana when the company left here and was with it through the training period at Camp Kearny. Overseas he was assigned to another company and was a member of the group of heroes who made a stand in the Argonne Forest with the famous "Lost Battalion." The battalion made itself famous by telling the Germans to "go to hell' when the little group was entirely surrounded and commanded to surrender.

AMATEUR OPERATORS WILL GET RETURNS

CHICAGO, Oct. 29—The wireless will be used for the first time Tuesday night to assemble and distribute returns from a presidential election. The Hamilton Club of Chicago announced tonight 50,000 amateur wireless operators throughout the United States had been instructed to collect returns and flash them to a powerful wireless plant installed by the club here. The Chicago wireless will flash the news to receiving stations throughout the coun-

GERMAN CHURCH FOLK AWAIT BIG MEETING

Members of the congregation of the various German churches in the northern part of Orange county today looked forward eagerly to a meeting scheduled to be held at the German Methodist church at Anaheim tonight and at which Bishop J. L. Nuelson will speak. Bishop Nuelson, the only Methodist bishop who stayed in Europe throughout the World War, will tell of the suffering he saw in Germany and Austria. He had charge of relief work in these two counties.

On Sunday afternoon, beginning at 3 o'clock, Bishop Nuelson will dedicate the new German Methodist church at Anaheim. Special all-day services will be held at the church Sunday.

HARDY GETS 'HARDY' AS 'LIKKER' REFUSED

CHICAGO, Oct. 29—James Hardy, sometimes a resident of Giltedge, Mont., Red Dog, Wyo., and all points west, arrived in town and registered at the Metropole. "Call me Jim," he said, "and direct me to the nearest font where 'red likker' flows."

At an early hour today Hardy came into the new Grant Hotel barroom. The barkeeper was sorry; prohibition, y'know. After an extended argument Mr. Hardy reached under his coat tails, drew forth a frontier model .45 and laid it over the bar.

Two bullets splintered the floor between the barkeeper's feet. Two more shots caused a lively bit of footwork that satisfied the dancing master. As he breezed out, he thrust his revolver over his shoulder and, without turning, his head, sent a bullet that clipped a matchbox from the back bar. Then he swung the weapon and drilled out a knothole in the wall thirty feet away.

Hardy was trailed cautiously by a policeman to the Metropole and arrested in his room.

ENJOYS 8,000 MILE TRAVEL BY ELEVATOR

SAN Diego, Oct. 29—Last week R. B. Watson, operator of the elevator in the Campanille at the University of California, claimed second place for having covered in ascents and descents a distance of 3,500 miles. The only man who had outdone him, he said, was the operator of the cage in Washington's monument.

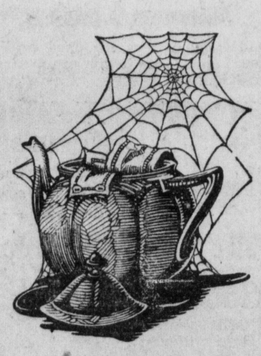

Now comes George Coop, pilot of an elevator in the city hall here, who rises to remark that Watson "hasn't been anywhere."

Cooper says he has traveled 8,000 miles up and down in the last ten years and seven months that he's been jerking the lever of the city hall lift. The Washington monument operator recently passed the 10,000 mile mark.

"I've had a nice trip, anyway," remarks George.

Expert Marcel Waving. Mrs. Cavins' Toilet Parlors. 116 E. 4th St.

Money Kept at Home is Lazy Money

MONEY that is kept at home is lazy money. It doesn't work for you when it is in the teapot, under the mattress, or in some hiding place that you *think* is safe. In a bigger sense, too, money kept at home isn't doing its duty in building up your community.

Besides—money that is kept at home isn't safe. It may be mislaid. It may be stolen. It may be destroyed by fire. Our newspapers prove that these misfortunes are daily occurrences. Some day any one of them may happen *you*.

Your money in this bank will earn 4 per cent. interest for you. It will help move the wheels of industry in your community. It will be safe from loss or theft.

CASCARETS

"They Work while you Sleep"

Stop growling around like a cross bull pup. You are constipated, bilious—you need Cascarets tonight sure for liver and bowels. Then you will wake up wondering what became of your nervousness, sick headache, bad cold, or upset stomach. No griping—no inconvenience. Children love Cascarets, too. 10, 25, 50 cents—Adv.

FERTILIZER WAR PLANS LAID BY CITRUS MEN

(Continued from page seven)

recently been carried out in Southern California. Prof. Woglum cited some of his recent observations in support of his suggestion that the present dosage used in fumigation for black scale be increased.

There was some discussion as to the best time for fumigating to kill black scale. Prof. Woglum urged that citrus growers, especially in Orange county, be on the lookout at this time for the appearance of signs of early fall hatch of black scale. He advised that fumigation be delayed until the latter part of November, when, he said, broods are in a susceptible stage as concerns reacting to fumigation.

Tells Spider Remedy.

Prof. Ralph E. Smith, entomologist with the California Walnut Growers' Association, gave an address on the control of the aphis and red spider on orange and lemon trees. He gave the growers formulae for a new dusting powder which he said had been found particularly effective in warring on these pests.

At the afternoon session I. G. McBeth, manager of the Leffingwell Rancho, gave an exhaustive talk on the importance of cover crops in connection with maintaining permanent fertility of citrus groves. He spoke on the danger of the supply of barnyard fertilizers becoming exhausted, or prohibitive in price eventually, and said that as a result it was more vital than ever for citrus growers to devote great attention to cover crops.

Both sides of a question which is of extreme interest to agriculturalists at this time, "Is the Tractor More Efficient than the Horse?" were to be presented at today's sessions of the institute. A number of additional topics were scheduled to be brought up today, the final day of the institute.

CLUB PLANS LAID BY COUNTY NURSES

(Continued from page seven)

home was prettily decorated for the occasion.

The following were present:

Mesdames G. C. Griffith, Lou Gledhill, Maude Miller, Geo. Barrett, J. M. Burlew, Louis Robinson, Raymond Ross, Misses Alice Lusk, Beatrice Grant, Margaret Wallace, Jessie Robertson, Anna Rohde, Martha Schildmeyer, Elizabeth Spohr, Anna Lieberman, Rose Lieberman, Grace Peterman, Angie Mansur, Letha Hoy, Carrie Morse, Lottie Smith and Elaine Hildreth.

$200,000 LOVE BALM SETS RECORD, CLAIM

NEW YORK, Oct. 29—A sheriff's jury awarded $200,000 to Mrs. Laura Cave Wilson in her action against Mrs. Bertha Lobit Wilson, charging alienation of her husband's affections.

The verdict is said to establish a new high record in this class of litigation. The plaintiff alleged that Wilson married Mrs. Bertha Lobit Wilson without obtaining a divorce.

Mrs. Laura Cave Wilson's father was Major Cave, a railroad builder of Dallas, Tex. She is a founder of the Texas Society and a member of the Southern Society. Mrs. Bertha Lobit Wilson is the daughter of a banker in Galveston, Tex.

PACIFIC COAST OIL RUNNING LOW, CLAIM

SAN FRANCISCO, Oct. 29—One-third of the Pacific Coast's visible supply of fuel oil is exhausted, and exhaustion of the remainder is threatened unless hydro-electric energy is substituted and internal combustion engines replace the present boilers and steam engines, D. M. Folsom, former Federal fuel oil administrator for the western states, told the Commonwealth Club here.

The situation is becoming constantly more critical for the "indirect consumer" who is dependent on fuel oil products, he said.

POSSE SEEKS AUTO OF SLAIN SALESMAN

NOGALES, Oct. 29.—Jack Harrington of Flagstaff, sheriff of Coconino county, aided by attaches of the local sheriff's office, is combing Santa Cruz county for information regarding the murder of Martha Schwab of Mulford, Utah, near Flagstaff about April 15 last. Harrington's special mission here is to locate the automobile Schwab was driving when slain. Rewards of $1800 for the murderer and $500 for the car are offered.

The dead man was a salesman for an adding machine company and visited Flagstaff, April 14, staying at a hotel. He drove east toward Holbrook the following morning and that was the last seen of him alive. His body was found the next day in a well several miles west of Flagstaff. He had been shot twice through the breast.

AUGUST EXPORTS ARE FAR ABOVE IMPORTS

WASHINGTON, Oct. 29 — The downward trend of exports and the upward trend of imports was halted during September. Figures made public by the Department of Commerce showed that exports for the month exceeded those of August by $28,000,000 and that imports were $150,000,000 below those of the month before.

The Chiropractic Bill provides only for a separate board of examiners to license Chiropractors and is not paid for by the people as the medical board is.

STATE DELEGATE ISSUES APPEAL TO VOTERS

(Continued from page seven)

Would you like to be a member of that delegation? I hardly think so.

It was my good fortune to listen to one of Senator Harding's front porch speeches, and in that speech he said that the Republican policy of protection must be restored to the end that our American industries may be preserved for American labor. He said:

"We have here in Marion a silk factory and the same man has a silk factory in Europe. If we take the tariff off silk, that man will naturally manufacture his silk where he can get labor cheapest. That will mean the closing of his factory here and the throwing out of employment the people employed by him here."

He said: "Our Democratic friends have said that if we do not have free trade, the European countries could never pay the debt that they owe us. It would be better to lose the millions that they owe us than to throw open our markets to the products of cheap European labor, and thereby deprive us, and our laborers of the livelihood and support that they are justly entitled to."

For Republican Congress

Former Senator Beveridge said in Trinity Auditorium the other night that the greatest need in this country today is for a straight out and out Republican victory on November 2, not a victory that will merely put Harding and Coolidge in the White House, but one that will elect a Republican majority in congress. With such a victory we can look forward with optimism to an era of prosperity unprecedented in our country's history. We will need more than ever at Washington, during the reconstruction period, men of wisdom, men of learning, men who will measure up to a high standard of statesmanship.

The Democratic candidate for vice-president said in one of his speeches on the Pacific coast that the "tariff is a joke." Those are idle words, not the words of a statesman, but the words of a demagogue. To my mind no greater disaster could befall this nation than the adoption of the open door tariff for revenue only, free trade policies of the Democratic party, for that would mean the flooding of our markets with the products of the cheap underpaid labor of Europe, Asia and Africa.

Our industries manufacturing the same line of goods would have to get labor equally as cheap as theirs or go out of business. No one would ask or expect American labor to be dragged down to that level, for that would compel our women and our children to work and toil in the fields from early dawn until late at night on the same basis as the orientals.

Our slogan should be "American markets for American products of the American farm and American factory by American labor." Too much America? No, America first, last and all the time.

The Lemon Situation

I am unable to understand along what line or lines of reasoning a lemon growing Democrat could lead himself up to the point of voting for Phelan, considering Phelan's past record on the tariff and the now deplorable condition of the lemon industry.

Mr. Phelan is a member of the party that has removed tariff protection, without which this state and nation cannot prosper.

If you have your own and California's interests at heart you will not vote for him, but will vote for Harding and Coolidge, Shortridge and Swing.

Senator Johnson says, "Our success this year will be incomplete unless we send to the senate Samuel M. Shortridge."

These conclusions are not from a partisan, but from a business man's standpoint.

Let me say to you, and I am no alarmist, that if the Democrats should win in this election and continue to carry out their free trade policies, LLOK OUT FOR BREAKERS AHEAD.

M. R. HENINGER.

ENGINEERS ON BIG IRRIGATION SURVEY

NOGALES, Oct. 29.—Nicolas Durran and A. C. Calballeros, prominent engineers in the service of the Sonora government, have gone to Ures, where they are organizing a party to take the field and make a series of surveys of dam and reservoir sites on the Sonora and San Miguel rivers. This is in line with the idea of Governor Flavio A. Borquez for an irrigation system to cover the entire valley and delta of the Sonora river from Ures to the Gulf of California, a distance of 125 miles or more, and embracing about two million acres of land which has been classed as the most fertile in the world.

Besides the site first suggested at Puerta del Sol and Canada Ancha, other sites are known on each river, and the plan is to select the best and most feasible. To that end very careful and accurate surveys will be made, water sheds examined, water flows measured, drainage circulated and rainfall determined.

It is reported that some of the best sites are in the upper reaches of the two rivers, which may be utilized, and one plan is to construct more reservoirs, running the water from these down to river bed and catching it with diversion dams.

Several months will be devoted to the work.

SAYS HUSBAND LOST THIRTY-FIVE JOBS

CHICAGO, Oct. 29.—James Everett McQueen, who asserts he is the son of former Senator McQueen of South Carolina, was sued for divorce by Mrs. Mary E. McQueen in the Circuit court.

The wife charges that her husband lost thirty-five jobs because of his dissolute habits. During their married life, the wife asserts, McQueen bought many and costly gifts for "painted women."

SOCIALISTS EXPECT TO SHOW BIG GAINS

NEW YORK, Oct. 29.—All indications are that the Socialist vote to be cast for Eugene V. Debs next Tuesday will show a big increase over four years ago.

The Socialist leaders claim that this expected increase will be due to imprisonment of the Socialist candidate, the high cost of living, agitation over profiteering, federal control under war regulations and radical labor agitation.

Socialist editors have made forecasts of that party's vote all the way from one to five millions.

William M. Ferguson of the New Day Socialist World, Chicago, predicts at least 2,000,000 votes for Debs.

The vote estimated by W. F. Dunn, editor of the Bulletin, (Socialist) Butte, Mont., is 2,000,000.

Charles W. Erwin, publisher of the New York Call, estimates the Socialist vote at between two and three millions. He said the Socialists expected to carry four Congressional districts, sure, and possibly five. Two of these are in New York City.

GETS LICENSES TO MARRY TWO SISTERS

NEW YORK, Oct. 29.—John Burfind, 25 years old, a successful farmer of Ritzville, Wash., within two weeks has been at the Queen county marriage license bureau twice, on both occasions taking out a license.

Two different women, both young and good-looking and sisters, accompanied him on these occasions. After having arranged to marry Miss Katherine Rupy, a designer of 226 Cooper avenue, Glendale, and having come from Washington State for the wedding they disagreed and the engagement was broken.

Burfind, not dismayed, laid siege to the affections of Miss Anna Rupy and won. Today they got a marriage license and have arranged for the marriage to take place at St. Adelbert's church in Glendale, November 14.

GEORGIA JURY FINDS PLENTY OF WHISKEY

MACON, Ga., Oct. 29.—In presenting a series of indictments in Federal court here, W. C. Wright, foreman of the grand jury, declared that the jury had found a spirit of lawlessness in Georgia which to them was astounding.

He said liquor was flowing across the State like a river and "in order to preserve the safety of the innocent women and children," he asked the presiding judge to vigorously prosecute the cases of liquor violations.

Thirty-six indictments were handed down by the jury, one involving sixty-four persons who are charged with having participated in alleged wholesale express robberies over the state. The jury estimated that goods valued at $1,000,000 was involved in the robberies.

GOVERNOR WILL NOT CLOSE TEXAS GINS

AUSTIN, Texas, Oct. 29.—Gov. Hobby of Texas declined to join Gov. Parker of Louisiana in requesting ginners to close down for thirty days or more.

Gov. Hobby said in part in reply to Gov. Parker's request for such action:

"If the cotton is made it would not be wise to throw it away or allow it to deteriorate by not ginning it. Putting it in better shape for preservation by baling it, will, in my opinion, enable the farmers to hold the cotton for higher prices without impairment of grade. It is likely, too, that if ginning operations should cease, that gamblers and manipulators would exaggerate the amount of cotton held back and use it as a club to beat down prices more effectively than were actually ascertained through ginners' reports."

BOLIVIA PLANS ELECTION

WASHINGTON, Oct. 29.—A general election will be held in Bolivia November 28, according to official dispatches received at the legation here, to select delegates to a constituted assembly, which will undertake revision of the country's government forms.

LAY PLANS TO GIVE GOVERNOR'S PARTY BIG WELCOME SATURDAY

The entertainment committee of the Santa Ana Chamber of Commerce having in charge the details in connection with the visit of Governor William D. Stephens to Santa Ana Saturday of next week, met today to devise plans for giving the Governor and the naval officers and naval band who will acocmpany him a rousing welcome.

Those of the committee present were:

J. E. Liebig, A. W. Fuller, J. C. Wallace, Ralph Huntington, Roy Vincent and Sam Jernigan.

The Governor's visit to Santa Ana will be in furtherance of recruiting for men for service on the new dreadnaught, California.

Subject to approval of the officers in charge of the special train the features in Santa Ana will be a parade from the depot to Birch park, addresses and a band concert at the park and an automobile trip through the groves in this vicinity.

It is expected there will not be more than one hour to devote to the automobile trip, and for that reason an extensive tour cannot be expected.

Ralph Huntington was appointed secretary of the committee, and he was directed to act in conjunction with Secretary J. C. Metzgar of the Chamber of Commerce in advising delegates to the Associated Chambers of Commerce that at least one automobile filled with representatives will be expected from each community. It is hoped to have each district represented in the parade. It is not planned to have a large parade—merely a small representation from each community.

Governor Stephens and naval officers hope to man the California exclusively with California boys. Californians will have a great pride in the vessel, which is being built in California, and is to be distinctively a California product, hence the desire to make its complement of men exclusively Californian. A quota has been assigned to Orange county. The number as yet has not been made public, but probably will be before next Saturday.

J. C. Wallace and Huntington were appointed a committee to appear before the city council at its next meeting and ask that Mayor J. G. Mitchell issue a proclamation requesting that merchants of the city close their places of business between 9 and 10 a. m. Closing, of course, will not be obligatory, but it is believed a large number of the business houses will co-operate in the movement.

"May my chum and I stay together and go to the same ship?"

This question often is asked Chief Gunner's Mate L. Pinkham, in charge of the local recruiting station in the W. H. Spurgeon building.

"We can positively assure chums that they will not only be sent to the same ship, but will be assigned to the finest, largest and most comfortable ship in the United States navy, the U. S. S. California," said Pinkham today.

"This opportunity is open today to young men of Orange county. It is an opportunity for them to serve through the wonderful cruise on the California with their best pal—one, two, or a dozen of them. A trip around the world on Uncle Sam's greatest dreadnaught awaits those who enlist."

The Associated Chambers of Commerce, the Rotary club and other civic clubs of the city strongly endorse the project.

CAL. AND OREGON TEAMS TO CLASH

STANFORD UNIVERSITY, Calif., Oct. 29—California and Oregon fight for gridiron honors tomorrow. With the University of California taking on the Oregon Aggies in the north, Stanford University clashes here with the University of Oregon.

The varsity from the webfoot state was to arrive here today.

Tomorrow's contest will be Stanford's first conference championship game. Dope indicates Oregon has the stronger aggregation but the Stanford huskies are brimming over with confidence as a result of the defeat they administered last Saturday to the Santa Clara University.

Oregon will step on the field with a decided weight advantage over Stanford. In addition, five Cardinal men are on the sick list.

Coach Walter Powell of Stanford has not yet decided whether he will use Templeton. If he does probably it will be a punting duel between Templeton and Captain Steers, Oregon fullback, who is rated as one of the best punters on the Pacific coast.

SHORT LINE ROAD AWAITS WAGE RULING

CHICAGO, Oct. 29—Six hundred short line railroads throughout the country probably will be affected by the decision of the United States railroad labor board which was expected to end its hearing this week of demands by employes of 97 short line roads for wage increases, it was learned here today.

The shore line employes' demands were similar to those of 2,000,000 other railroad workers recently passed on by the board.

The latter's demands were made when they were working under federal control. Short line roads were under private control.

More than fifty short line roads have gone ahead without waiting on the board and applied the award recently granted other railroad employes to employes of their own roads.

Although there are six hundred short line roads in the country, only employes of 97 have presented their demands. Workers on most of the remaining roads are awaiting the outcome of cases before the board.

DIVORCE COURT ENDS L. A. LOVE TRIANGLE

LOS ANGELES, Oct. 29 — Ending an unusual triangle, Charles I. Collins, was today freed from Maud Lillian Collins, known as the "chattel wife," whom he turned over to George L. Batchelder on May 31 last year on consideration that Batchelder agreed to "support Mrs. Collins for the rest of her days" without molestation from her husband.

In his divorce action yesterday Collins alleged he signed the "agreement" under duress. His suit for separation was not opposed.

On the night following his contract, Collins shot and seriously wounded his rival but was later released when it was shown that the "other man" had broken up his home.

"I tried my best to kill him, but I made a baw job of it " Collins told Judge Crail.

"I certainly did love her and I wanted to kill the man who had taken her from me."

MARRIED 57 YEARS, IS DENIED DIVORCE

SAN FRANCISCO, Oct. 29—Mrs. Dorothy Johnson was refused a divorce today for tme second time in five years from A. P. Johnson.

Infidelity and cruelty were the grounds on which the divorce was asked.

The Johnsons were married in 1863. Their oldest child is aged 54 and the youngest 38. Johnson is aged 85.

The Season's Newest Fashions for Women

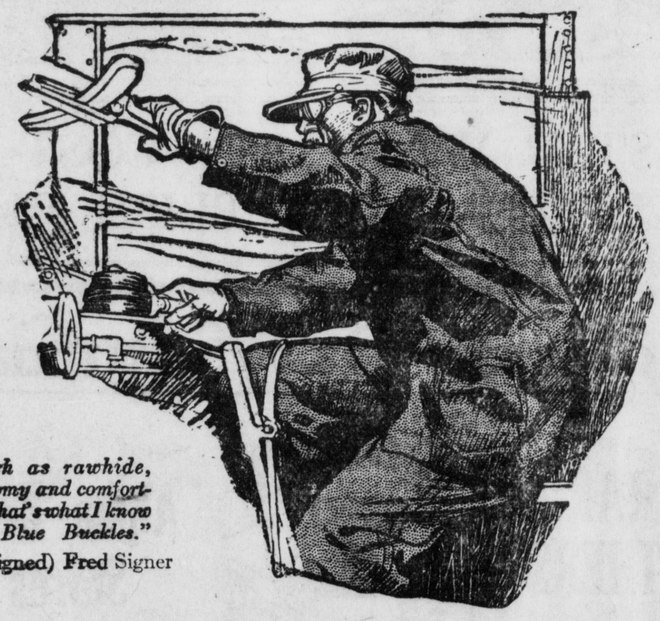

—Ever since the days of Eve women have been more interested in beauty than anything else in the world.

—However, in order to dress beautifully (and in good taste) it is NOT necessary to dress extravagantly. In fact, nothing so well becomes true feminity as simplicity.

—This season particularly, our fashions seem as charming and NAIVE as youth itself.

"Tough as rawhide, big, roomy and comfortable—that's what I know about Blue Buckles."
(Signed) Fred Signer

A mile a minute at the throttle of the 20th Century

And the overalls Fred Signer wears on every run

TWENTY-FIVE years ago Fred Signer was a coal "passer" on the New York Central—today he holds the throttle of the 20th Century. That's Fred Signer's record.

And every time Fred Signer runs the big express *you'll find him in Blue Buckle OverAlls.*

He's found that Blue Buckles stand up under all the rough use they get around a railroad. And millions of other men, whether they are running trains, or working on farms or in the shops, have found that Blue Buckles stand up under every job.

The toughest long-wear denim cloth goes into every pair. Blue Buckle OverAlls and Coats are always big and roomy—and made so they can't rip. You always get solid comfort, long-wear, and all-round satisfaction in Blue Buckles.

All sizes—Men's, Youths', Children's. Ask your dealer about Blue Buckles today.

Eats Candy but Loses Her Fat

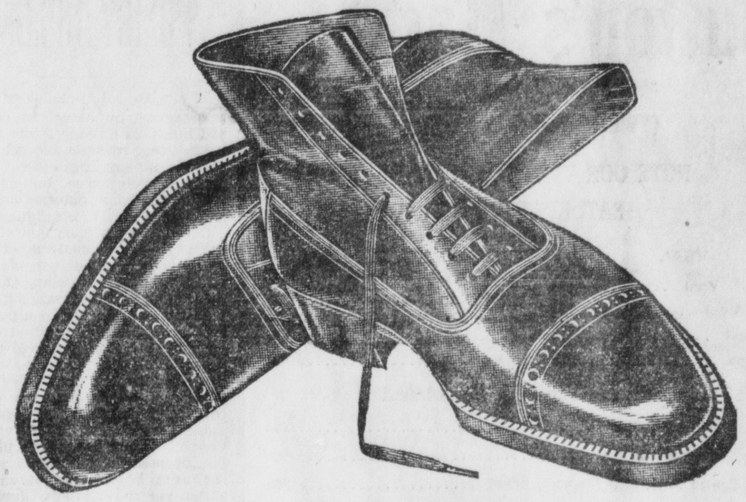

Here's joyful news for every fleshy person who loves good things to eat, especially those who are denying themselves the things they like most because of their desire to keep down their weight or to reduce the fat with which they are already burdened.

There is no further necessity to diet in order to keep your weight down or reduce the fat you have already acquired.

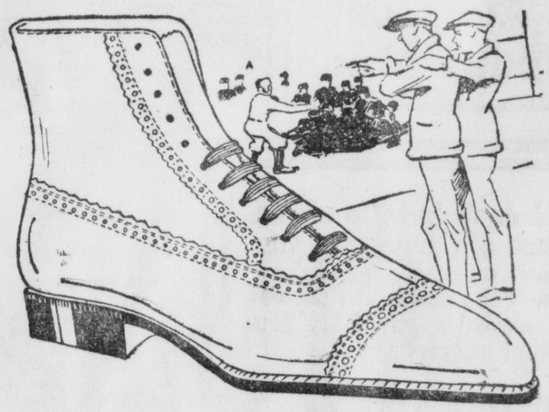

The famous Marmola Prescription has been put up in tablet form, and is now sold by all druggists at one dollar for a good size box. To get rid of fat at the rate of two, three or four pounds a week, just take one of these little tablets after each meal and at bedtime until you have reduced your weight to where you want it. No wrinkles or flabbiness will remain. Use Marmola Prescription Tablets according to directions a few weeks and get results without going through long sieges of tiresome exercise and starvation diet. Get them at any drug store or send the price to the Marmola Co., 93 Garfield Building, Detroit, Mich., and receive them by mail, prepaid, in plain, sealed cover.

AMERICAN CHINESE POLICY DIPLOMATIC

The wise policy followed for two generations by American diplomacy in China has already borne fruit, but its greatest rewards are yet to come. China has been in the chrysalis stage for many centuries, hiding beneath an unpromising exterior an enfoldment of radiant possibilities.

Students of history know what an external thing modern civilization really is. It does not change the essential nature of man, and can be put on, and sloughed off, with a readiness surprising to a person who has never had an opportunity to observe the process. While it has taken thousands of years to develop the thing called civilization the human mind is so versatile that man can learn the main secrets in a few months of study. The nations of Central Africa have been plunged in the deepest barbarism almost since the race of man appeared on the earth, yet they are endowed with sufficient brain power to absorb almost immediately the exterior evidences of civilization, given the proper opportunity. It is said that a young negro barbarian can develop a power in mathematics quite equal to the average white college student. It is well known that the savage tribes of the Philippines have an enormous aptitude for modern music and with a little practice can perform wonders in that delicate art.

The lesson of this is that any division of the human races has only to be given the opportunity of coming into relation with civilization to absorb it readily. That is the hope of the Far East. China boasts a civilization of her own, which is the oldest in the world. Their learned men would not admit that it is in any way inferior in principle to western culture, and in some respects they claim a superiority for it. Now that the ice is broken western ideas and western ways will make headway in China like a prairie fire.

One need only observe the aptitude with which Chinese learn the arts of the west to be assured that progress will be swift, once the barriers of prejudice and custom are removed. This furnishes assurance that the great nation of four hundred million people across the Pacific will quickly become the biggest business and industrial factor with which we have to deal.

America already has a firm foundation to build upon in the friendship always shown for China. That nation knows that we have always been its best friend. In spite of our prohibition of Chinese immigration, which rests upon reasons that they can readily understand.

WOMAN SEES FATHER FIRST TIME IN LIFE

TULARE, Cal., Oct. 29—A father and his 34-year-old daughter looked upon one another for the first time here and are happily reunited today.

Fred Bronon, a butcher in this town, is the parent. The daughter is Mrs. Lora Rodgers, of St. Louis.

Back in the '80's Bronon and his wife separated in St. Louis. A baby came soon afterward. Bronon later heard he was a father but never learned if his child was a boy or a girl.

Recently a Tulare acquaintance of Bronon's went to St. Louis and at Bronon's request, made inquiries concerning the latter's child.

Presently Bronon received a photograph. On it was penned "your daughter."

Mrs. Rogers, who had sought her father since she was 17, hastened here.

Bronon manifested his joy with a gift to her of $300 in twenty dollar gold pieces and a diamond ring.

FINDS MISSING DAUGHTER WORKING AT HIS SIDE

FLINT, Mich., Oct. 28.—A father and a daughter were reunited here today after a separation of thirty years and efforts were being made by the daughter to affect a reconciliation between the parents.

Jack Benjamin, working in a factory here admired the pretty young woman he knew as Mrs. B. C. Diamond. They had been working side by side for a year. One day when she handed him a package to mail for her he noticed that it was addressed to the woman he had divorced thirty years ago.

"Then I recalled our three year old daughter, and sure enough Mrs. Diamond was my little baby," said Benjamin.

GERMAN STUDENTS IN BIG PROTEST STRIKE

BERLIN, Oct. 29—Juvenile political fervor hereabouts was illustrated when more than 300 pupils of one of the city grammar schools "struck" in protest against the election of Dr. Lowenstein, Independent Socialist, as superintendent of the schools of the greater city, under the new all-Red municipal regime of Berlin.

The "striking" boys formed in procession, after the fashion of many adult discontents in Berlin in recent months, and marched through the streets. In passing another grammar school the marchers called upon the pupils there to join in the demonstration. Finding the main entrance locked, the marchers quickly lifted the door from its hinges and proceeded to place the building under seige. Armed military police arrived in time to prevent serious damage to the building.

Heated controversy has started in the press over the election of an Independent Socialist with communistic tendencies as head of Berlin's school system, with the result that parents are taking heated sides for or against Dr. Lowenstein. The worst the newspapers have charged against him is that he is "athiest," Communist, non-pedagogue and Jew," none of them disputing his capacity as an educator.

Parents of children in a west end school have formed a soviet and have given notice of a "strike" saying they will not send their children to the public schools while a "Red Superintendent" holds office.

Enclosed cars, day or night, city or country trips. Crown Stage Co. Phone 925.

LITTLE—ACCOMPLISH MUCH

YOU don't have to use as much of Calumet as you do of most other Baking Powders. Because it has more than the ordinary leavening strength. You save about half on its use.

You don't have to pay a big price for Calumet. It's sold at a moderate price. It always has been. And that represents another saving.

You don't have to feel uncertain as to results. Bakings never fail—because Calumet never falls below the proven standard of "Best by Test."

It possesses the highest quality ever put into a Baking Powder. Contains only such ingredients as have been officially endorsed by United States Food Authorities.

For weeks, for months it keeps as fresh and full of strength as the day it left the Calumet Factories, the World's Largest, most Sanitary and Modern Baking Powder plants.

Every spoonful of every can is the same—pure and dependable. Try it.

A pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. cans instead of 16 oz. cans. Be sure you get a pound when you want it.

Calumet Gold Cake Recipe

Yolks of 8 eggs, 1¼ cups of granulated sugar, ⅔ cup of water, ½ cup of butter, 2½ cups pastry flour, 3 level teaspoons Calumet Baking Powder, 1 tablespoon of vanilla. Then mix in regular way.

BANK BANDITS WAKE CASHIER FOR KEYS

TOLEDO, Ohio, Oct. 29.—Five bandits forced the cashier of the bank at Alvordton, Ohio, to get out of bed, unlock the safe and turn over to them $3500 in cash and $500 in bonds. They gave first aid to his wife who fainted when they forced entrance to the home.

CO-ED LOSES APPAREL.

REDLANDS, Oct. 29.—The excitement "Up in Mabel's Room" had nothing on that in the room of a fair co-ed at the University of Redlands when she discovered that some of her wearing apparel had been stolen from a clothes line adjoining Bekins Hall. Her report to the police say that the missing articles include three pieces and one suit of underwear, one middy and one petticoat. The officers have little hope of locating the stolen articles.

HUNTINGTON BEACH OUTLOOK BRIGHTENS

HUNTINGTON BEACH, Oct. 29.—With the announcement that the Standard Oil Co. intends to run ten strings of tools in this field development operations are moving fast.

The Standard has two producing wells and five wells drilling.

The Union Oil company made a big run at Newland No. 1 by drilling 2300 feet of hole in three weeks.

The Amalgamated Oil Co. got into the field last week and is building a rig on property adjoining the Texcal. The Texcal started drilling early in the week and has 200 feet of hole.

The Mid-Central Oil company drilled 100 feet of hole and ran into soft sand that is filling up the well as fast as it can be bailed out.

The Long Beach Gas & Oil Co. started drilling some little time ago and has some 450 feet of hole made. The Vista Del Mar is ready to spud in and commence drilling.

DOG GUARDING DEAD MATE BLOCKS STREET

NEW YORK, Oct. 29.—The sight of a big, nondescript dog, standing at bay and moaning over the mangled body of a small fox terrier that had been run over by an automobile at Broadway at 148th street, caused a traffic blockade at that point that lasted 3 hours. A thousand or more persons assembled and it was necessary to call police reserves to clear the street.

The two were playing together yesterday in the street when the accident occurred. The big dog, seeming to misunderstand what had happened, licked the little dog's face and whined over her. Then, with difficulty, he picked her up in his teeth and carried her to a grass plot in the middle of the street, where he mounted guard over the body, snapping angrily at all who approached.

Patrolman Wall, breaking through the crowd with difficulty, was about to end the life of the mourner with his revolver when a woman grasped his arm and begged that the dog be given to her instead.

The request was granted, but the big dog broke away from her and followed the motor truck which removed the body of his dead companion. About half an hour later, as if to announce the tragedy, he appeared at the O'Rourke home, which was also his chum's home. The children, grief stricken for their pet, took him in and stated defiantly that "they'd like to see anybody" take him away from them.

Give Halloween Party

A happy time was spent by a few friends last evening at the home of Mr. and Mrs. Charles Carlson on West Pine street, where a party was held in a delightful Halloween setting. Dancing, cards and games were enjoyed to a late hour. Then the hostess showed her ability as an entertainer by serving refreshments on tables trimmed in true Halloween style.

Little plates decorated with pumpkin faces, with napkins to match, yellow nut-cups with black owls as handles, and all the other fixings made the supper of doughnuts, Costa Mesa cider, hot coffee, delicious salads served in orange cups, and nuts all the more tempting and enjoyable. The home-going time came all too soon.

* * *

O'Rear Family Honored

Mrs. C. W. McNaught, Mrs. A. M. Lacy and Misses Carolyn Haughton and Hester Covington, delightfully entertained a number of the older members of the Spurgeon Memorial Methodist church at the latter's home, 210 South Birch street, Wednesday afternoon as a farewell courtesy for Mrs. A. T. O'Rear, and her mother, Mrs. A. E. Parsons, who are soon to leave for Oakland to live.

The afternoon was enjoyably spent by the ladies in tacking a comfort, which they finished and presented to Mrs. O'Rear. Refreshments were served by the hostesses.

Wednesday evening younger members of the church, the men being included, were present to spend an enjoyable evening at the Covington home, the Rev. O'Rear and his family being the honor guests at this affair.

WOMAN SUES WHEN HIT BY LIMBURGER

KANSAS CITY, Oct. 29.—Two grocery men are defendants, a woman, who planned to start a rival grocery, is plaintiff and a limburger cheese is strong evidence in a suit for $75,550 damages filed in the circuit court. According to petition of Mrs. Ernie Adams, plaintiff, she went to the nearby grocery store of John C. Schmidt and his son, Charles W. Schmidt, and there purchased a limburger cheese. Walking home with the cheese, Mrs. Adams said she opened it only to find it so old it had lost its natural and normal solidity. She found the cheese "very objectionable and sensitive to the smell," she specifies.

Then Mrs. Adams sought to return it, she says, handing it back to Mr. Schmidt and telling him to take back his cheese, whereupon, her petition states, without cause or provocation, unlawfully, wickedly and viciously, the defendant did seize the cheese and hurl it at the plaintiff's head. Mrs. Adams says the cheese struck her with great force on the head, filling her eyes and hair covering her clothes, neck and shoulders and creating a great and sickening stench."

EXPLOSION WRECKS NEW VISALIA HOTEL

VISALIA, Oct. 29.—Three men were badly injured, one probably fatally, and an annex to the Hotel Johnson was completely destroyed when an oil tank at the rear of the hotel exploded here. All three of the men who were working in the concrete oil tank at the time of the explosion are in the Visalia Hospital and J. A. Ecklad, 18, the youngest, is not expected to live. Engineer William Hoxie of the Hotel Johnson, and Frank Knoble, a drayman, were severely burned, and it is thought they will recover.

So severe was the explosion that the men were buried.

ARREST SUSPECT IN DEATH THREAT CASE

EL CENTRO, Oct. 29.—Charles Duncker, alleged I. W. W. and suspected of being a German spy during the war, is under arrest on suspicion of having been the author of a letter threatening death received Tuesday by Capt. Peter Krone, secretary of the Cotton Growers' association. Duncker was arrested by Captain Krone after considerable quiet investigation and is being held subject to the disposal of the city, state and federal authorities.

The man is believed to have entered the United States as a Mexican with cotton pickers. He has the appearance of a Mexican, speaks the Spanish language fluently, and is said to have resided in Mexico during the war, being active among the laboring classes along the border.

Duncker is also suspected of having been the author of a blackhand letter recently received by Police Chief Dave Matlock of this city.

ARIZONA PLANS TO RESTORE MISSIONS

NOGALES, Oct. 29.—With the view of making Nogales a tourist center, four well-known authorities on missions are planning development of the old Spanish missions of Arizona in conjunction with those of Northern Mexico, together with a tourist highway covering the Santa Cruz Mission Trail.

The party to visit Sonora will include Dean Cummings of the University of Arizona; Frank Pinkley, custodian of Tumacacori Mission; Justad Jaastad, architect specialist on the mission's restoration, and Prentice Duell.

Pinkley recently conferred with the Nogales Chamber of Commerce relative to restoring the Tamacacori Mission and beautifying the fifteen-acre government park surrounding the ancient structure. He also outlined the possibilities of establishing a tourist trail to cover the missions of Arizona and the Santa Cruz district, linked wwith the old specimens of missions in Sonora.

WM. WEIGEL, of Seattle, who says he had no idea anything on earth could do for him what Tanlac has done. Declares he has gained 30 pounds and that his health has been completely restored.

"I had no idea that anything on earth could do for me what Tanlac has done, and I just feel like telling everybody I see about this wonderful medicine," said Wm. Weigel, 2602 Third Ave., Seattle, Wash., with the widely-known New Washington Hotel.

"When I began taking Tanlac," continued Mr. Weigel, "my condition was so rundown that I could not work. I was never hungry, and my stomach was so disordered that the little I forced myself to eat disagreed with me. My kidneys bothered me, and the pains across my back were so severe that when I tried to bend over and straighten up again it would nearly kill me. I had splitting headaches and such dizzy spells at times I would almost topple over. Then to make matters worse, I began to suffer with rheumatism in my legs. I was nervous, weak and listless, was rapidly losing weight and strength and seemed to be going down hill every day.

"I began to improve after the first few doses of Tanlac. I seemed to feel better each day as I continued the treatment. In a few weeks I was like a brand-new man. Now, I have a big appetite, eat anything I want, enjoy every mouthful and I don't suffer in the least afterwards. I sleep like a child every night and feel just fine on arising in the morning. I haven't a pain about me, my strength has been wonderfully increased and I have actually gained thirty pounds.

"If anybody doubts this statement, just tell them to see me and I will give them the names of some of my friends who will verify every word of it."

Tanlac is sold in Santa Ana by Rowley Drug Co., Heying Pharmacy, Anaheim, and the leading druggists in every town.

Southern California

CELEBRATE GOLDEN WEDDING.

PASADENA, Oct. 29.—Mr. and Mrs. W. M. Spaulding of Worcester, Mass., celebrated their golden wedding anniversary at the Hotel Maryland, where they are regular winter guests. Mr. Spaulding is president of the Graton & Knight Manufacturing Company of Worcester, one of the largest leather belting concerns in the world. E. A. Aldrich, Pacific representative of that concern, appeared at the hotel with a beautiful loving cup, presented to the couple by Mr. Spaulding's coworkers. They were also the recipients of many beautiful floral tributes from friends among the winter colony here.

WARN TRUCK DRIVERS.

REDLANDS, Oct. 29.—City police have been instructed to keep a check of truck drivers coming into Redlands with overloaded trucks, and violating any city ordinances in the matter of parking and unloading in the business districts. Recently there have been many complaints of big trucks backing up to curbs and blocking traffic on business streets, and in some cases the drivers have been careless and backed into ornamental light posts and curbs. This week one truck broke three light globes and the company will have to pay $18 for the carelessness.

JUDGE SCORES JURY.

EL CENTRO, Oct. 29.—The jury which heard the trial of A. L. Woodland, charged with a statutory offense against his daughter, reported to Judge Pat R. Parker that a disagreement has resulted. On agreement by both district attorney and counsel for the defendant the jury was dismissed and retrial set for December 15.

CONTINUE COUNTY SURVEYS.

POMONA, Oct. 29.—To confer with City Engineer C. E. Bayley on preliminary plans for a continuation of a survey now being made jointly by the Los Angeles and San Bernardino county authorities of the line between the two, County Surveyor J. E. Rockhold of Los Angeles county was a visitor in this city. The survey of the northern part of the county was recently completed. The survey is now to be continued southward. As the line includes the eastern limits of Pomona, Mr. Rockhold plans to send a man to the city engineer's office to make sketches and notes preliminary to the survey.

MONTANA CANDIDATE INJURED IN CRASH

BUTTE, Mont., Oct. 29.—B. K. Wheeler, Democratic nominee for governor of Montana, had a narrow escape from death when the automobile in which he was riding jumped the road and rurned over three times.

Wheeler sustained three broken ribs and bad bruises. None of the other occupants of the machine was injured.

"DANDERINE"

Girls! Save Your Hair! Make It Abundant!

Immediately after a "Danderine" massage, your hair takes on new life, lustre and wondrous beauty, appearing twice as heavy and plentiful, because each hair seems to fluff and thicken. Don't let your hair stay lifeless, colorless, plain or scraggy. You, too, want lots of long, strong, beautiful hair.

A 35-cent bottle of delightful "danderine" freshens your scalp, checks dandruff and falling hair. This stimulating "beauty-tonic" gives to thin, dull, fading hair that youthful brightness and abundant thickness.—All druggists.—Adv.

SECURITIES REACH RECORD HIGH MARK

SAN FRANCISCO, Oct. 29.—The billion-dollar mark for public utility securities authorized by the California State Railroad commission since March 23, 1912, was passed in the fiscal year ending June 30, 1920, the commission has announced. On June 30 the total was $1,001,521,016, out of the applications aggregating $1,132,263,977. In the eight-year period $79,804,667 securities for which authorization was sought were denied and applications totaling $50,938,294 dismissed.

Of the securities issued $398,645,495 were for gas and electric companies; $324,666,014 for steam railroads; $100,009,393 for water companies; $86,461,382 for electric railways, and $59,753,433 for pipe line companies.

During the fiscal year ending June 30, 1920, applications totaling $91,038,485 were granted.

JUDGE OPPONENT OF SPOONING IN AUTO

NEW YORK, Oct. 29.—Driving an automobile, with one arm about a girl, is reckless, according to a decision in the Brooklyn traffic courts. Magistrate Steers fined William Tandet, son of Dr. Nathan Tandet of Bedford avenue, $25 for the offense.

The complainant was Miss Rae Salevitz, of 26 Monteith street, who lost an eye in Tandet's machine. Miss Salevitz said she met Tandet on September 14 at a dance and that in an auto ride the same night, Tandet drove with his arm about her. At King's Highway and Ocean Parkway the car crashed into a tree.

Night school at O. C. Bus. College.

Blames Ouija Board and Bridge For Insanity Among Women

SAN FRANCISCO, Oct. 29 — "Ouijamania"—that strange malady that affected so many devotees of the ouija board recently—is curable, declares Dr. A. W. Hoisholt, of the Napa State hospital.

The alienist, in an address here, revealed that of 159 women admitted to the Napa hospital last year, six and one-fourth per cent were found to have used the ouija board to excess. Women, he says, are more susceptible than men.

"The lamentable aspect of the disease is that it is contagious and quite unnecesary," he said. "I would advise strongly against intensive occupation in the use of the ouija board. There has been a check in the wave of ouija board insanity that was reported last year. It may be attributed to the scare occasioned by articles published in the newspapers."

Another occupation responsible for nervous diseases among highly strung women is bridge, said the physician.

FRUIT EXCHANGE COMBINE.

IVERSIDE, Oct. 29.—The annual report of the Arlington Heights and the Riverside fruit exchanges show that 829,175 boxes of oranges and lemons were shipped during the fiscal year. The total net returns f. o. b. California were $3,039,161.65. Of this fruit, 94,000 boxes were lemons. It cost 6 cents a box to market the oranges and 6½ cents to market the lemons. Advertising cost for lemons was 6 cents a box, while oranges cost 2½ cents. The Riverside Fruit Exchange and the Arlington Heights Fruit Exchange have consolidated under the old management. Secretary H. A. Lynn made the report.

'JAY-WALKING' CAUSE OF ACCIDENT, CLAIM

LOS ANGELES, Oct. 29.—While crossing Broadway at Second street Mrs. Ida McGaffey was knocked down by an automobile driven by Milo A. Bergh of 1435 McCadden street and was probably fatally injured. She was treated at the Receiving hospital for a basal fracture of the skull.

After an investigation, Detectives William and Ballestero decided that the accident was unavoidable. They said that, according to witnesses, the woman ran from the east side of Broadway in front of a street car that was turning into Broadway, and rushed directly into the path of the automobile which was southbound. She was pinned beneath the machine. Passers-by rushed to her and lifted the car from her body, while others extricated her.

FOUR NATIONS SEEK LEAGUE MEMBERSHIP

BRUSSELS, Oct. 29.—The Council of the League of Nations closed its sessions in Brussels, after referring the question of Danzig, the regulations concerning which are in dispute between Poland and the authorities of the free city, to the assembly of the League which is to meet at Geneva next month.

The council took other important action in deciding upon a plebiscite as to the disposition of the territory in dispute between Poland and Lithuania, this including the line fixed by the Supreme Council in December, 1919.

A. J. Balfour, the British representative, in making the closing address, declared that four more great powers would become members of the league shortly.

SNOW AT CLINTON, IOWA

CLINTON, Iowa, Oct. 29.—A light snow, first of the season here, fell during a period of about twenty minutes yesterday.

HIS EDUCATION WAS TERRIBLY NEGLECTED

SEATTLE, Wash., Oct. 29—Here's a man who has never seen a football game, nor a man and girl dancing together.

His name is Beni Medhay Misra and he has just arrived here from India to study journalism at the University of Washington.

Beni is a graduate of the University at Allahabad and was also graduated from Channing college Lucknow.

"FREEZONE"

Lift Off Corns! No Pain!

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Truly!

Your druggist sells a tiny bottle of Freezone for a few cents, sufficient to remove every hard corn, soft corn or corn between the toes, and the calluses, without soreness or irritation.—Adv.

JUNIOR COLLEGE GRIDSTERS WIN FROM CHAFFEE

The Junior college football men were a step nearer the Junior college league championship today as a result of a 21-to-0 defeat administered by them to Chaffee Junior college here yesterday afternoon.

The game was characterized throughout with spurts of brilliant playing interspersed with an occasional fumble. The first touchdown for Santa Ana was made as the result of a long pass whichc floated around in the air for awhile before being grabbed by a Santa Ana player and deposited within a few inches of the goal line. The ball was bucked over in two downs.

Another touchdown was made during the second quarter on a long forward pass which was caught over the line.

The final score was made in the last quarter on a series of line bucks and plunges which were in many instances highly spectacular.

Tyrell at fullback for the locals was a whirlwind at going through the line, and accounted for a good many yards for the Santa Ana team. Trago, at right half, was also on the job and tore through the Chaffee line like a college veteran. The open field running of Don Jayne was another feature of the game. Jerome, at quarter, showed head work and did his part in gaining ground.

The local line was heavier than the up-country aggregation and opened holes in the Chaffee team that were closed only by quick action on the part of the secondary defense. Trick plays and long end around plays by Chaffee were promptly disrupted by the Santa Ana ends.

The Junior college team will meet San Diego in the southern city next week. Local boys are expecting a hard fight when they meet this aggregation.

IS ASKING DIVORCE AFTER THREE MONTHS

MONTESANO, Wash., Oct. 29 — James Edwards was married only three months ago, but he already is suing for a divorce.

Marriage didn't prevent a former sweetheart from making love to his wife, Edwards avers, adding that his spouse helped promote a clandestine courtship.

GUARDS ARE TO BE ESCORT OF GOVERNOR

Company F, National Guards, of Santa Ana, will have a part in the demonstration to be staged in Santa Ana on November 6 during the recruiting campaign for sailors for the battleship California.

On that day Governor William D. Stephens and a recruiting party will arrive in Santa Ana. They will leave the Santa Fe depot at 8:30 o'clock, and will parade to Birch Park, where the needs of the state in reference to the battleship named after this state will be presented by the Governor and other speakers.

The national guardsmen will furnish the escort for the Governor. Officers of the company said today that there would be at least twenty men in line. Under the rules and regulations an official escort consists of twenty or more men.

A naval band will furnish music for the parade. Local recruiting headquarters for the navy are making preparations for the arrival of the Governor's party.

COPENHAGEN TO SEEK LOAN IN NEW YORK

COPENHAGEN, Oct. 29—The Finance Minister informed the Parliamentary Financial Committee that he intends to submit a proposal to raise a loan with the National City Bank of New York in the United States for $25,000,000, nominal interest being at 8 per cent and effective interest 9.24 per cent.

The loan to be repaid in twenty-five years, the first installment to be paid after five years.

MEXICANS PLAN OIL FIELD AIR SERVICE

TAMPICO, Mex., Oct. 29—Compania Automotriz Mexicana of the City of Mexico is making arrangements for the establishment of a regular hydroplane service between Tampico, Tuxpan and Vera Cruz. It is planned to carry mail and passengers and to make daily round trips between Tampico and Vera Cruz, with stops at Tuxpan en route.

Noted Bible Worker To Help Evangelist In Revival In S. A.

Mrs. Albert C. Fisher

Mrs. Albert C. Fisher, wife and coworker of the evangelist beginning a revival campaign at the First Methodist church, Sunday, is a church worker of note. She has charge of the work among girls and young people, and wherever she has gone, has given eminent satisfaction.

Mrs. Fisher is a trained Bible student, and a fascinating teacher and speaker. She holds afternoon meetings for high school students and young folks. Fred McCleskey is also a drawing card with students and young people. He is an especially strong song leader and personal worker.

Evangelist Fisher and his team of workers will arrive in Santa Ana tomorrow, and will take charge of the regular services in the First Methodist church, Sunday morning and evening. There will be meetings every evening except Saturday, during the three weeks' campaign.

REPAIR CALIPATRIA STREETS.

CALIPATRIA, Oct. 29.—The town trustees have been instrumental in getting the two main streets worked over with scrapers and drags.

For lower rents and food a-plenty, Vote YES, Amendment Number Twenty. —Advertisement.

RINGING APPEAL FOR AMENDMENT NO. 12 MADE BY CHARLES MARTIN

That the whole question before the people so far as Amendment No. 12 is concerned is a question of a "crying need and the only possible remedy" is declared by Charles E. Martin, son of E. C. Martin of 1176 East Chester avenue, Santa Ana. Martin, a graduate of Santa Ana high school and the University of California is now chairman of the Department of Political Science in the Southern Branch of the University of California. Martin was here yesterday visiting his home.

"One situation stands out in bold face letters," declared Martin, "and that situation is this:

"California's state university today is almost helpless. Its hands are tied. Thousands of pupils are not getting nearly as much out of the university as they ought for their time and expense. Hundreds upon hundreds are refused admission to classes. The situation is a disgrace to California.

The present method of providing financial support for the university is a rank failure; that is true on the face of it.

Failure to Continue?

"Is the present failure, which has placed our state university in an outrageous situation, to be continued?

"The adoption of Amendment No. 12 will give the university a stable source of income. The needs of the university will not then have to be weighed against the political pull of every assemblyman and every state senator in the state. Getting the state university out of politics ought to be worth something to the people of this great state.

"There has been a cry raised to the effect that this amendment will take the taxation off the corporations. Who really pays the taxes paid to the state by the corporations, anyhow? The people. Increased taxation rates on public service corporations only result in increased public service rates, authorized by the state railroad commission.

Up To Public

"The burden of taxes paid to the state by public service corporations is ultimately placed on the consuming public. Why not, then, pay our taxes directly to the university, to which we want them to go, rather than to the corporations, who will pay it to the state, which through the legislature and state board of control may decide to cut the university appropriation to the bone so that there will be money for some other purposes."

CITY OF BREA PLANS TO BUY WATER PLANT

The Brea Townsite company, which sells water for domestic use in the city of Brea, Orange county, has asked the Railroad Commission to be relieved of its obligation as a public service corporation. The company has entered into an agreement to sell its plant to the city of Brea for $37,500. Authority to make the sale and transfer its property is also asked of the commission.

HIGH WAGES BEING PAID MOONSHINERS

PRESTONBURG, Ky., Oct. 29 — So high are the wages that men are willing to take a chance on arrest and work for the manufacturers of moonshine. Jack Patrick, arrested while making whiskey, says he is not a moonshiner in the true sense of the word but was merely working for a moonshiner, and there are a lot of fellows who are following moonshining just as a trade.

ATTORNEY TELLS WHAT YES ON NO. 1 MEANS

"Many people seem to be confused as to Amendment No. 1," said Attorney A. E. Koepsel today. "That is, they do not know how to vote their sentiments.

"If a person votes yes on that amendment he will vote in favor of further restriction of land-holding by Japanese. He will vote to make it impossible for Japanese to lease land. He will vote to prevent Japanese acting as guardians for their children born in this country from holding land.

"If he votes no, he will be voting in favor of allowing the restrictions on Japanese as to land-holding to remain as they now are."

TYPEWRITING SPEED RECORD SHATTERED

NEW YORK, Oct. 29—The speed typewriting championship of the United States and Canada was won here by George L. Hossfeld of Paterson, N. J., who typed approximately 131 words a minute for sixty consecutive minutes. The contest featurede the opening of the seventeenth national business show.

Margaret B owen, four times title winner, was second with 128 and William F. Oswald, last year's winner, third, with 127.

VOTE NO!

ON THE

COMMUNITY PROPERTY LAW—AMENDMENT NO. 13

---The Banks of Santa Ana are now carrying not less than 4,000 people on unsecured notes. In the event the Community Property Law should pass, all of these notes would have to bear the wife's signature, or be secured, and in our opinion not less than 2,000 of these would not be able within themselves to give the required security, thus compelling the payment of the notes.

---The passage of the Act would thus mean that 2,000 of our citizens, who now obtain credit to earn a livelihood, could not obtain the necessary credit.

---We cannot believe that the people of this vicinity would knowingly deprive these people of their rights. The passage of this Act would not reduce the Banks' incomes, as the proponents of the Act would have you believe, for their money can be loaned elsewhere, but it does vitally affect the pleasant relationship now existing between the Banks and their customers.

Outbursts of Everett True

DEMOCRATIC COLUMN

The Orange County Democratic Central Committee Edits this Column and is Responsible for All Matter Published In It.

A CHALLENGE

With the appearance of last night's Register, a very interesting controversy has been started. The question is, which is authoritative—The Santa Ana Register, or the Congressional Record?

This column stated that when Cox was in Congress he spoke and voted for a Tariff on Lemons. Now it is just as easy for the Register to look up facts of the matter in the Congressional Record as it is for anyone else. The pages of the Record are open to all. We challenge the Register to print what Congressman James M. Cox said in the House of Representatives in regard to a lemon tariff, and how he voted on the measure.

In lieu of the Register printing this information, we will leave it to the voters of Orange county to decide which is the better authority—the Santa Ana Register—or the Congressional Record!

THE DAILY COMEDY

Did not Senator Harding's befuddlement of thought and language present such good comedy that no one takes it seriously anyway, his utterances would certainly be classed as an insult to the intelligence of any average voter. Here is what Senator Harding, the modern "Oracle of Delphi" stated yesterday in the Los Angeles Examiner regarding his position on the League.

Anyone failing to crack a smile will be entitled to vote the Republican ticket:

CLEVELAND, Oct. 27.—Senator Harding declared his stand on the League issue had been consistent from the start and that the "only change of position I've taken is in the imagination of those who do not know what they want to do."

"Do you stand with Senator Johnson or with Mr. Taft?" asked a man in the crowd.

"I'm happy to answer that question," replied the Senator. "I've just been telling you of my belief in representative government. As a candidate for President I don't ask Senator Johnson to agree with me. That's the thing I'm rebelling against. And I don't ask Mr. Taft to agree with me. But I do think I've made one contribution to America. I've certainly brought Mr. Johnson and Mr. Taft closer together than they ever were in their lives before."

COX'S LOS ANGELES SPEECH

The Register declared that the facts presented in this column were "discredited," by the "claim that Governor Cox will support and help to secure a protective tariff on lemons."

The editor of the Register casts doubt upon the accuracy of our quotation of Governor Cox's speech in Los Angeles September 22, 1920, saying that he favored a lemon tariff which not only compensated the differences between the cost of lemon production in California and in Italy, but also equalized the freight rates between the two places. That Governor Cox did say this can be proved by printed newspaper reports and the testimony of hundreds of people who heard him, including many Santa Anans.

He could have turned to his files and very quickly descovered what was said. As it is his news columns are practically blank on the subject, thus leaving not only the Orange county voters, but also himself in doubt as to the position on this question emphatically made plain and definite by Governor Cox during his California tour.

"Ye gods!" cries the Register, (emulating the people who, when first seeing an aeroplane actually take to the air and fly, resolutely turned their backs and said, "It can't be done.") "Is it possible, the Democratic County Central Committee thinks it can make anybody believe that Cox would, if he could, or could if he would, do anything of the kind?"

COX VOTES FOR LEMON TARIFF

We refer the Register to the Congressional Record as to show that Cox actually spoke and voted for the lemon tariff.

We further respectfully suggest that the Register can easily discover from the Los Angeles papers just what Governor Cox did say. We challenge the Register to obtain this information, and to print ALL that Cox said on the lemon question in as prominent a position as it gave to the slur cast yesterday upon the integrity of this column.

We also refer the Register to Senator Phelan's record which shows how strongly he advocated the lemon tariff, which was defeated by twenty-nine Republican votes. We refer them to the record of Congressman William Kettner, who vigorously fought for a lemon tariff until it was refused by Republican votes.

WOULD CENSOR CONGRESSIONAL RECORD

The writer of the Register editorial yesterday also stated that he feared our statements had not been "passed by the censor." We respectfully beg to inform the writer that he apparently is referring to the wrong party. The Democratic campaign is not being run on the principle of censoring and suppressing the facts in order to befog the minds of the voter. All we ask is a hearing to present the Democratic facts, and unable to do so in any other way, despite the fact that Republican propaganda is printed as "news," we are willing to pay money into the coffers of a Republican paper for advertising in order to get the facts before the people of Orange county.

HOOVER AND THE BEANS

Now as to the question of the Collapse of the Bean Market in 1918, we will ask the Register to state whether or not a certain distinguished Republican hailing from this state did or did not buy up and import the Japanese crop of beans in 1918, thus causing the Bean Collapse; and whether the stump speakers of Senator Hiram Johnson did not attack this man, none other than Herbert Hoover, Johnson's opponent in the Republican primary last May, for doing this very thing.

Who caused the Bean Collapse, let us ask, if it was not that staunch Republican, Mr. Hoover, who breakfasted with Senator Harding and is supporting him warmly?

HARDING'S ONE DOLLAR WHEAT

Very lamely the Register attempts to explain away Harding's opposition to the Farmer, and his advocacy of One Dollar Wheat by quoting from Harding's speeches made "many years ago" and "comparing his utterances with those of Cox during the present campaign."

Harding's utterances were dated, in this column, and the "many years" which the Register alleged have elapsed since Harding made the mistake of attempting to crush the farmer with One Dollar Wheat and destroy his Mutual Associations, consist of just three years. Harding's anti-Farmer speeches were made in 1917. The farmers were guaranteed $2.25 as a fair price.

Has Harding reversed his enmity for the farmer during these three years We printed Cox's record, including his record in Congress more than ten years ago, and his record in aiding the Farmer and Farm Conditions during his term as Governor of Ohio from 1912 to 1920.

We stated that his present position in regard to the Farmer, and to the lemon? During the last two years there has been a Republican majority compared his record to Harding's record for One Dollar Wheat and his opposition to Mutual Associations.

Those statements were not opinion. They are black and white facts, printed and preserved in the Congressional Record, and not even the Santa Ana Register can deny them.

And, we might add, what has the Republican Party ever done for the lemon During the last two years there has been a Republican majority in Congress. Has it passed a lemon tariff? It has not. Has it acted on the advice of the Non-Partisan Tariff Commission and equalized the difference between the cost and transportation of Sivilian and California lemons? It has not.

What did Senator Harding do in Congress for a Demon Tariff? Exactly nothing at all!

No, the Republican party has done during the last two years for the lemon exactly what it did for it during the 16 consecutive years it was in power from 1896 to 1912, which is to say that it did nothing. Cox will put a tariff on lemons. You have his record and his word.

COX AND PHELAN ARE THE FRIENDS OF THE ORANGE COUNTY CITRUS GROWERS WHO DEMAND AND NEED A TARIFF ON LEMONS. COX AND PHELAN HAVE ALREADY DEMONSTRATED IN CONGRESS WHERE THEY STAND. THEY HAVE NOT HEDGED ON THIS OR ANY OTHER ISSUES. VOTE FOR THEM AND INSURE YOURSELVES OF SAFETY AND PROTECTION.

U. S. LETS CONTRACT FOR HARBOR DREDGING

SAN DIEGO, Oct. 29—The bid of the United Dredging Company of Los Angeles and New York to dredge 2,700,000 cubic yards of material from the harbor at 20.21 cents per cubic yard has been accepted by the Government Bureau of Docks and Yards, according to announcement at the office of the Navy public works officer here.

The aggregate of this contract involves $545,670. Bids were opened at the public works office here and at Washington last Wednesday.

The work is to be done in front of the site of the Marine Corps base and the proposed naval training station, and will be begun about November 1.

OSAGE INDIANS GETTING RICH

Every time the big old family clock ticks, $1.11 2-3 is dropped into the treasury of the Osage Indians—the richest tribe of people on earth, by the oil producer who is developing the oil resources of the Osage reservation.

That was the income rate of the enormously wealthy tribe for the first six months of 1920, according to the latest authentic figures as compiled by the Osage Indian agency at Pawhuska—$1.11 2-3 a second. A statistician has figured that the income of John D. Rockefeller, the world's wealthiest individual, has been at the rate of 50 cents a second for every second since his birth. The income for the Osage Indians has not approached Rockefeller's income for the length of time involved, but it is perhaps on a parity with it at the present time.

Income of the Osages for the past six months was $11,000,015.46 or $97,684 daily, which, divided among the 2,229 units of the tribe, would give each unit $42.82 daily. Approximately 450 of the 2,220 units are divided up among numerous heirs of former owners of these units, but 1,779 units, constituting the remainder, are undivided. The present rate of distribution of funds by the United States government is about $5,000 annually, so it is seen that a small amount of the total income is turned over to the beneficiaries. Is it any wonder that the streets of Pawhuska are lined with costly and flashily painted motor cars that thrill the sightseer?

The income of the tribe first started on a large scale in 1905, for in that year, the gross production of the county jumped to 1,868,260 barrels, compared with 90,805 in 1904. From June 30, 1901, to the end of 1904, the income was practically nothing, but despite this fact, income for the last twenty years, from June 30, 1901, until June 30, 1920, has averaged $6,976 daily.

WOMAN CANDIDATE IN DISPUTE WITH FLYERS

LONDON, Oct. 29 — Miss Jessie Stephen, once a domestic servant, now a Labor Councillor of the Borough of Bermondsey and prospective Labor candidate for Parliament at the next general election, is engaged in a fierce battle with the Royal Air Force.

At a recent meeting of the Bermondsey Council, which refused to permit Royal Air Force recruiting posters to be hung in borough offices Miss Stephens declared:

"The government can surely find better work for unemployed men than teaching them how to bomb defenseless women and children."

This pronouncement of radical Miss Stephen was immediately challenged by members of the Air Force who, calling themselves "a few snubbed but proud airmen," issued a proclamation declaring:

"Allow us to state that we are being taught to defend defenseless women and children. We kindly remind Miss Jessie Stephens of Major James Byford McCudden, V. C.; Lieut Leefe-Robinson, V. C.; Lieut. Warneford, V. C., and many other gallant airmen who died defending England's 'defenseless' women and children."

MEXICO WILL RESIST FOREIGNER'S CLAIMS

MEXICO CITY, Oct. 29—Indicating that Mexico will resist the payment of many claims of foreigners for losses because of revolutions and other conditions in the republic and declaring that Mexico will become another Belgium before submitting to trampling by other nations, Assistant Secretary of State Hildago answered a statement made by Senator Fall of New Mexico.

Senator Fall's declaration that Mexico's responsibility to foreigners suffering in revolutions would have a bearing on recognition of the republic by the United States stirred the Assistant Secretary of State to debate with the Senator from New Mexico.

GETS BIRTH NEWS WHILE UNDER SEA

NEW YORK, Oct. 29.—Frederick W. Whitehead, chief mechanic's mate of the United States submarine S-5, returned to his home in Brooklyn, in response to a wireless message which was conveyed to him while he was engaged in divers' work on the sunken hull of his ship. The message read: "Come to Flatbush."

On arrival Whitehead received the information that his wife on Friday had given birtn to a baby girl. He said the wireless message received on the ships engaged in raising the 8-5 was relayed to him by telephone attached to his diver's suit.

STOMACH TROUBLES ARE DUE TO ACIDITY

Tells Safe, Certain, Speedy Relief for Acid Indigestion.

So-called stomach troubles, such as indigestion, gas, sourness, stomach-ache and inability to retain food are in probably nine cases out of ten, simply evidence that excessive secretion of acid is taking place in the stomach, causing the formation of gas and acid indigestion.

Gas distends the stomach and causes that full, oppressive, burning feeling sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the excess development or secretion of acid.

To stop or prevent this souring of the food contents of the stomach and to neutralize the acid, and make it bland and harmless, a teasponful of bisurated magnesia, a good and effective corrector of acid stomach, should be taken in a quarter of a glass of hot or cold water after eating or whenever gas, sourness or acidity is felt. This sweetens the stomach and neutralizes the acidity in a few moments and is a perfectly harmless and inexpensive remedy to use.

An antiacid, such as bisurated magnesia which can be obtained from any druggist in either powder or tablet form enables the stomach to do its work properly without the aid of artificial digestents. Magnesia comes in several forms, so be certain to ask for and take only Bisurated Magnesia, which is especially prepared for the

(Political Advertisement)

Common Sense

The first of the proposed measures on the November ballot is the "Alien Land Law." Before voting on it November 2, we ask you to consider these facts:

¶ The population of California is 3,426,526 of which only 2.2 per cent are Japanese. In 1919 more white children were born in the state than the total of Japanese births for the ten years preceding.

¶ California should not be placed in the position of 97.8 per cent of her population being in fear of 2.2 per cent.

¶ In the last ten years our population increased 1,058,987. It was a 44.1 per cent increase, while that of the whole United States was only 14 per cent. Does that look like the state is being destroyed by its 2.2 per cent Japanese?

¶ Our food supply is not keeping up with the increase of population. The first seven months of this year we did not produce enough to feed our own people; imports of food increased $1,500,000,000.

¶ Why expel the Japanese farmers who raised $67,000,000 worth of food last year?

¶ To persecute them off the land will make the shortage of farm labor more acute, put thousands of acres out of cultivation, reduce our food supply and inflict economic injury to the State.

¶ Japanese labor on land is non-competitive. It gets the highest farm wages paid in the world. This initiative will drive it from non-competitive labor on land to competitive labor in the cities, where it consumes but no longer produces food. This change is equally injurious to city labor and to the consumers of food. This view was taken by the Labor Councils of Stockton and Sacramento in resolutions opposing "the removal of the Oriental from land to the industries."

¶ Japan permits a corporation, though composed entirely of non-Japanese, to own in fee simple all the land it can buy. It also allows alien individuals to lease land of any kind for fifty years, and to acquire superficies for unlimited period. Yet Initiative No. 1 denies this reciprocal right to a handful of Japanese in California.

¶ Foreigners in Japan by concessions in perpetuity own with improvements land worth many millions on which they do not even pay taxes. Yet Initiative No. 1 seeks to deny the industrious Japanese in California the human right of even leasing land for productive purposes.

¶ Much has been said of the Japanese law which claims the allegiance of Japanese born in America. French law claims a child born abroad of French parents as a French citizen, subject, if a male, to military service the moment he enters French jurisdiction. Switzerland, Italy, Greece and Germany have similar laws.

¶ Japan is more liberal than these countries, for she allows a child born abroad of Japanese parents to relinquish allegiance to Japan at any time before the age of 17.

¶ Our National Government alone has power to settle all international questions. We look to Eastern Asia for expansion of our trade. These anti-Japanese movements, and the vituperation and abuse by agitators, and this initiative, do not represent Americanism. They disgrace and embarass our National Government. Why do it, and injure ourselves at the same time?

¶ Our Secretary of Commerce reports that in the eight months, ending August 31, this year, we sold our goods to Asia and Oceania as follows:

To Dutch East Indies	$ 34,995,550	
To China	96,311,017	
To Australia	73,054,230	$ 331,195,036
To British India	65,744,078	
To The Phillippines	61,090,161	
To Japan		$ 328,663,681

¶ Japan bought of us within $2,531,355 as much as all Asia and Oceania combined. Is it wise to alienate that commerce by mistreating the Japanese in California?

¶ Vote NO on Initiative No. 1 on November 2.

News from Orange County Towns

"HOME MADE PLAY" TO BE REPEATED

BREA, Oct. 29.—Brea P. T. A. has been besieged with pleas to repeat their home-made play, "The Village Wedding," which was a feature of a recent reception to the teachers. New features are added and the ladies will entertain an overflow house free, for a collection, next Monday night.

South Walnut street is undergoing adjustments for sidewalks and curbing, while owners of law lots are securing filling material. South Walnut will soon be a handsome street.

Mr. and Mrs. Clifford Hanson have cared for the children while Mr. Clifford's mother and sister endured a siege of typhoid fever in Whittier. Mrs. Strain is much improved.

Arthur Sullivan has bought and is improving a place on South Madrona.

Mr. Wesley Marsh is home for a short visit with his parents, Rev. and Mrs. B. W. Marsh. Wesley, true to his namesake, has been doing a splendid bit of work in Italy for the Methodist Centenary movement. Brea people regret that he cannot live in Brea to fill a long-felt want for young Christian manhood in leadership. He is to return to New York for service in that great metropolis. Friends will be delighted to hear this young man speak of his experiences in Italy, from his father's pulpit next Sunday night.

From "horror chamber" to "devil's railroad" a bunch of Junior Endeavorers experienced ghostly thrillers at a Halloween party the other night.

Mr. and Mrs. Ed. Peterkin are entertaining Mrs. D. Charleston, formerly of Brea, and now of Needles. Also Mrs. Shattuck, of Bisbee, Arizona.

J. E. Russell, watchman and property buyer, now adds "auto for hire" to his repertoire of business.

E. O. Ames, president of the Pacific Co-operative League, spoke to the membership of the Brea Co-operative store Monday night. More than two hundred members are learning co-operation by practice and the store is doing well. A wholesale buying office is promised for Southern California in the near future.

Mrs. N. B. Wheeler took a day off for fun and frolic with friends Thursday.

An expensive cranking has put an arm in a sling for Wallace Lee.

Lewis McDonald treated his family and that of Neighbor Spicer to a hundred-mile trip Tuesday. "Sunny Mead Farm" beyond Riverside, was the destination, and a picnic dinner, with visit to Dr. J. M. Murphy was the diversion. They missed seeing the wheels go round for a sorghum mill, but brought back some cane souvenirs.

Brea oil workers regret the untimely death of Ed. Hammel, by accident, and feel a keen sympathy for Mrs. Hammel.

Number two on the ballot is calling for a break in the apathy of voters. Citizens met at the Congregational church and planned to stir up the minds of our citizens by way of remembrance to vote Yes.

You must hand it to the W. C. T. U. motherly souls who never let up, but year in and year out keep on the job in the fight against lawless liquor interests. One of these mothers appeared in Brea and paid for publicity to let the people know that it is possible to vote for a candidate for United States senator who is dry. Mr. J. S. Edwards will undoubtedly get dry votes which otherwise would be lost.

Mrs. F. M. Chambers is always boosting some one, or something. This week it is an Olinda program by Olindaites Thursday night. It is sure to be good and well attended.

Charlie Moore is giving an unusually strong series of Bible studies at the Christian church Wednesday evening. Great Bible doctrines received a firm foundation in a fine lesson on "Evidences of the Divinity and Deity of Jesus," this week. New people are attending.

Mrs. J. M. Burquist is to entertain her class of girls at a home Halloween party tonight.

A bunch of boys, Honor Knights, of the Christian Sunday school, will pull off some stunts in an out-door and far-away "hot-dog" party Friday night.

J. M. Burquist pumps oil for a vocation and raises big tomatoes for an avocation. His neighbors profit by the avocation.

Rev. J. H. Woodroof, pastor of the Nazarene church, has been ill for several months, but has managed to keep going, except for a few weeks in the hospital. It has become his conviction that he should take his family to Denver, Colorado, to be among relatives and former friends while he, if health permits, returns to his favorite work of evangelizing. Friends in the Nazarene congregational and Christian churches, and from the general public will meet at the Nazarene church Friday night to give him and his family an expression of their good will. It is regretted that Rev. Woodroof's state of health cuts short his splendid service in Brea. The Nazarene church has pospered under his leadership and closer relations with the other churches, and participation in affairs of public welfare have been fostered by him. It was he who spent time and vitality looking up the legal status of the prize-fighting problem thrust upon Brea, and it was he who led in the effort to secure freedom from those exhibitions. He was responsible for securing the initiative ordinance soon to be voted upon and declared by attorneys to be a good ordinance to prohibit the prostitution of the manly art and to foster genuine local athletics in boxing. Mr. Woodroof will not be able to vote for this measure for which he has almost given his life, but if he is spared a few weeks, will surely rejoice from afar that his unselfish labors have not been in vain.

At 7½ cents per mile, 5 people can travel for less than bus, train or street car fare, not to say anything about the added conveniences and comfort in going and coming when and where others don't go. When taking your next day's outing, remember Copson rents cars without drivers.

MORE FLOATS ENTERED ARMISTICE DAY PARADE

ANAHEIM, Oct. 29.—Four more entrants into the big Armistice Day parade were announced. The First National bank and American Savings bank, Ingram's Music store, the Girls' League of the Anaheim Union high school and the Standard Oil company, will enter floats, it was announced.

The Painters' Union of Anaheim will have a delegation in the ranks of marching men.

The Dutton Jewelry store will contribute a silver loving cup to be awarded under conditions decided upon by the servicemen.

MUSICAL TREAT FOR VILLA PARK CHURCH

VILLA PARK, Oct. 29.—Another rare treat is to come to the Villa Park church on Sunday morning. From time to time the local pastor, Rev. L. Potter Hitchcock, has been bringing prominent musicians to that rural community. The coming group will be from Pasadena and will consist of Mr. and Mrs. Revel English, Mr. and Mrs. Roy C. Davis, and Mr. and Mrs. J. R. Bragdon.

Mr. English is one of the leading stockmen of our state, whose horses capture most of the prizes up and down our coast, and it is rare in these days of busy life that he can be persuaded to let his wonderful voice be heard in concert or church. Mr. Davis is the cashier of the Pasadena National bank and is a devoted artist on the saxaphone. Mrs. Bragdon is one of the rising musical composers of California, and will bring some of her own compositions.

This little company of Pasadena friends of the pastor will give the following program at the morning service:

Baritone solo—"Open the Gates of the Temple," (Knapp-Crosby) Mr. English.

Saxaphone Solo—"Ave Maria," (Bach-Gounod) Mr. Davis.

Piano Solo—"Song Without Words," (San Gabriel) Mrs. Bragdon.

Soprano Solo—"The Lord is My Shepherd," (Liddle) Mrs. Davis.

TUSTIN

TUSTIN, Oct. 29—Mr. and Mrs. Donaldson, who are living in the Willard apartments, recently entertained Mr. and Mrs. Austin, of Long Beach, Mr. and Mrs. Coon and two daughters, Dorothy and Louise, from Los Angeles. All are friends formerly from Manhattan, Kans., who have come to spend the winter. Mr. Coon is engaged in the mercantile business and in a trip around this locality Sunday was very much interested in the packing of the citrus fruit as demonstrated at the packing houses.

Mr. and Mrs. Pollard intend to start for the Far East next Tuesday. Although they have been married a number of years, they speak of this as their honeymoon trip.

Mr. and Mrs. L. B. Kiser are visiting their daughter, Mrs. C. Pilgrim, at San Onofre.

The S. E. Wilsons, Chs. Smiths, Baxters and other friends are to be the guests of the Gavin Baxter's at a Halloween party, Saturday night.

The boys in spinning around the school grounds on their bicycles accidentally ran over Charlotte Vance. She is suffering from the shock and several bruises and scratches. The principal has very promptly and sensibly put a stop to riding wheels on the school grounds to prevent a recurrence of any such accidents.

Miss Vivian Hockan, from Oregon, a cousin of the Misses Willard, is staying at their home and attending high school in Santa Ana with Miss Evelyn Willard.

The Golden West packing house is picking oranges on the Lyon ranch for the last time this season. They have just completed picking on the Irvine ranch.

The school teachers are to give a reception Saturday from 2 to 5 p. m., at their home on D. street. They will be glad to meet all those interested in the school, and so get in touch and become acquainted with the patrons of the school.

Miss Alice Inman spent Friday with relatives in Long Beach, going on to Los Angeles in the evening.

Mrs. J. D. Brown is visiting her husband's parents, Mr. and Mrs. Daniel Brown, who live on Lemon Heights.

Everett Blackmore and wife, from Riverside, visited relatives here Sunday. Mrs. Blackmore remained to spend the week with her mother, Mrs. G. E. Hatfield.

ARMISTICE DAY CELEBRATION.

BRAWLEY, Oct. 29. — Brawley Post of the Aemrican Legion has received the acceptance of an invitation to State Commander Buron A. Fitts to make an address at the big celebrationin Brawley on Armistice Day, November 11.

Judge Franklin D. Cole of the Superior court, a Spanish War veteran, also has accepted an invitation to be present and make an address.

"HAPPY WORKERS" AT MRS. LARTER'S HOME

WESTMINSTER, Oct. 29.—The Happy Workers met Wednesday with Mrs. R. E. Larter. About fifty were served with a delicious dinner, and enjoyed the social time afterward. Following the devotionals, led by Rev. W. T. Wardle, a business meeting was held. In view of the regular time for the next meeting coming near the time of the annual praise service and also Thanksgiving it was decided to postpone it to the afternoon of December 1. This will be the annual "Dollar Day" meeting and light refreshments will be served, the heads of the committees forming a body to provide the eats.

As it was the first time that Mrs. Knox and her fine three-months old twins have been present, the president, Mrs. J. F. Patterson, on behalf of the society, presented the babies with little banks each containing the beginning of a bank account. Mrs. Patterson addressed the mothers in a few well-chosen words. "Mrs. Knox, the Happy Workers, wish to give a remembrance to 'our twins,'" said Mrs. Patterson. "Our hearts prompted a ranch, town lot and even something for their hope chest, but as is often the case the heart promptings are cramped by the purse contents." Mrs. McCoy happily suggested a bank account which won the hearty approval of all, but we were disappointed when we went to get the banks as we could not get the kind we wanted. Nevertheless, the First National Savings bank assured us that 'ere the children were old enough to carry these receptacles with their pennies and dimes to the depository, they would have banks with handles and would exchange. So in behalf of the Happy Workers we give these with our love and good wishes to Elsa and Albert, in appreciation of our sister, their mother.

Mrs. Knox expressed sincere thanks for the gifts and invited the society to her house for the next meeting on Dec. 1.

After the business meeting adjourned, Mrs. Dee Campbell favored the company with the following vocal selections: "Out where the West begins," "Your eyes have told me so," and "The tumble down shack."

She was accompanied on the piano by Mrs. O. C. Hare.

Mr. and Mrs. Peter Mohn and little daughter Eleanor, came up from Long Beach Tuesday afternoon and took Mr. and Mrs. W. B. McCoy with them to Huntington Beachc and vicinity to look at the oil wells.

Mr. and Mrs. Elmer Haas and two children, of Yorba Linda, spent Sunday with Chas. Parr and family. Other visitors were Mr. and Mrs. C. R. Baxter and children of Anaheim.

Miss Bertha Dickey attended the Sunday school conference in Santa Ana Tuesday evening returning on Wednesday.

Mrs. M. G. Waters, came from Santa Ana Wednesday and attended the Happy Workers meeting. She plans to go north, soon.

The Christian Endeavor Halloween social at the H. P. Thompson home Friday evening was attended by a crowd of jolly young people who enjoyed an evening of games and Halloween stunts. Refreshments of apples, pumpkin pie, doughnuts and cocoa were served by the social committee.

Mr. and Mrs. Harry Bush of Harbor City, and daughter, Mrs. Harry Griswold and her baby daughter, were week-end guests of Mrs. Bush's mother, Mrs. B. A. Hazard. Mrs. Griswold was formerly Miss Ethelwyn Tucker.

Mr. and Mrs. Ray Westcot, daughter and son-in-law of Mr. and Mrs. Gratias have recently arrived from Iowa, and may make their home in California.

Mrs. H. B. Anderson had as supper guests Saturday evening, her mother and sister Mrs. C. Phillips and Misses Beth and Helen Phillips, of Santa Ana.

Mr. and Mrs. Fred Herman of Redlands spent Sunday night at the home of Mrs. Addie Blakey. Mr. Herman who is the driver of a fire truck was on a two day vacation. They spent Sunday with friends in Anaheim, and returned home Monday, making the trip in their new Chevrolet.

A daughter was born this week to Mr. and Mrs. Ochiyo, Japanese, who live on the J. J. Stoves' place.

Misses Ada and Alice Byram of Upper Montclair, New Jersey, attended the Presbyterian church Sunday and were the guests of O. B. Byram and family who are distant relatives. They have been spending some time at Long Beach and expect to start soon on their return trip by way of the Canadian Pacific. They hope to visit Yosemite as they go north, if it is still open to visitors.

Orvil Day was minus all but one of his nice Rhode Island Red pullets when he arose on Tuesday morning. He thinks the thief made a mistake in leaving one and talks of advertising for him to come back and get it.

Mr. and Mrs. W. J. Edwards and baby, were guests Sunday at the home of their son, Eugene Edwards, in the Springdale district.

James McClintock took dinner Sunday with his friend, Charles Anderson, whose sixth birthday occurred on that day. There are but eighteen days difference in the little fellows' ages, Charles being the younger, and their birthdays are usually spent together.

Ellsworth Skinner and his brother-in-law, Ralph Rumboldt, returned the latter part of the week from El Toro where they have spent the summer harvesting grain and threshing beans.

REGISTER PROTEST AT DISTRICT INCLUDED

FULLERTON, Oct. 29—At the meeting of the city board of trustees a resolution was unanimously passed protesting against the action of the incorporators of the proposed city of Orangethorpe including the city sewer farm and the city water works plant in their proposed incorporation district.

This protest will be presented to the board of supervisors when the incorporators of the proposed new city present their proposition to the board for their official endorsement.

The incorporators of the proposed new city claim to have a population in the district they have mapped out of 550 persons. The lines of the district are run in such a manner that it takes in the sewer farm and the city water plant, both of which are outside the city limits.

City officials are not alarmed over the new city wanting to absorb the ground upon which the sewer farm and water works plant are located as they believe the board of supervisors will not give their sanction to any such action.

P. T. A. HALLOWEEN PARTY AT IRVINE

IRVINE, Oct. 29.—The regular meeting of the Irvine P. T. A. was held on Tuesday, Oct. 26. It was decided that a Halloween party would be given in the Irvine school house at 7:40 Friday evening. Oct. 29. Everyone is welcome.

A number of friends gathered at the home of Mr. and Mrs. Henry Pankey on Saturday evening, and gave them a farewell party. Games of cards, and dancing, were the diversions of the evening. The Pankey family expect to move to Tustin in the near future.

The boys baseball teams of Bolsa and Irvine played a game on the junior high school grounds in Santa Ana which resulted in a victory for Irvine.

Irvine girls were defeated in the practice game with Tustin school girls Monday.

BOLSA

BOLSA, Oct. 29 — W. Dilly and family motored to Costa Mesa Sunday. On their way home they stopped to visit with their cousin.

Earl Pryor has a new Samson tractor. It was delivered to him Monday.

The stork visited Mr. and Mrs. E. A. Gardner, at the Seaside hospital at Long Beach Tuesday, and left a six and one-half pound girl.

Mr. Gardner has his beets all harvested and now has his men repairing his tractors and sawing wood with a buzz saw. A Cleveland tractor furnishes the power.

C. H. Rossman picked his apples Wednesday.

J. D. Shutt, Sr., is harrowing and burning weeds, preparing to plow.

John Warne is cleaning his peat lands preparatory to harvesting his corn.

The Harding Bros. are working some of their land for next year's crop.

Vena Ross visited at the home of her parents, Mr. and Mrs. J. A. Ross on Wednesday.

Mrs. Edna Ross and little son, Lee, spent the day at the home of Mrs. Ross' mother, Mrs. J. A. Ross, Wednesday.

PIONEER MERCHANTS SELL TO E. D. FORBES

YORBA LINDA, Oct. 29.—Stein and Fassel, pioneer merchants of Yorba Linda have sold their local store to E. D. Forbes. The new owner has taken possession and will conduct the business on the same progressive basis as in the past.

A Halloween party, under the auspices of the P. T. A. will be held on Saturday night, October 30, at the school house. A jolly good time is said to be in store for all who attend, so have your name among "those present."

Messrs. Sam and Lee Paine spent the week-end on a fishing trip.

Mr. and Mrs. Will Martin spent Sunday with the latter's sister, Mrs. Peter Morch, at Chino.

Mrs. Charles Selover and infant son returned from the Anaheim hospital on Sunday. The young man has been named Donald Elsworth.

Mrs. Marie Cochran spent several days during the latter part of the week in Pasadena, visiting her parents, Mr. and Mrs. Robert Craig.

Miss Esther Buckmaster and Howard Brown were quietly marrited, Saturday, at the home of the bride's parents, Mr. and Mrs. J. A. Buckmaster. Only immediate relatives were present. The young couple have gone on a few days' honeymoon trip and upon their return will reside on Park Way, Yorba Linda.

Mr. and Mrs. Harry Hoben have moved into their new home, recently purchased from Felix Stien.

Mr .and Mrs. Hugh Nixon were Anaheim visitors on Saturday.

Mrs. Walter Smith and Walter, Jr., returned home from the Anaheim hospital on Tuesday.

Bruce Dickey of Los Angeles was a visitor in Yorba Linda, Saturday.

Mr. and Mrs. Ralph Shook were Anaheim visitors, Friday. Mr. Shook had the misfortune recently, to sprain the tendons in his foot and has been obliged to use crutches for the past week.

Mr. and Mrs. E. E. Knight and Mrs. Wade spent Saturday afternoon in Santa Ana.

Mrs. S. H. McCracken, who has been a patient at the Fullerton hospital for the past month, returned home the latter part of the week.

Mr. Bennink, manager of the M. H. Mills store, is enjoying a vacation this week.

Mrs. Gladys Conley Taylor spent the past week as the guest of Mrs. Lester, at Long Beach.

Mrs. Peter Amstutz spent several days during the latter part of the week, with relatives in Riverside.

Goldie Mallet and Ruth Lunsford invited some of their school friends to spend Wednesday evening at Ruth's home. The evening was very pleasantly spent playing games. Refreshments of pop corn and candy were served. Those present were: Hattie Patterson, Gracie Jiles, Edna Van Syoc, Fae Ross, Carmen Pryor, Alberta Morgan, Harriet McAlla, William Patterson, Charlie Patterson, Everett Jiles, James McAlla, Earl Walker, John Ward, Carl Pryor, Thomas Radford and the hostesses, Goldie Mallet and Ruth Lunsford.

Carmen Pryor spent the night with Ruth Lunsford, Wednesday night.

Cary Pryor spent the night with Thomas Radford.

Mrs. Sarah Gardner is keeping house for her son, Mr. E. A. Gardner and caring for the children, while Mrs. Gardner is at Long Beach.

Mr. Flores is cutting down gum trees on the Gardner ranch and getting them ready for the buzz saw.

A SAFEGUARD AGAINST DEPRECIATION
Have you ever thought that the monthly payment plan of this association is the best protection against the depreciation of the real estate security of a loan? Suppose we loan 50% of the value on a $6,000 home. At the end of one year the monthly payment has reduced the loan to $2,671 which is 50% of $5,342.
At the end of 2 years the loan has been decreased to $2,315 which is 50% of $4,630.
At the end of 3 years the balance unpaid is $1,930 which is 50% of $3,860.
Should property depreciate one-half in the next 3 years our loans made today will be reduced to 65% of the depreciated value.
You can get 6% with us, why take the risk of a straight loan for 3 years at 7%.

An Up-to-Date Waffle Iron
The Griswold Waffle Iron is like the whole Griswold line of kitchen utensils — made of the best metal and improved to the highest degree!
That's why the Griswold Waffle Iron is so popular. In addition, it has exclusive features that every woman appreciates on sight.
Air-cooled handles and a ball-bearing socket make turning the pans easy without lifting the iron from the stove.
Cast of heavy iron of uniform thickness which holds the heat and makes crisp, evenly browned waffles.
A deep groove at the ball-bearing socket drains surplus grease from the pan into the overflow, preventing it from falling on the hot stove or into the fire. This is an important and unique feature of the Griswold Waffle Iron.

FOR SALE—COUNTRY PROPERTY

FOR SALE OR EXCHANGE—320 acres, all good fruit land, about 150 miles from Los Angeles, in Kern county, 20 acres apples, 5 acres Bartlett pears, 3 acres peaches, 4 and 5 years old; also family orchard of a variety of fruit, grapes and almonds, windbreak of black locust surrounding—40 acres, 50 acres, inclosed with rabbit wire fence, 3 miles of good fencing in all, 13-inch well, cased down 400 feet, Pomona No. 28 pump, 25 h. p. Fairbanks-Morse oil-burning engine, pumps about 30 inches water. Cement reservoir, 50x100 x6 feet deep, 8-inch cement pipe underground irrigating system, 6000-gallon galvanized iron domestic water tank, water piped to house and grounds. 12x12 foot tank house, cement floor, 16x46 galvanized iron pump house, cement floor, 2 good barns, 4-room house, furnished; 3 horses, 1 cow, 60 chickens, 4 good wagons, 4 cultivators, 3 plows, mowing machine, hay rake, leveler, scraper, harrow, 3 sets harness, 1 buggy, large variety of farming tools, 80 acres under cultivation, 4 acres alfalfa, balance all good tillable soil.
This property is ripe for subdivision as a townsite, already having church, school, postoffice and store on land. Also railroad station and electric power station on rights of way crossing land. Here is a speculative chance of making a fortune in a very few years, independent of farming, as it already brings in a revenue from ground rent used for business purposes. Location is high and healthy, no fogs. Ideal for anyone having lung or throat trouble. Price, including all, $32,000. Improvements alone should be worth that price.
Will consider good Orange county or beach property for all or part. Might sell improved part only if desired. Call or address OWNER, on premises. GEO. E. WALHIZER, Inyokern, Kern county, California.

FOR SALE—20 acres near Anaheim, bearing walnuts, house, barn, pumping plant, cement irrigating lines with valves. A bargain, $8000 will handle. R. R. No. 4, Box 113, Anaheim.

FOR SALE—Imperial Valley land of opportunity; 80 acres in crop, water, fenced, house and corrals. Mile from main line depot and the price only $160 per acre, with easy terms. F. A. Bartnett, 205 East First St. Home 336, Long Beach, Cal.

20 Acres $4500
TURLOCK DISTRICT, 5 miles of Turlock, good soil, water with land, near the new R. R. Small house and barn, domestic well. Am here and forced to sell. Price mighty cheap. Address owner R. J. Killingbeck, Box 172, or phone 100, Fullerton Cal.

FOR SALE—10½-acre fruit and berry ranch on Pacific highway, 1½ miles north of Medford, Ore. H. D. McBride, Route 2, Box 21; or address A, Box 9, care Santa Ana Register.

40 ACRES good alfalfa or beet in Orange county. Address R. D. 1, Box 49D, Orange.

FOR SALE—COUNTRY PROPERTY

FOR SALE OR EXCHANGE for Santa Ana property, a well improved stock farm of 160 acres, within 25 miles of Kansas City, Mo. Address R. W. Wilson, 801½ Lacy St., Santa Ana.

FOR SALE—Ten acres alfalfa $4250.00, if sold by Nov. 2d. Will yield 50 per cent on investment, with six days' work per cutting. C. A. McGrew, Paularino.

COUNTRY REAL ESTATE FOR SALE —$35,000.00, 28 acres Bartlett pears and prunes, in Napa valley; Al place. For particulars address P. O. Box 127, Napa, Cal.

FOR SALE—10 acres of corn and 1 three gang disc plow. Phone Santa Ana 530-J1.

FOR SALE—Or Exchange: Well-located ranch, 1500 acres, near Woodlake in Tulare county. Over 600 acres first-class for fruit. Produces wonderful hay and grain crops. Two good springs, and creek through center, flows almost entire year. Large amount of oak, a portion of which if cut would more than pay for property. Soil is dark, deep and rich, vineyard and fruit land of highest quality. Place fenced in five fields. Good California house. Price $75,000. Take from third to half good exchange and give ten years on balance.
5000 ACRES, stock ranch, with government range, close to good town and main highway in Tulare county. No better watered ranch in this valley. Ample feed throughout year. Good improvements. This is a bargain—there is no better at the price. $15 per acre—$75,000. Will sell stock and equipment at market price.
728 ACRES in foothills near Raymond, on main road. Good house, new barn, out-buildings, ample water, telephone. Fenced in four fields; about 300 acres tillable. This ranch is a good one and there is no better of its size. Wonderful place to raise fine stock, turkeys or chickens. On main road. Price $30 per acre—$21,840. Will take exchange up to $12,000 and assume.
1000 ACRES fine fruit land, fully watered, in well-known district. In grain last year, and produced over $50,000 wheat and barley. Price $150 per acre. Take half clear exchange 5 years on balance.
ALSO many other pieces, both large and small. See me for San Joaquin Valley lands.
CECIL GRIGSBY, Exclusive Agent
1229 Broadway, Fresno, Cal.

FOR SALE—$12,000, easy terms, 120 acres level land, fine for alfalfa, cotton, deciduous fruits and general farming. In Menifee Valley, between Elsinore and Hemet. This land adjoins one of the finest alfalfa ranches in the state. Abundant water available. Rich loamy soil. Full commission to agents. L. M. Pratt, 500 Chamber of Commerce Bldg., Pasadena. Phone Fair Oaks 757. Write for description.

Legal Notices

NOTICE OF SALE OF REAL PROPERTY AT PRIVATE SALE.

NOTICE IS HEREBY GIVEN, that in pursuance of an order of the Superior Court of the State of California, in and for the County of Orange, made on the 15th day of October, 1920, in the matter of the estate and guardianship of George V. Slater, a minor, No. 10933, the undersigned, guardian of the person and estate of said minor and ward, will sell at private sale, in separate parcels as hereinafter specified, to the highest bidder, upon the terms and conditions hereinafter mentioned, and subject to confirmation by said Superior Court on or after the 1st day of November, 1920, all the right, title and interest of the said ward (being an undivided one-sixth interest therein) in and to those certain lots, pieces or parcels of land situate, lying and being in the County of Orange, State of California, and more particularly described as follows:

PARCEL 1—
The easterly one-half of Lots Fourteen (14) and Fifteen (15), in Block "D" of "Fruit Addition to Santa Ana East" as shown by map thereof on file in Book 5, Page 186, of Miscellaneous Records of Los Angeles County, California.

PARCEL 2—
That certain piece of land described as follows: Commencing at the northwest corner of Lot One (1) of the L. Z. Culver Hotel Tract, as per map thereof on file in Book 15, Page 23, Miscellaneous Records of Los Angeles County, California, running thence north along the line of Glassell Street Fifty (50) feet; thence east parallel with the north line of said Lot 1, One hundred thirty-two feet (132); thence south Fifty (50) feet, to the north line of said Lot 1; thence west along the north line of said Lot 1, One hundred thirty-two (132) feet to the point of beginning.

Terms and conditions of sale: Cash, lawful money of the United States; ten (10) per cent of the purchase money to be paid at the time of sale, balance on confirmation of sale; the purchaser to assume the payment of and take the property purchased by him subject to all the State and County taxes and all expenses of whatsoever name or nature which are now or may become hereafter chargeable to or a lien against the property purchased by him.

All bids or offers must be in writing and may be left at the office of P. D. Nowell and Glenn L. Moran, attorneys for said administrator, in Room 5, National Bank of Tulare Building at the lawful money of the United States; ten (10) per cent of the purchase money to be paid at time of sale; balance on confirmation of sale.

All bids or offers must be in writing, and may be left at the office of F. C. Drumm, attorney for the undersigned, at Room 4½ Ehlen & Grote Building, City of Orange, County of Orange, State of California, or may be filed in the office of the Clerk of the court aforesaid before time of sale.

Notice is also given that the remaining undivided five-sixth interest in the above described property is also for sale through the undersigned; and any bidder for said ward's one-sixth undivided interest may also obtain a contract for the purchase of the remaining five-sixth interest, if he so desires, at the time of placing his bid.

ANNA M. SLATER, Guardian.

No. 11652.
Notice for Publication of Time of Proving Will, Etc.

In the Superior Court of the County of Orange, State of California.

In the matter of the Estate of Robert H. English, Deceased.

NOTICE IS HEREBY GIVEN, that Friday, the 29th day of October, 1920, at 10 o'clock a. m., of said day, at the Court room of this court, Department No. 2, in the City of Santa Ana, County of Orange, State of California, has been appointed as the time and place for hearing the application of William H. English, praying that a document now on file in this court, purporting to be the last Will and Testament of the said deceased, be admitted to probate, that Letters Testamentary be issued thereon to William H. English, at which time and place all persons interested therein may appear and contest the same.

Dated October 18, 1920.
J. M. BACKS, County Clerk.
CLYDE BISHOP, Attorney for Petitioner.

NOTICE OF CHANGE OF GRADE

Notice is hereby given that on the 18th day of October 1920, the City Council of the City of Santa Ana, passed and adopted Resolution No. 667, declaring its intention to order the following changes of grade to be made, to-wit;

To change and re-establish the grade on that portion of Cypress Avenue which extends southerly from the center line of Chestnut Street to the center line of McFadden Stret, so that instead of the present and now existing grade on the described portion of Cypress Avenue the official grade thereon, when changed, will and shall conform to the elevations set forth in said Resolution.

To change and re-establish the grade on that portion of Orange Avenue which extends southerly from the center line of Chestnut Street to the center line of McFadden Street, so that instead of the present and now existing grade on the described portion of Orange Avenue the official grade thereon, when changed, will and shall conform to the elevations set forth in said Resolution.

The said change of grade shall be made under the provisions of an act of the legislature of the State of California, known as The Change of Grade Act of 1909.

The date of Resolution No. 667 is October 18th, 1920.

For further particulars reference is hereby made to said Resolution No. 667 on file in the office of the Clerk of the City of Santa Ana.

W. W. HOY,
Street Superintendent of the City of Santa Ana.
Dated this 22nd day of October, 1920.

No. 11368.
Administratrix's Notice of Sale of Real Estate at Private Sale.

In the Superior Court of the State of California, in and for the County of Orange.

In the Matter of the Estate of Ernest Thompson, Deceased.

NOTICE IS HEREBY GIVEN that it being for the advantage, benefit and best interests of the above entitled estate and those interested therein, and to pay the debts and expenses of administration, that the undersigned administratrix will sell at private sale to the highest bidder for cash as provided by law and subject to confirmation by said Superior Court, on or after the 9th day of November, 1920, all the right, title and interest of the said Ernest Thompson, deceased, at the time of his death, and all the right, title and interest which the said estate has by operation of law or otherwise acquired other than or in addition to that of the said deceased at the time of his death in and to that certain piece or tract of land situated and lying and being in the County of Orange, State of California, and more particularly described as follows, to-wit:

Lot 5, Block 15, of the Town of Brea, as shown on a Map recorded in Book 7, page 2 et seq., Miscellaneous Maps, Records of Orange County, California.

Terms and conditions of sale, cash in gold coin of the United States; at least ten (10) per cent of the purchase price to be paid at the time of sale on filing of the bid and the balance on confirmation of sale by said Superior Court.

All bids or offers for the above described real estate must be in writing and will be received at any time after the first publication of this notice and before making said sale by the undersigned administratrix of said estate at the office of S. M. Davis, Room 5, Orange County Trust and Savings Bank Building, Santa Ana, California, at the place of business of the administratrix of said estate in the County of Orange, or may be filed in the office of the clerk of said Superior Court of the County of Orange, State of California.

Dated this 25th day of October, 1920.
BERTHA THOMPSON REYNOLDS,
Administratrix of the Estate of Ernest Thompson, Deceased.
S. M. DAVIS, Attorney for Administratrix, 5 Orange County Trust and Savings Bank Building, Santa Ana, Calif.

No. 3494. Department 2.
NOTICE OF ADMINISTRATOR'S SALE OF REAL PROPERTY AT PRIVATE SALE.

In the Superior Court of the State of California, in and for the County of Tulare.

In the matter of the estate of Rosa L. Hiatt, deceased.

NOTICE IS HEREBY GIVEN, that the undersigned, George C. Hiatt, administrator of the estate of Rosa L. Hiatt, deceased, will sell at private sale in one parcel, to the highest bidder, upon the terms and conditions hereafter mentioned, and subject to the confirmation by said Superior Court in and for the County of Tulare, State of California, on or after Saturday, the 20th day of October, 1920, all of the right, title, interest and estate of the said Rosa L. Hiatt, deceased, at the time of her death, which was an undivided one-sixth interest in and to the real property hereinafter described, and all the right, title and interest that the estate has, by operation of law, or otherwise, acquired other than, or in addition to that of the said deceased at the time of her death, of, in, and to that certain lot, piece or parcel of land situate, lying and being in the County of Orange, State of California, and more particularly described as follows, to-wit:

The South Twenty (20) acres of the Southeast Quarter of the Northeast Quarter of Section Sixteen, Township Five South, Range Ten West, S. B. B. & M., as more fully appears upon the records on file in the office of the County Recorder of said County of Orange.

Terms and conditions of sale:

Cash in current lawful money of the United States; ten (10) per cent of the purchase money to be paid at the time of sale, balance on confirmation of sale; the purchaser to assume the payment of and take the property purchased by him subject to all the State and County taxes and all expenses of whatsoever name or nature which are now or may become hereafter chargeable to or a lien against the property purchased by him.

All bids or offers must be in writing and may be left at the office of P. D. Nowell and Glenn L. Moran, attorneys for said administrator, in Room 5, National Bank of Tulare Building at the

Legal Notices

City of Tulare, State of California, or may be delivered to said administrator personally in said County of Tulare, State of California, or may be filed in the office of the Clerk of the Superior Court in and for the County of Tulare, State of California, at any time after the first publication of this notice and before the making of said sale.

Dated September 30, 1920.
GEORGE C. HIATT,
Administrator of the Estate of Rosa L. Hiatt, Deceased, Tulare, California.
P. D. NOWELL & GLENN L. MORAN, Attorneys for Administrator, National Bank of Tulare Building, Tulare, California.

NOTICE OF CHANGE OF GRADE

Notice is hereby given that on the 18th day of October 1920, the City Council of the City of Santa Ana, passed and adopted Resolution No. 669, declaring its intention to order the following changes of grade to be made, to-wit:

To change and reestablish the grade on that portion of North Sycamore Street to which extends northerly from the center line of Church Street to the center line of West Washington Avenue, so that instead of the present and now existing grade on the described portion of North Sycamore Street the official grade thereon, when changed, will and shall conform to the elevations set forth in said Resolution.

And to change and reestablish the grade on that portion of West Tenth Street extending westerly from the center line of North Main Street to the center line of North Broadway, so that instead of the present and now existing grade on the described portion of West Tenth Street the official grade thereon, when changed, will and shall conform to the elevations set forth in said Resolution.

And to change and reestablish the grade on that portion of that portion of West Washington Avenue extending westerly from the center line of North Main Street to the center line of North Broadway so that instead of the present and now existing grade on the described portion of West Washington Avenue the official grade thereon, when changed, will and shall conform to the elevations set forth in said Resolution.

The said change of grade shall be made under the provisions of an act of the legislature of the State of California, known as The Change of Grade Act of 1909.

The date of Resolution No. 669 is October 18th, 1920.

For further particulars reference is hereby made to said Resolution No. 669, on file in the office of the Clerk of the City of Santa Ana.

W. W. HOY
Street Superintendent of the City of Santa Ana.
Dated this 22nd day of October, 1920.

NOTICE

State of California County of Orange, ss:
Office of the Tax Collector:

NOTICE IS HEREBY GIVEN, That the taxes on all personal property secured by real property, and one-half of the taxes on all real property, become due and payable on the third Monday in October, and will be delinquent on the first Monday in December next thereafter, at six o'clock p. m., and that unless paid prior thereto, fifteen per cent will be added to the amount thereof, and that if said one-half be not paid before the last Monday in April next, at six o'clock p. m., an additional five per cent will be added thereto. That the remaining one-half of the taxes on all real property will be payable on and after the first Monday in January next, and will be delinquent the last Monday in April next thereafter, at six o'clock p. m. and that unless paid prior thereto, five per cent will be added to the amount thereof. That all taxes may be paid at the time the first installment is due and payable. Payment to be made at the Tax Collector's office in the County Court House, during regular office hours.

J. C. LAMB,
Tax Collector of Orange County.
October 15, 1920.

Action brought in the Superior Court of the County of Orange, State of California, and the Complaint filed in the office of the Clerk of said County of Orange.

In the Superior Court of the County of Orange State of California.

John Mosley, Plaintiff,
vs.
C. H. Tenney, John Doe, Richard Roe, Jane Doe and James Doe, Defendants.

R. T. WALTERS, Attorney for Plaintiff

The People of the State of California send greetings to C. H. Tenney, John Doe, Richard Roe, Jane Doe, and James Doe, Defendants.

You Are Hereby Directed to Appear and answer the Complaint in an action entitled as above, brought against you in the Superior Court of the County of Orange, State of California, within ten days after the service of this Summons, if served within this county, or within thirty days if served elsewhere. And you are hereby notified that unless you appear and answer as above required, the said plaintiff will take judgment for any money or damages demanded in the complaint, as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Given under my hand and the seal of the Superior Court of the County of Orange, State of California, this 23rd day of September, A. D. 1920.

J. M. BACKS, Clerk.
By A. L. Hitchcock, Deputy Clerk.

DAILY MARKET REPORT

LOS ANGELES, Oct. 29.—Fruits and vegetables were in brisk demand on the local produce market yesterday, and prices for nearly all lines held firm at the level of Wednesday's session. Arrivals were moderate, particularly those from the local producing sections, and the offerings were readily absorbed by retailers and peddlers. The feature of the day was the sharp downward turn taken by cabbage, cauliflower and lettuce, all of which were in heavy supply. Cabbage dropped 25 cents per crate, cauliflower slumped 35 cents per crate, and lettuce showed a decline of 25 cents per field crate, best stock selling at $1.75, as compared with $2 per crate of the preceding day.

Other lines held firm, or advanced slightly during the session. A strong undertone was in evidence for apples, which were in good demand, and an advance of about 10 cents per box was registered for the fancy Bellefleurs. String beans were in liberal supply, but under pressure of active buying, prices for this commodity advanced 1 to 2 cents per pound, according to the quality and condition of the offerings. Slight gains were also made by turnips, which were in limited supply, the market showing an advance of about 10 cents per dozen bunches.

Prices were unchanged for tomatoes in sales to retailers and peddlers, but an upward tendency was in evidence in the shipping market for this commodity, extra fancy stock bringing as high as $1.35 per lug, an increase of 10 cents per box over the prices of

Latest From Oil Fields of Orange County

By ELWOOD J. MUNGER

UNION EXPECTING NEW GUSHER SOON

RICHFIELD, Oct. 29.—It is only a matter of a short time now until the Union Oil company will have another big well on the Chapman property. Chapman No. 4 now drilling at 3500 is showing up very strong. No 5 is drilling in the brown shale at 3725, and No. 7 shows the same formation at 3625. Towell No. 3 is looking very much like an oil well at 3300. Dickson No. 1 is drilling in the brown shale at 3575. Coyle & Bogue No. 1 is looking good in the shale at 3650. Placentia Orchard is going slow in the hard sand at 1655.

The Union is making preparations to offset the Petroleum Midway's Isaacs and the Richfield Consolidated's No. 2 with a well now rigging upon the property to be known as the Yorba Linda group.

ARMOUR TRIAL SET FOR NOVEMBER TERM

NEW YORK, Oct. 29—Four employes of Armour & Co., recently indicted with J. Ogden Armour, president, and F. Edson White, vice-president, on charges of profiteering in New Zealand lambs, in violation of the Lever act, entered pleas of not guilty and were released in $2500 bail each. Counsel asked for three weeks' time for Armour and White to appear, but Federal Judge Mayer gave them until November 5.

BRITISH RENOUNCE CONFISCATION RIGHT

PARIS, Oct. 29—The French Foreign Office has received official notification that Great Britain renounces the right of confiscation of German property in the United Kingdom. This has caused great surprise, which is freely expressed in French official circles.

French officials emphasize the gravity of this move, as they fear Germany will make a similar request of France, which it is declared, could not be granted.

Official circles add that Great Britain retains here rights in case of voluntary default by Germany. The paragraph of the treaty, providing for this contingency, reads:

"The measures which the Allied and associated powers shall have the right to take, in case of voluntary default by Germany and which Germany agrees not to regard as acts of war, may include economic and financial provisions and reprisals, and in general such other measures as the respective governments may determine to be necessary in the circumstances."

DENY RICCI TO BE ITALY'S U. S. ENVOY

ROME, Oct. 29—The Popolo Romano, which had asserted that Senator Rolandi Ricci was to be appointed Italian Ambassador to the United States, has retracted the statement. In official circles it was stated today that no definite decision concerning the new ambassador to the United States had been reached, owing to the fact that no notification had been received from Washington as to whether the person suggested for the post is persona non grata.

INSULTING LETTERS RESULT IN MURDER

CHILLICOTHE, Mo., Oct. 29 — Ira Horgens, a young farmer, was shot and killed by Thomas Lipton, a retired farmer of Meadville, Mo. Lipton surrendered to the authorities.

Lipton says his daughter, who teaches school near the Hodgens farm, had been receiving insulting anonymous notes, deposited in the schoolhouse. The father spent last night in the schoolhouse and says that Hodgens entered the building before daylight this morning and began to write. He shot him. Hodgens is survived by a wife and baby.

EVANS TO HEAD DRILLING.

ORANGE, Oct. 29—Oscar O. Evans, formerly superintendent for the Interstate Oil company at Newport, has been selected to manage the drilling of the Orange County Petroleum's wildcat well now drilling near Orange County Park. Some 550 feet of hole has been made, the drilling going slow on account of the hard conglomerate struck soon after the well started drilling.

FACE DISFIGURED WITH RINGWORM

Skin Was Sore and Red. Itched and Burned. Cuticura Healed.

"Nearly all my life I was troubled with ringworm. My face was the only place affected and at times there would be three or four splotches. The skin around the affected part was sore and red. It itched and burned causing me to scratch my face and make it worse. My face was disfigured.

"I decided to try Cuticura Soap and Ointment, and in two weeks all traces of the trouble were gone. I was completely healed." (Signed) Miss Alleyne Starling, Patterson, Calif., April 5, 1920.

Once clear, keep your skin healthy and clear by using Cuticura Soap and Ointment for every-day toilet purposes and Cuticura Talcum to powder and perfume.

Sample Each Free by Mail. Address: "Cuticura Laboratories, Dept. H, Malden 48, Mass." Sold everywhere. Soap 25c. Ointment 25 and 50c. Talcum 25c. Cuticura Soap shaves without mug.

STANDARD IS RACING WITH WONDER'S CREW

RICHFIELD, Oct. 29.—The speed of the Standard Oil company in getting new wells started and down is making the company one of the most famous in the oil development game today.

As soon as it was known that the Wonder Oil company had leased the property on the west side of the Standard's Kraemer property an ouset well was started and in three weeks the Standard had a rig up and 1900 feet of hole drilled.

It is predicted that the Standard will have this well producing far in advance of the Wonder Oil company's well. Kraemer 2-5 is now the gusher of the field, deepened to 3994 it is making 2000 barrels daily of 27 gravity oil.

OLIVE WELL LOOKING GOOD AT 3025 FEET

OLIVE, Oct. 29.—Drilling on the Olive Petroleum's wild cat well at Olive has passed the 3000 mark, the condition of the well good and the outlook for an oil well better as the hole goes deeper. At 3025 considerable gas and some oil is showing.

FAMOUS OLD WILDCAT READY TO GO AGAIN

PLACENTIA, Oct. 29.—Recalling the old days of a once famous wildcat Heffron No. 2 is rigging up and will spud in a few days. Heffron No. 2 was at one time known as the Riverview Oil company No. 1 subsidiary of the original Heffron Oil company. It is understood that Heffron No. 2 will be drilled by the McCuwen Drilling company.

The Placentia Oil company is now making hole rapidly at 2300 feet, the change from hard conglomerate to clay and sand speeded up the drilling considerably.

The Placentia Pacific Oil company is meeting with drilling difficulties right off the reel. Soon after spudding in the hard conglomerate was struck that has slowed the drilling to a few feet a day. The hole is now 800 feet deep,, with progress still somewhat slow.

TWO OUTFITS HAVING TROUBLE WITH ROCKS

ORANGE, Oct. 29.—The New York California Oil company in the Santa Ana canyon and the National Security company, near Orange County Park, have started developing. The New York-California has been hung up for a little time with hard conglomerate and boulders, the drilling going slow at 375 feet. The National Security Co. is drilling in the same formation at 225.

CARPENTER NO. 1 HAS SHOWN 400 BARRELS

RICHFIELD, Oct. 29.—At 3415 the United Oil company stopped drilling and put Carpenter No. 1 on the pump. The new well started off making oil at the rate of 400 barrels. The production thus far is carrying some water and is a little heavy, being about 19 gravity. The United's first well in wildcat territory is a producer.

SANTA ANA CANYON IS GOING AT 3900 FEET

RICHFIELD, Oct. 29.—The Santa Ana Canyon Oil company's wildcat is now one of the deep wells of the field. Drilling at 3900 feet the formation brown shale carrying a quantity of gas.

FULLERTON OIL MAY DUPLICATE STANDARD

RICHFIELD, Oct. 29.—The Fullerton Oil company drilled out the cement at Travis No. 4 and is getting ready to make a test of the water shut off at 1750 feet. A. U. W. No. 1 is standing idle waiting for the necessary casing to go deeper. The Fullerton Oil company has a splendid chance to bring in a duplicate of the Standard Oil company's Kramer 2-5 now doing 2000 barrels at the Anaheim Union well.

LOOKING ENCOURAGING.

RICHFIELD, Oct. 29.—The Placentia-Richfield-Central is now making hole in a mixture of sand and shale at 3600 feet. The well is showing quite a bit of gas and is looking encouraging.

IS BACK DOING 500.

RICHFIELD, Oct. 29.—The Petroleum Midway has succeeded in getting Yarnell No. 1 back on production, the well is at her old-time production of 500 barrels.

LANDLADY WELCOMES FOLKS WITH CHILDREN

POMONA, Oct. 29 — Pomona has a public benefactor in a landlady that not only will rent her house to a family with children, but who goes one better by stipulating that she will not rent to a family unless there are children, and the more the merrier.

This public spirited individual is Mrs. Durgin, proprietress of the St. Francis Hotel.

Mrs. Durgin hails from Los Angeles, where she said she witnessed so much distress among families that had difficulty in finding a place to live, merely because they were guilty of having children, that she resolved that when opportunity offered she would do her bit to alleviate the situation. Mrs. Durgin called at the Pomona Chamber of Commerce today and told Mrs. C. O. Kennedy, the assistant secretary, of her plan.

Travel on the big motor stages to Los Angeles. Cars leave on regular half-hourly schedule daily. Motor Transit Company's station, 5th & Sycamore streets.

Spencer Corset. 831 Spurgeon St.

PROMISE LONG LIFE FOR NEW BREA WELL

BREA, Oct. 29.—The greatest well ever brought in in the Tonner field in Brea Canyon has been brought in by the General Petroleum at Tonner No. 3. This great well came in at a depth of 2752 feet, 815 feet of pure oil sand was drilled through. In addition to the long stratum of oil sand, some 400 feet of richly impregnated shale was drilled through, giving the well more than 1200 feet to draw on for production. The new well is producing exactly seventy-one barrels per hour or 1700 barrels a day.

The oil is 27 gravity and cuts less than 2 per cent. In addition to the tremendous flow of oil the well is making a half million feet of gas that is yielding 400 gallons of gasoline.

With a gas pressure of 240 pounds on the casing head, and the long run of oil sand and rich shale Tonner No. 3 is scheduled to be one of the biggest and longest lived wells in the new field.

The General Petroleum has Tonner No. 5 drilling at 1700 feet. No. 9 is drilling in the sandy shale at 2970, and No. 11 at 1500. No. 11 is rigging up and No. 12 is also rigging up.

ANOTHER ON GRAHAM-LOFTUS.

BREA, Oct. 29.—It seems that the Union Oil company is not through developing on the old Graham-Loftus property at Brea. A location for No. 55, a new well, has been made, and drilling will start soon. Six years ago the Graham-Loftus property was the biggest oil producing property in the Brea field.

DRILLING AT 1675.

RICHFIELD, Oct. 29.—The Long Beach Consolidated Oil Co. is making a good record drilling. In the short time that the company has been drilling close to 1700 feet of hole has been made and several showings of oil and gas encountered.

BANKRUPTCY ASKED FOR BIG OIL FIRMS

HOUSTON, Tex., Oct. 29—An involuntary petition in bankruptcy was filed against the General Oil Company, a $20,000,000 trust company, and the General Oil Company, a $1,000,000 corporation properties recently placed in charge of a receiver and formerly under operations of S. J. Cox.

Cox is reported returning to Houston from Paris, France, where he had entered two planes in the James Gordon Bennett races.

The petition in bankruptcy was filed by Daniel Dixon of Los Angeles, R. R. Spears of Big Springs, Tex., and the Big Springs Abstract Company. The petition alleges the companies are insolvent and asks a trustee be appointed. A hearing has been set for November 6. Counsel for the companies insist they are solvent.

DRILL ON ANAHEIM DOCTOR'S PROPERTY

RICHFIELD, Oct. 29.—Word has just been received that the Dr. Johnston property at Richfield is to be developed by the Richfield Eastern. The property is a 90-acre tract and is considered to be one of the best pieces of property undeveloped in the Placentia Richfield district. The property belongs to Dr. Johnston of Anaheim.

YEGGS TAKE BOOZE BUT OVERLOOK BONDS

CHICAGO, Oct. 29—Dr. John W. Gill kept it in his safe. It was only a pint, but it was precious.

When he arrived at his office this morning, a demoralizing sight met his eyes. The safe had been broken open with a sledge hammer and a "dead soldier" spread a faint aroma about the room.

Some thirsty yeggs had climbed the fire escape, wormed through the transom and cracked the safe. Bonds to the value of $200 were untouched.

To Relieve Catarrh, Catarrhal Deafness And Head Noises

Persons suffering from catarrhal deafness, or who are growing hard of hearing and have head noises will be glad to know that this distressing affliction can usually be successfully treated at home by an internal medicine that in many instances has effected complete relief after other treatments failed. Sufferers who could scarcely hear have had their hearing restored to such an extent that the tick of a watch was plainly audible seven or eight inches away from either ear. Therefore, if you know of someone who is troubled with head noises or catarrhal deafness, cut out this formula and hand it to them and you may have been the means of saving some poor sufferer perhaps from total deafness. The prescription can be prepared at home and is made as follows:

Secure from your druggist 1 oz. Parmint (Double Strength.) Take this home and add to it ¼ pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day.

Parmint is used in this way not only to reduce by tonic action the inflammation and swelling in the Eustachian Tubes, and thus to equalize the air pressure on the drum, but to correct any excess of secretions in the middle ear, and the results it gives are nearly always quick and effective.

Every person who has catarrh in any form, or distressing rumbling, hissing sound in their ears, should give this recipe a trial.—adv.

POLITICAL ADVERTISEMENT.

Drys Launch Strong Campaign for Edwards

FROM THE SAN FRANCISCO CALL OF OCT. 13, 1920

—The "dry" skeleton has been hauled out of the closet to add a few rattles to the senatorial campaign in California.

—The first step in this direction was taken on Oct. 5, when Edwin E. Grant, president of the State Law Enforcement League, and former state senator, addressed a letter to various ministers, asking their views on the Edwards candidacy. The response has been of such surprising character that a plan of battle has been mapped.

—There are over 2000 ministers on Grant's mailing list and hundreds of these are recorded on postal cards as being enthusiastic over the November chances of the drys. They have already set to work in Edwards' behalf.

—In the primary the dry vote was divided between William Kent and A. J. Wallace. Had the voters concentrated on one or the other of these two men, he would have been nominated.

—Says Chairman Clay Needham, "Everything that we've stood for in the way of a moral or dry issue in the past, San Francisco has defeated. Now this San Francisco vote is hopelessly divided between two men. Senator Phelan and Mr. Shortridge, candidates, are wet, so that all we have to do to beat them is to hold our own strength. Three hundred and fifty thousand votes will elect a man. We've polled more than that on a straight dry issue. People in this state are not intense partisans—the old labels don't mean anything.

NOT DRY PARTY MAN

Grant, explained that he was not a Prohibition party man, but that he, like many others, had decided to support the Edwards campaign.

He referred to Edwards' campaign for secretary of state in 1918 on the Prohibition ticket, when he polled nearly 150,000 votes, and when the "dry or wet" question was not an issue.

Edwards is one of the largest orange growers in the state. He is a director of the California Fruit Growers' Exchange, which handles 70 per cent of the citrus fruits of the state from San Diego to Butte County. He has been a member of the Congregational Church for fifty years and is leader of an adult Bible class, studying social and economic problems. He is trustee of Pomona College.

Let Us Elect Edwards for U. S. Senator

Notice! Read!

A letter by a noted Boston, Mass., physician in medicine to another:

BOSTON, MASS., Mar. 29, 1920.

DEAR DOCTOR:

Yours of the 26th at hand. Thanks for the opportunity you have afforded me of sending an assuring word to "one of our own!"

Chiropractic has medicine beat to a standstill.

Is as different as day is from night. It's scientific where medicine is not, and we know it!

It was the best thing I ever did in the health game when I divorced medicine and got Chiropractic. I am back in the same old stand and just now my old-time medicine friends are beginning to wake up to the fact that they want what I've got to sell them—HEALTH!

I can't speak too highly of Chiropractic. I'm doing today what is impossible in medicine and surgery or any other known Health measure. So remarkable are some of the cures made by Nature's Helper (Chiropractic) that they are almost unbelievable!

Let me hear from you again

Fraternally Yours,
PHILLIP SHEPPARD, M. D.
